Seizure Of Power:

Investigation of Seizure of Montgomery Ward & Co United States. Congress. House. Select Committee to Investigate Seizure of Montgomery Ward & Co,1944 **How Dictatorships Work** Barbara Geddes,Joseph Wright,Erica Frantz,2018-08-23 This accessible volume shines a light on how autocracy really works by providing basic facts about how post World War II dictatorships achieve retain and lose power The authors present an evidence based portrait of key features of the authoritarian landscape with newly collected data about 200 dictatorial regimes They examine the central political processes that shape the policy choices of dictatorships and how they compel reaction from policy makers in the rest of the world Importantly this book explains how some dictators concentrate great power in their own hands at the expense of other members of the dictatorial elite Dictators who can monopolize decision making in their countries cause much of the erratic warlike behavior that disturbs the rest of the world By providing a picture of the central processes common to dictatorships this book puts the experience of specific countries in perspective leading to an informed understanding of events and the likely outcome of foreign responses to autocracies **The Bolsheviks Come to Power** Alexander Rabinowitch,2017-05-20 The Bolsheviks Come to Power is one of the most important histories of the Russian Revolution to challenge the mainstream narratives Originally published to great acclaim in 2004 this new edition marks the 100th anniversary of one of the explosive and game changing moments in modern times In this absorbing narrative Alexander Rabinowitch counters the claims by mainstream historians that the revolution was a military coup led by Lenin and a small band of fanatics He refutes the Soviet myth that the party's triumph in the October Revolution was inevitable and explains the ebbs and flows of the revolutionary period tracing the moods of the working class and the political positions of the Bolsheviks at different historical moments including the immediate aftermath of the February Revolution the July Days the Kornilov affair and up to and including the October Revolution itself Drawn from a wealth of primary sources and archival material this new edition of Rabinowitch's classic account is a must have for anyone interested in clearing away the tired platitudes of mainstream historians and reclaiming the revolution on this important anniversary *Contest for Citizenship and Collective Violence During China's Cultural Revolution* Yang Lijun,2024-06-18 This book has been groundbreaking for scholars of the Cultural Revolution but hitherto was only available in Japanese and Chinese This edition allows English language readers to access the work for the first time The author explains how political struggles within the state competing sectarian interests and other complex factors intertwined to produce various forms of collective violence that had a major impact on the political economic and social order of the time **Textures of Power** Florence Bernault,Benoît Henriet,Emery Kalema,2025-05-27 Central Africa has long been a fertile ground for engendering new concepts and innovative research exerting significant influence on African studies and beyond This edited volume offers groundbreaking multidisciplinary reflections on power in Central Africa from the Atlantic slave trade era to the present By bringing together emerging and leading scholars Textures of Power builds

on the rich epistemic legacies of Central African studies and opens new research avenues across history anthropology and cultural and political studies It offers fresh perspectives on colonial and postcolonial power structures drawing on new findings while critically engaging with earlier theoretical frameworks Employing the concept of texture as a red thread the book showcases the central importance of power as an analytical tool in the humanities and the social sciences It fosters dialogues between emotions and technology colonialism and its aftermath and between non humans and the invisible world Drawing on stories about women social rebellions digital technologies slavery languages forest management charms care and bio medicine urban life radio music witchcraft homosexuality and environmental pollution this volume emphasizes bottom up long term and emic approaches as well as local theories about power This work will appeal to students and scholars in African studies colonial and postcolonial studies and those interested in Africa s longue dur e history Beyond its spatial focus it will also be relevant to those studying power dynamics cultural studies queer and gender studies and environmental humanities

Daily Report, Foreign Radio Broadcasts United States. Central Intelligence Agency,1967 *Hitler's Personal Prisoner* Benjamin Ziemann,2024 From 1938 to 1945 the Protestant church leader Martin Niemoeller was detained as Hitler s Personal Prisoner in Nazi concentration camps and has been widely hailed as an icon of Christian resistance against the Nazis Benjamin Ziemann uncovers a more problematic historical Niemoeller behind the legend of the resistance hero

Nazism Neil Gregor,2000-10-26 The Nazi regime was a regime of unparalleled destructiveness Nazism presents both key texts from some of the most innovative and challenging of more recent studies and extracts from the older historiography of the origins nature impact and legacy of the National Socialist regime It suggests both the need to re read and re consider much forgotten or ignored texts from earlier generations of commentators and the possibility of considering afresh the structure style of rule and consequences of National Socialism in the context provided by the end of the cold war The texts connect the experiences of the Jewish and non Jewish victims of Nazi aggression and genocide links the fates of the victims with analysis of the perpetrators and stresses the consequences of this unprecedented collapse in civilised values for post war Germany and the world

Judging Executive Power Richard J. Ellis,2009-03-16 George W Bush s presidency has helped accelerate a renewed interest in the legal or formal bases of presidential power It is now abundantly clear that presidential power is more than the sum of bargaining character and rhetoric Presidential power also inheres in the Constitution or at least assertions of constitutional powers Judging Executive Power helps to bring the Constitution and the courts back into the study of the American presidency by introducing students to sixteen important Supreme Court cases that have shaped the power of the American presidency The cases selected include the removal power executive privilege executive immunity and the line item veto with particularly emphasis on a president s wartime powers from the Civil War to the War on Terror Through introductions and postscripts that accompany each case landmark judicial opinions are placed in their political and historical contexts enabling students to understand the political forces that frame and the political

consequences that follow from legal arguments and judgments

Communist China Digest ,1967
