Selected Cronicas Clarice Lispector, 2015-03-16 Clarice Lispector was a born writer she writes with sensuous verve bringing her earliest passions into adult life intact along with a child's undiminished capacity for wonder The New York Times Book Review In 1967 Brazil's leading newspaper asked the avant garde writer Lispector to write a weekly column on any topic she wished For almost seven years Lispector showed Brazilian readers just how vast and passionate her interests were This beautifully translated collection of selected columns or cr nicas is just as immediately stimulating today and ably reinforces her reputation as one of Brazil's greatest writers Indeed these columns should establish her as being among the era's most brilliant essayists She is masterful even reminiscent of Montaigne in her ability to spin the mundane events of life into moments of clarity that reveal greater truths Publishers Weekly

Routines Lawrence Ferlinghetti, 1964 Routines first published by New Directions in 1964 and going through four printings is now reissued with the addition of three more of Ferlinghetti's very short experimental plays

Myths & Texts Gary Snyder, 2013-08-10 Gary Snyder's second collection Myths Texts was originally published in 1960 by Totem Press It is now reissued by New Directions in this completely revised format with an introduction by the author The three sequences in the book Logging Hunting Burning show the remarkable cohesiveness in Snyder's writings over the years for we find the poet absorbed then as now with Buddhist and Amerindian lore and other interconnections East and West but above all with the premedical devotion to the land and work

Zen and the Birds of Appetite Thomas Merton, 1968 Merton one of the rare Western thinkers able to feel at home in the philosophies of the East made the wisdom of Asia available to Westerners

Clothes for a Summer Hotel Tennessee Williams, 2015-12-18 This late play by Tennessee Williams explores the troubled relationship between F Scott and Zelda Fitzgerald The late Tennessee Williams's Clothes for a Summer Hotel made its New York debut in 1980 Here Scott and Zelda Fitzgerald often seen as symbols of the doomed youth of the jazz age become two halves of a single creative psyche each part alternately feeding and then devouring the other Set in Highland Hospital near Asheville North Carolina where Zelda spent her last confinement this ghost play begins several years after Scott's death of a heart attack in California But the past is still always present in Zelda and Williams's constant shifting of chronology and mixing of remembrance with ghostly re-enactment suggest that our real intimacy is with the shadow characters of our own minds As Williams said in the Author's Note to the Broadway production Our reason for taking extraordinary license with time and place is that in an asylum and on its grounds liberties of this kind are quite prevalent and

also these liberties allow us to explore in more depth what we believe is truth of character Williams poses the inevitable unanswerable questions Did Scott prevent Zelda from achieving an independent creativity Did Zelda s demands force Scott to squander his talents and turn to alcohol Whose betrayal emotional creative sexual destroyed the other But he poses these questions in a new way in the act of creation Zelda and Scott are now aware of their eventual destruction and the creative fire that consumed two artists combines symbolically with the fire that ended Zelda s life **A Draft of XXX Cantos** Ezra Pound,1990 The Cantos have been called Ezra Pound s intellectual diary composed over the course of sixty years Long out of print as a separate volume it was originally published in 1933 this epic of nine groupings of poems is now being issued as a New Directions Paperbook
