Real Retouching Carrie Beene, 2012-11-12 From the perfect glossy pages of a magazine to the larger than life images floating on a billboard in the sky image retouching has become a key component of today's digital photography world. Sometimes controversial but widely accepted and even expected excellent retouching skills are crucial to finding success in the field of digital imaging. As you work through the clear step by step instructions in the book using the images provided on the downloadable resources you'll learn how to do real retouching jobs from start to finish including each and every technical step along the way. You'll also get behind the scenes advice for talking to clients and establishing a workflow to ensure that your client gets the results they are looking for. If you're a student or aspiring professional just starting out in the world of retouching the information found in this book can help you find work in the advertising retouching industry. If you're already a working photographer you'll be able to add retouching to your repertoire as an additional offering to your clients. Carrie Beene is a professional retoucher and educator who has worked with some of the world's most prestigious companies. In this new book she'll share the techniques she has learned and developed over the years to help you navigate the often mysterious world of image retouching.

Report of the Board of Trustees of the Agricultural College of Pennsylvania Agricultural

College of Pennsylvania. Board of Trustees, 1895 **Adobe Photoshop Elements 5.0 Maximum Performance** Mark Galer, 2012-08-21 This book will stretch your digital images and Elements 5.0 to the max. Produce superior high end professional results that until now were not possible without the full Photoshop program. With this package you will discover insider secrets that you can use immediately to solve common problems that even the pros have to overcome. Now you can achieve effects only dreamed of by casual users. Beginning right away with these full color real world projects you can transform your shots into professional images that look as if they belong in glossy magazines without commercial lighting studio equipment or breaking the bank. Uncover the hidden techniques to create photos that look they were shot by a pro. And best of all there is no need to upgrade to the full version of Photoshop to make it happen. Packed with dynamic hands on projects this book reveals the tools, advanced techniques and loadable presets that unleash the creative potential of intermediate to advanced photographers. From editing your shots to correcting flaws and using advanced options for more power you will find out how to combine all the features of Elements with clever workarounds that will give your shots the wow factor. New Maximum Performance Action Files fast track your editing workflow when you have dozens, hundreds or even thousands of shots. Now you can unleash the full power of Elements 5.0 to produce creations that will astonish you. Author and imaging guru Mark Galer puts the thrill of digital photography for your most important shots where it belongs directly in your hands. With this thoroughly updated book you can finally make the most of hot new features like how to Adjust sharpness and curves. Convert to black and white. Correct camera distortion. Use Motion Blur to render the static image more dramatic. Remove unwanted elements from your photographs. Adjust exposure in Adobe Camera RAW to create classic Low Key images. And more. Mark Galer is a Senior Lecturer in Digital Imaging at the RMIT University. He is a Photoshop Elements Ambassador for Adobe Pacific and author of seven books ranging from digital capture to Photoshop editing skills. Get the most out of your digital camera, maximize the power of Adobe Photoshop's Elements 5.0 and unleash your own creativity to make your once in a lifetime photos look like a pro shot them. Praise for the previous edition: Well written, well illustrated with a good knack for explaining complex issues in a non threatening and comprehensible manner. Steve Caplin, digital artist and author of *How to Cheat in Photoshop*. Stunning images without breaking the bank. Using techniques normally associated with Photoshop, Mark Galer proves that this often belittled program can produce truly remarkable results. David Asch, photographer and digital artist, UK. Truly Maximum Performance. This book has propelled my knowledge of Photoshop Elements to a very high competent professional level. I cannot express my absolute delight with my new skills. Richard McWhorter, author, USA. A great book to learn with. Stuffed with expert performance tips. Tim Daly, photographer, UK. A Great Book. I have learned more from watching and rewatching the videos than I did at a 400 two day Photoshop Workshop. V. Hutson, USA. DVD includes FOUR HOURS of tutorials, image files, RAW and 16Bits Channel files, a stock library and a keyboard shortcut reference guide. Updated with new images and 3 new cutting edge projects. lens
