Napa Wine A History From Mission Days To Present:

Napa Wine Charles L. Sullivan, 2008-10-01 Charles Sullivan's *Napa Wine A History* is the engaging story of the rise to prominence of what many believe to be the greatest winegrowing area in the Western hemisphere. This new edition completes that picture bringing to light more than a decade of dramatic changes and shifted norms visited upon the valley from pholoxera wasted vineyards to High Court officiated territorial battles told in a rousing transportive narrative. Beginning in 1817 with the movement of Spanish missions into the San Francisco Bay area, Sullivan winds his way through the great wine boom of the late 19th century, the crippling effect of Prohibition, and Napa's rise out of its havoc to its eventual rivaling of Bordeaux in the judgments of 1976 and 2006. Published in cooperation with the Napa Valley Wine Library, the book includes historic maps, charts of vineyard ownership, and vintages from the 1880s to the present.

Napa Wine Charles L. Sullivan, 1994-10 The Napa Valley of California has been recognized as a premier wine producing area since the 1870s. This is the first book to carefully examine explain how Napa acquired this unique reputation: the soils, climate, grapes, human resources that have built this panorama of viticultural excellence over 160 years. The earliest settlers, the Spanish missionaries, a parade of fascinating characters, geniuses provide a true story of intrigue, adventure, better than any fiction. Meticulously researched by a prominent professor of California history, this book is based on all original research sources: old newspapers, court documents, oral histories. From the pioneer days of 1836 to 1860 to the modern wine boom of the 1970s to 1991, it is all there. No punches are pulled. Very entertaining for any reader, absolutely essential for anyone interested in wine or California history. This book will become a basic reference. It is produced under the guidance of the Napa Wine Library, is beautifully illustrated with original drawings by Earl Thollander, hundreds of historic photos, Vintage charts from 1880 to 1993, over 25 tables detailing acreage, production statistics, grape income, more.

Rise of Napa Valley Wineries, The Mark Gudel, 2023 A wine country odyssey. In 1976 the picturesque agrarian Napa Valley was all but unknown to those who didn't live there. That changed dramatically when Steven Spurrier and Patricia Gallagher decided to host a blind tasting of American and French wines in Paris. When wines from California defeated those of France, the world was shocked, an industry reawakened, and Napa Valley exploded in a frenzy of growth and development. Families who had farmed for generations battled to hang onto their land, and many paid a steep price as the area transformed into one of the world's premier wine growing regions. Join author Mark Gudel as he explores the trials and tribulations of Napa's meteoric rise to prominence.

Napa Wine Charles Lewis Sullivan, 1994 Charles Sullivan's 1994 *Napa Wine A History* is the engaging story of the rise to prominence of what many believe to be the greatest winegrowing area in the Western Hemisphere. This new edition completes that picture bringing to light more than a decade of dramatic changes and shifted norms visited upon the valley from pholoxera wasted vineyards to High Court officiated territorial battles told in a rousing transportive narrative. Picking up at 1817 with the movement of Spanish Missions into the San Francisco Bay Area, Sullivan wends his way through the

Great Wine Boom of the late 19th century the crippling effect of Prohibition and Napa's rise out of its havoc to its eventual rivaling of Bordeaux in the Judgments of 1976 and 2006 as the great wine growing region in the world Published in cooperation with the Napa Valley Wine Library scholarly attention is given to every detail The author called wine's head sleuth and the modern historian of wine in California visited every historic sight in Napa compiled hundreds of first hand accounts from pivotal figures and dug into original documents and periodicals Included are historic maps charts of vineyard ownership and vintages from the 1880s to present **A History of Wine in America, Volume 2** Thomas

Pinney,2005-07-05 A History of Wine in America is the definitive account of winemaking in the United States first as it was carried out under Prohibition and then as it developed and spread to all fifty states after the repeal of Prohibition Engagingly written exhaustively researched and rich in detail this book describes how Prohibition devastated the wine industry the conditions of renewal after Repeal the various New Deal measures that affected wine and the early markets and methods Thomas Pinney goes on to examine the effects of World War II and how the troubled postwar years led to the great wine boom of the late 1960s the spread of winegrowing to almost every state and its continued expansion to the present day The history of wine in America is in many ways the history of America and of American enterprise in microcosm Pinney's sweeping narrative comprises a lively cast of characters that includes politicians bootleggers entrepreneurs growers scientists and visionaries Pinney relates the development of winemaking in states such as New York and Ohio its extension to Pennsylvania Virginia Texas and other states and its notable successes in California Washington and Oregon He is the first to tell the complete and connected story of the rebirth of the wine industry in California now one of the most successful winemaking regions in the world **A Vineyard in Napa** Doug Shafer,2012-11-12 At the age of 47 when he a successful

publishing executive and living with his wife and four children in an affluent Chicago suburb John Shafer made the surprise announcement that he had purchased a vineyard in the Napa Valley In 1973 he moved his family to California and with no knowledge of winemaking began the journey that would lead him thirty years later to own and operate what distinguished wine critic Robert M Parker Jr called one of the world's greatest wineries This book narrated by Shafer's son Doug is a personal account of how his father turned his midlife dream into a remarkable success story Set against the backdrop of Napa Valley's transformation from a rural backwater in the 1970s through its emergence today as one of the top wine regions in the world the book begins with the winery's shaky start and takes the reader through the father and son's ongoing battles against killer bugs cellar disasters local politics changing consumer tastes and the volatility of nature itself Doug Shafer tells the story of his own education as well as Shafer Vineyards innovative efforts to be environmentally sustainable its role in spearheading the designation of a Stags Leap American Viticultural Area and how the wine industry has changed in the contemporary era of custom crushing and hobbyist winery investors **The Oxford Companion to Wine** Julia Harding MW,Jancis Robinson OBE MW,Tara Q. Thomas,2023-08-15 Everything you could possibly want to know about wine in one

fully up to date A Z volume The Oxford Companion to Wine is a uniquely comprehensive and in depth A Z reference book on every aspect of wine more than 4 000 entries covering topics from history through geography geology soil science viticulture winemaking packaging academia technology and regulations to people and places tasting writing and the language of wine The system of cross references takes the reader from one entry to another showing how all these topics are interconnected in the fascinating story of wine in its most traditional and modern forms This new fifth edition which benefits from the knowledge and experience of over one hundred new contributors all experts in their field or geographical region is expanded by 272 new entries and every existing entry has been reviewed updated and polished The text is more international than ever written for wine lovers of every persuasion including those who love wine but want to know more in order to increase their enjoyment of this endlessly fascinating liquid and those who are intent on studying wine professionally or privately This is a huge treasure trove of knowledge for the first time breaking the barrier of one million words but the alphabetical format and the links between the entries make it easily navigable and the language while not shying away from complex science is intended to open the door to every curious reader looking for answers on every question they have ever wanted to ask about wine

The Territorial Organization of Variety Jerry Patchell, 2016-03-03 The wine industry appears to be an anomaly within the modern global economy Thousands of small companies provide a vast variety of highly differentiated products and compete successfully with multinational corporations Using case studies from Bordeaux Napa Valley and Chianti Classico this book argues that rather than being a vestige or a serendipitous phenomenon this variety results from a sophisticated alternative organization of production Integrating differentiation and branding into Ostrom's common pool resource theory Jerry Patchell shows how winegrowers in a territory can use self governance to protect and promote their common reputation while enhancing each producer's ability to differentiate their wines and build their own brand Bordeaux Napa and Chianti Classico share several common challenges but develop a set of strategies and tools appropriate to their markets and regulatory contexts

American Rhone Patrick J. Comiskey, 2016-10-11 Thoughtfully conceived and very well written this is essential sommelier reading The Sommelier Journal This is the most important wine book of the year perhaps in many years The Seattle Times Crisply written impeccably researched balanced if fundamentally enthusiastic scholarly but accessible and full of unexpected details and characters The World of Fine Wine No wine category has seen more dramatic growth in recent years than American Rhone variety wines Winemakers are devoting more energy more acreage and more bottlings to Rhone varieties than ever before The flagship Rhone red Syrah is routinely touted as one of California's most promising varieties capable of tremendous adaptability as a vine wonderfully variable in style and highly expressive of place There has never been a better time for American Rhone wine producers American Rhone is the untold history of the American Rhone wine movement The popularity of these wines has been hard fought this is a story of fringe players unknown varieties and longshot efforts finding their way to the mainstream It's the story of winemakers gathering sufficient strength in numbers to forge a

triumph of the obscure and the brash But more than this it is the story of the maturation of the American palate and a new republic of wine lovers whose restless tastes and curiosity led them to Rh ne wines just as those wines were reaching a critical mass in the marketplace Patrick J Comiskey s history of the American Rh ne wine movement is both a compelling underdog success story and an essential reference for the wine professional **Italy on the Pacific** S. Fichera,2011-11-16 This book details the Italian immigrant experience in San Francisco from the Gold Rush to the Mayoralty of George Moscone which is to say the entire life cycle of the Italian community and defines the concept of community in a way never seen before

Sullivan,2003-09-02 This concise and accessible history of a true American and Californian wine grape varietal illuminates its mysterious origins and relates its compelling journey from humble obscurity to cult following **American Winescapes** Gary L Peters,2018-02-12 Winescapes are unique agricultural landscapes that are shaped by the presence of vineyards winemaking activities and the wineries where wines are produced and stored Where viticulture is successful it transforms the local landscape into a combination of agriculture industry and tourism This book demystifies viticulture in a way that helps the reader understand the environmental and economic conditions necessary in the art and practice of wine making Distinctive characteristics of the book include a detailed discussion of more than thirty grape cultivars an overview of wine regions around the country and a survey of wine publications and festivals Peters discusses the major environmental conditions affecting viticulture especially weather and climate and outlines the special problems the industry faces from lack

of capital competition and changing public tastes **Last Call** Daniel Okrent, 2010-05-11 A brilliant authoritative and fascinating history of America's most puzzling era the years 1920 to 1933 when the U S Constitution was amended to restrict one of America's favorite pastimes drinking alcoholic beverages From its start America has been awash in drink The sailing vessel that brought John Winthrop to the shores of the New World in 1630 carried more beer than water By the 1820s liquor flowed so plentifully it was cheaper than tea That Americans would ever agree to relinquish their booze was as improbable as it was astonishing Yet we did and Last Call is Daniel Okrent's dazzling explanation of why we did it what life under Prohibition was like and how such an unprecedented degree of government interference in the private lives of Americans changed the country forever Writing with both wit and historical acuity Okrent reveals how Prohibition marked a confluence of diverse forces the growing political power of the women's suffrage movement which allied itself with the antiliquor campaign the fear of small town native stock Protestants that they were losing control of their country to the immigrants of the large cities the anti German sentiment stoked by World War I and a variety of other unlikely factors ranging from the rise of the automobile to the advent of the income tax Through it all Americans kept drinking going to remarkably creative lengths to smuggle sell conceal and convivially and sometimes fatally imbibe their favorite intoxicants Last Call is peopled with vivid characters of an astonishing variety Susan B Anthony and Billy Sunday William Jennings Bryan and bootlegger Sam Bronfman Pierre S du Pont and H L Mencken Meyer Lansky and the incredible if long forgotten federal official Mabel Walker Willebrandt who throughout the twenties was the most powerful woman in the country Perhaps most surprising of all is Okrent's account of Joseph P Kennedy's legendary and long misunderstood role in the liquor business It's a book rich with stories from nearly all parts of the country Okrent's narrative runs through smoky Manhattan speakeasies where relations between the sexes were changed forever California vineyards busily producing sacramental wine New England fishing communities that gave up fishing for the more lucrative rum running business and in Washington the halls of Congress itself where politicians who had voted for Prohibition drank openly and without apology Last Call is capacious meticulous and thrillingly told It stands as the most complete history of Prohibition ever written and confirms Daniel Okrent's rank as a major American writer *Making Slow Food Fast in California Cuisine* Victor W. Geraci, 2017-03-02 This book follows the development of industrial agriculture in California and its influence on both regional and national eating habits Early California politicians and entrepreneurs envisioned agriculture as a solution to the food needs of the expanding industrial nation The state's climate geography vast expanses of land water and immigrant workforce when coupled with university research and governmental assistance provided a model for agribusiness In a short time the San Francisco Bay Area became a hub for guaranteeing Americans access to a consistent quantity of quality foods To this end California agribusiness played a major role in national food policies and subsequently produced a bifurcated California Cuisine that sustained both Slow and Fast Food proponents Problems arose as mid twentieth century social activists battled the unresponsiveness of government

agencies to corporate greed food safety and environmental sustainability By utilizing multidisciplinary literature and oral histories the book illuminates a more balanced look at how a California Cuisine embraced Slow Food Made Fast **Values in Landscape Architecture and Environmental Design** M. Elen Deming, 2015-11-09 The successful realization of diversity resilience usefulness profitability or beauty in landscape design requires a firm understanding of the stakeholders values This collection which incorporates a wide variety of geographic locations and cultural perspectives reinforces the necessity for clear and articulate comprehension of the many factors that guide the design process As the contributors to this collection reveal dominant and emerging social political philosophical and economic concerns perpetually assert themselves in designed landscapes from manifestations of class consciousness in Napa Valley vineyards to recurring themes and conflicts in American commemorative culture as seen in designs for national memorials One essay demonstrates the lasting impact of the doctrine of Manifest Destiny on the culture and spaces of the Midwest while another considers the shifting historical narratives that led to the de domestication and subsequent re wilding of the Oostvaardersplassen in the Netherlands These eleven essays help foster the ability to conduct a balanced analysis of various value systems and produce a lucid visualization of the necessary tradeoffs Offering an array of case studies and theoretical arguments Values in Landscape Architecture and Environmental Design encourages professionals and educators to bring self awareness precision and accountability to their consideration of landscape designs **Girlhood in the Borderlands** Lilia Soto, 2018-07-31 Introduction The why of transnational familial formations Growing up transnational Mexican teenage girls and their transnational familial arrangements Muchachas Michoacanas portraits of adolescent girls in a migratory town Migration marks time waiting and desires for migration The telling moment pre crossings of Mexican teenage girls and their journeys to the border Imaginaries and realities encountering the Napa Valley Conclusion **Ghost Wineries of Napa Valley** Irene W. Haynes, 1999-10-01 Extensively researched by a resident grape grower and historian this is the fascinating photographic tour of historic Napa wineries The historical details and photographs of more than 65 wineries bring vision of the vibrant California wine industry of more than 100 years ago and the roots of many of today s great vintners are exposed in these photos and historical vignettes **The House of Mondavi** Julia Flynn Siler, 2007-06-19 An epic scandal plagued story of the immigrant family that built and then spectacularly lost a global wine empire Set in California s lush Napa Valley and spanning four generations of a talented and visionary family The House of Mondavi is a tale of genius sibling rivalry and betrayal From 1906 when Italian immigrant Cesare Mondavi passed through Ellis Island to the Robert Mondavi Corp s twenty first century battle over a billion dollar fortune award winning journalist Julia Flynn brings to life both the place and the people in this riveting family drama The blood feuds are as spectacular as the business triumphs Cesare s sons Robert and Peter literally came to blows in the 1960s during a dispute touched off by the purchase of a mink coat resulting in Robert s exile from the family and his subsequent founding of a winery that would set off a revolution in American winemaking

Robert's sons Michael and Timothy as passionate in their own ways as their visionary father waged battle with each other for control of the company before Michael's expansive ambitions ultimately led to a board coup and the sale of the business to an international conglomerate. A meticulously reported narrative based on thousands of hours of interviews, *The House of Mondavi* is bound to become a classic. *The Winemaker's Dance* Jonathan Swinchatt, David G. Howell, 2004-09-14. A pair of geologists tell the geological and environmental history of Napa Valley with an emphasis on terroir or how geology, soils, topography, and microclimate influence the kinds and quality of wines produced in different parts of the region.
