**Other Voices: Hidden Histories of Liverpool's Popular Music Scenes, 1930s-1970s** Michael Brocken, 2016-05-23 At times it appears that a whole industry exists to perpetuate the myth of origin of the Beatles There certainly exists a popular music or perhaps rock origin myth concerning this group and the city of Liverpool and this draws in devotees as if on a pilgrimage to Liverpool itself Once within the city local businesses exist primarily to escort these pilgrims around several almost iconic spaces and places associated with the group At times it all almost seems spiritual One might argue however that like any function myth the music history of the Liverpool in which the Beatles grew and then departed is not fully represented Beatles historians and businessmen alike have seized upon myriad musical experiences and reworked them into a discourse that homogenizes not only the diverse collective articulations that initially put them into place but also the receptive practices of those travellers willing to listen to a somewhat linear exclusive narrative Other Voices therefore exists as a history of the disparate and now partially hidden musical strands that contributed to Liverpool's musical countenance It is also a critique of Beatles related institutionalized popular music mythology Via a critical historical investigation of several thus far partially hidden popular music activities in pre and post Second World War Liverpool Michael Brocken reveals different yet intrinsic musical and socio cultural processes from within the city of Liverpool By addressing such scenes as those involving dance bands traditional jazz folk music country and

western and rhythm and blues together with a consideration of partially hidden key places and individuals and Liverpool's first real record label an assemblage of other voices bears witness to an other seldom discussed Liverpool By doing so Brocken born and raised in Liverpool asks questions about not only the historicity of the Beatles Liverpool narrative but also about the absence of
