Selected Critical Writings

David Herbert Lawrence

Selected Critical Writings:

Selected Critical Writings David Herbert Lawrence, 1998 A critic must be able to feel the impact of a work of art in all its complexity and force To do so he must be a man of force and complexity himself A critic must be emotionally alive in every fibre intellectually capable and skilful in essential logic and then morally very honest These comments by D H Lawrence are as close a description as any of himself as a critic They come from his essay on fellow novelist John Galsworthy and there are many other pieces on novels and novelists in this selection But Lawrence's range of genres extends to poetry and plays and paintings and his critical writing encompasses an enormous variety of subjects from Aeschylus and the Apocalypse to symbolism and syphilis for his interests are philosophical psychological religious moral sociological historical and cultural as well as literary and artistic This selection is a treasure trove of thought adventures by one of literature's liveliest critical spirits *Richard Aldington: Selected Critical Writings, 1928-1960* Richard Aldington, 1970 Alister Kershaw Aldington's closest friend from 1947 until his death in 1962 here presents ten trenchant and refreshing essays not previously published in book form by perhaps the last of the great literary critics to come to grips with the jubilant illiteracy of these times In his highly personal and reflective Introduction Kershaw discusses Aldington's deep involvement in life the catholicity of his interests and his considerable erudition which gave his writing an unusual quality of spontaneity and eloquence Diversity and Depth in Fiction Angus Wilson, 1984 Includes information on Jane Austen Emma Mansfield Park Northanger Abbey Persuasion Pride and Prejudice Sanditon Sense and Sensibility Albert Camus Caligula La Chute L'Etranger Joseph Conrad Heart of Darkness Lord Jim Nostromo The Secret Agent Under Western Eyes Charles Dickens Bleak House The Chimes David Copperfield Dombey and Son Great Expectations Hard Times Little Dorrit Martin Chuzzlewit Nicolas Nickleby The Old Curiosity Shop Oliver Twist Pickwick Papers Pictures from Italy George Eliot Daniel Deronda Felix Holt Middlemarch The Mill on the Floss Scenes of Clerical Life Gustave Flaubert Bouvard et Pecuchet etc *Selected Critical Writings of George Santayana* George Santayana, 1968 *Selected Critical Writings* George Santayana, 1968 Selected Critical Writings, 1998 Selected critical writings, 1928-1960, ed Richard Aldington, Liu Zaifu: Selected Critical Essays Zaifu Liu, 2021-06-17 Liu Zaifu is a name that has already been ingrained within contemporary Chinese literary history This landmark volume presents Anglophone readers with Liu's profound reflections on Chinese literature and culture at different times The essays collected here demonstrate Liu's historical experience and trajectory as an exiled Chinese intellectual who persistently safeguards the individuality and the autonomy of literature refusing to succumb to political manipulation Liu's theory of literary subjectivity has opened ways for Chinese writers to thrive and innovate His panoramic view not only unravels the intricate interplay between literature and politics but also firmly regards the transcendental value of literature as a significant ground to subvert revolutionary dogmatism and criticize Chinese modernity Rather than drawing upon the existing paradigm he reinvents his own unique theoretical conceptions in order to exile the borrowed gods **Selected**

Critical Writings Vol 2 Santayana, 1968-09-02 George Santayana 1863 1952 was one of the leading philosophers of his era. His range of interests was wide; in addition to books and essays on philosophical subjects, he wrote literary criticism of the first rank, cultural criticism that remained fresh and valid up to the time of this book's publication in 1968, and autobiographical works which reveal a man of great charm with a deep interest and affection for his acquaintances. This two-volume selection of Santayana's writing is exceptionally comprehensive; the editor has been careful to provide passages which adequately illustrate Santayana's views on a wide variety of subjects, and his selection includes essays and excerpts from books that had long been unavailable. Volume two contains selections of cultural and social criticism and philosophical writing. Selected Critical Writings; Ed. by N. Henfrey. George Santayana, 1968.

This Engaging Realm of Kindle Books: A Comprehensive Guide Unveiling the Benefits of Kindle Books: A World of Convenience and Flexibility E-book books, with their inherent mobility and simplicity of availability, have freed readers from the limitations of physical books. Gone are the days of lugging cumbersome novels or meticulously searching for specific titles in shops. E-book devices, stylish and lightweight, seamlessly store an extensive library of books, allowing readers to immerse in their favorite reads anytime, everywhere. Whether traveling on a bustling train, lounging on a sunny beach, or just cozying up in bed, Kindle books provide an exceptional level of ease. A Reading Universe Unfolded: Discovering the Wide Array of Kindle Selected Critical Writings Selected Critical Writings The E-book Shop, a virtual treasure trove of literary gems, boasts an extensive collection of books spanning varied genres, catering to every reader's preference and choice. From captivating fiction and mind-stimulating non-fiction to classic classics and contemporary bestsellers, the Kindle Shop offers an exceptional abundance of titles to discover. Whether seeking escape through immersive tales of imagination and exploration, diving into the depths of historical narratives, or broadening one's understanding with insightful works of scientific and philosophy, the Kindle Shop provides a gateway to a literary universe brimming with limitless possibilities. A Revolutionary Force in the Bookish Landscape: The Lasting Impact of E-book Books Selected Critical Writings The advent of Kindle books has unquestionably reshaped the bookish landscape, introducing a model shift in the way books are published, disseminated, and read. Traditional publication houses have embraced the online revolution, adapting their strategies to accommodate the growing demand for e-books. This has led to a rise in the availability of Kindle titles, ensuring that readers have access to a wide array of bookish works at their fingers. Moreover, Kindle books have equalized access to books, breaking down geographical barriers and providing readers worldwide with similar opportunities to engage with the written word. Irrespective of their place or socioeconomic background, individuals can now immerse themselves in the captivating world of books, fostering a global community of readers. Conclusion: Embracing the Kindle Experience Selected Critical Writings E-book books Selected Critical Writings, with their inherent convenience, flexibility, and wide array of titles, have undoubtedly transformed the way we experience literature. They offer readers the liberty to discover the boundless realm of written expression, anytime, everywhere. As we continue to navigate the ever-evolving digital scene, E-book books stand as testament to the enduring power of storytelling, ensuring that the joy of reading remains accessible to all.
