Mystery Of Mary Stuart:

The Mystery of Mary Stuart Andrew Lang, 2016-09-10 Mr Carlyle not unjustly described the tragedy of Mary Stuart as but a personal incident in the true national History of Scotland He asked for other and more essential things than these revelations of high life Yet he himself wrote in great detail the story of the Diamond Necklace of Marie Antoinette The diamonds of the French the silver Casket of the Scottish Queen with all that turned on them are of real historical interest for these trifles brought to the surface the characters and principles of men living in an age of religious revolution Wells were sunk as it were deep into human personality and the inner characteristics of the age leaped upwards into the light For this reason the Mystery of Mary Stuart must always fascinate moreover curiosity has never ceased to be aroused by this problem of Mary's guilt or innocence Hume said a hundred and fifty years ago that the Scottish Jacobite who believed in the Queen's innocence was beyond the reach of reason or argument Yet from America Russia France and Germany we receive works in which the guilt of Mary is denied and the arguments of Hume Robertson Laing Mignet and Froude are contested Every inch of the ground has been inspected as if by detectives on the scene of a recent murder and one might suppose that the Higher Criticism had uttered its last baseless conjecture and that every syllable of the fatal Casket Letters the only external and documentary testimony to Mary's guilt must have been weighed tested and analysed But this as we shall see is hardly the fact There are points as yet unseized by Germans Mary was never tried by a Court of Justice during her lifetime Her cause has been in process of trial ever since

The Mystery of Mary Stuart Andrew Lang, 2020-03-29 History is apt to be and some think that it should be a mere series of dry uncoloured statements Such an event occurred such a word was uttered such a deed was done at this date or the other We give references to our authorities to men who heard of the events or even saw them when they happened But we the writer and the readers see nothing we only offer or accept bald and imperfect information If we try to write history on another method we become picturesque we are composing a novel not

striving painfully to attain the truth Yet when we know not the details the aspect of dwellings now ruinous the hue and cut of garments long wasted into dust the passing frown or smile or tone of the actors and the speakers in these dramas of life long ago the clutch of Bothwell at his dagger s hilt when men spoke to him in the street the flush of Darnley s fair face as Mary and he quarrelled at Stirling before his murder then we know not the real history the real truth Now and then such a detail of gesture or of change of countenance is recorded by an eyewitness and brings us for a moment into more vivid contact with the past But we could only know it and judge the actors and their conduct if we could see the personages in their costume as they lived passing by in some magic mirror from scene to scene The stage as in Schiller s Marie Stuart comes nearest to reality if only the facts given by the poet were real and next in vividness comes the novel such as Scott s Abbot with its picture of Mary at Loch Leven when she falls into an hysterical fit at the mention of Bastian s marriage on the night of Darnley s death Far less intimate than these imaginary pictures of genius are the statements of History dull when they are not picturesque and when they are picturesque sometimes prejudiced inaccurate and mislea
