Postcards From Germany:

Postcards from Germany Helen Arnold,1996 *Postcards of Hitler's Germany* Roger James Bender,1995 **Tales of the Magical Postcards in Germany** Aaron Hunter,2023-09-29 Bruce and Angela are two friends who through the power of magical postcards travel on amazing adventures around the world In each adventure the Magical Postcard Club conductor introduces them to a new local friend in the country they are visiting Follow them on their first magical adventure around Germany Meet their new local German friend Jan With Jan as their guide they experience festivals local holidays beautiful castles and much more Tales of the Magical Postcards in Germany is a fun and exciting adventure that is sure to bring further curiosity about the world to children Our readers like Bruce and Angela will be excited to learn more about Germany In this premier series of children s friendship adventures anticipate what country our inquisitive and adventurous duo will visit next **Postcards from Exeter** Carol Walker Aten,2003 In 1904 Frank W Swallow left behind his short lived car dealership and began a successful cottage industry printing his own hand colored postcards He was the First to Introduce the Souvenir Post Card to One Half of New England according to the imprint of his trademark swallow Many of Swallow s photographs are contained within this book which tells a special history of Exeter New Hampshire between 1900 and 1940 a time when the horse and carriage era shifted to the automobile hemlines rose a few inches and electricity came to town Learn about a mysteriously lost statue hidden waterways great buildings that burned forgotten parades and the famous Swallow Girls Most images never before seen are from the Exeter Historical Society s collection and proceeds from the sales of this publication support the society in honor of its seventy fifth anniversary **Ocean Grove in Vintage Postcards** Wayne T. Bell,Christopher M. Flynn,2004 Ocean Grove in Vintage Postcards explores the history of one of America s first planned Victorian communities and one of the most successful camp meetings ever founded It chronicles the story of this unique Jersey Shore community using postcards that bear not only rare pictures but also fascinating messages Thus the book sheds light on both the place and the vacationers who came here by the tens of thousands For more than one hundred thirty five years people have journeyed to Ocean Grove seeking both the religious and the secular **Postcard America** Jeffrey L. Meikle,2016-01-20 This illustrated history of the colorized linen postcards of the 1930s and 40s is an incredible tour A veritable treasure trove of American culture Crave Online From the Great Depression through the early postwar years any postcard sent in America was more than likely a linen card Colorized in vivid often exaggerated hues and printed on card stock embossed with a linen like texture linen postcards celebrated the American scene with views of majestic landscapes modern cityscapes roadside attractions and other notable features These colorful images portrayed the United States as shimmering with promise quite unlike the black and white worlds of documentary photography or Life magazine Linen postcards were enormously popular with close to a billion printed and sold Postcard America offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator

of linen postcards Jeffrey L Meikle reveals how photographic views were transformed into colorized postcard images often by means of manipulation adding and deleting details or collaging bits and pieces from several photos He presents two extensive portfolios of postcards landscapes and cityscapes that comprise a representative iconography of linen postcard views For each image Meikle explains the postcard s subject describes aspects of its production and places it in social and cultural contexts In the concluding chapter he shifts from historical interpretation to a contemporary viewpoint considering nostalgia as a motive for collectors and others who are fascinated today by these striking images **Saint John in the**

Golden Age of Postcards: 1900-1915 Terry R. J. Keleher,Donald P. Collins,2009-12-01 From 1900 through 1915 a golden age of postcard production and use occurred in North America These images were collected and saved over the years creating a vast archive of local history These postcards offer a very nuanced and thorough representation of what life was like in Saint John during the early years of the twentieth century and it is with great surprise that readers will discover the wealth of information revealed through this medium **Yorktown** Linda G. Cooper,Adele Hobby,John Tegeder,Susan

Hack-Lane,2008 Yorktown is one of the northernmost towns in Westchester County This volume of vintage postcards draws from a time when the railroad was a predominant fixture in the community and travelers flocked to summer hotels and lakeside bungalow colonies Often thought of as ephemera something to be used and thrown away postcard images have proven over time to be a valuable document of a time and place For those who were visitors and those who received postcards these striking images capture the past in terms of Yorktowns architecture entertainment commerce and community *Greetings from Alabama: A Pictorial History in Vintage Postcards* Wade Hall,2016-09-01 Although he was a

native of Bullock County Alabama Wade Hall teacher writer poet critic interviewer folklorist and documentarian spent most of his fifty year career in Kentucky But he was never emotionally far from his home as evidenced by his passion for collecting vintage Alabama postcards In his lifetime he amassed 10 000 which he then graciously gave to the University of Alabama Libraries and Troy University in a large joint bequest that also included rare books quilts folk art letters and more These postcards date from the late 1800s to the mid 20th century and offer a fascinating and diverse picture of the state The meaning of postcards that could be purchased as a travel souvenir is largely forgotten today when cameras are commonplace But the value of Hall s stunning collection cannot be missed The some 400 cards featured in *Greetings from Alabama* are revealing of scenes familiar and rare From Birmingham s Vulcan to Mobile s Bellingrath Gardens from Enterprise s boll weevil monument to Huntsville s rockets from Helen Keller s home to William Rufus King s resting place the scenes offer captivating glimpses of Alabama history *Paris Postcards* Leonard Pitt,2016-02-15 A unique slice of life in the Golden Age

of Paris the City of Light in this illuminating volume of collected postcards *American Holiday Postcards, 1905-1915* Daniel Gifford,2013-08-29 In the early 20th century postcards were one of the most important and popular expressions of holiday sentiment in American culture Millions of such postcards circulated among networks of community and kin as part of

a larger American postcard craze However their uses and meanings were far from universal This book argues that holiday postcards circulated primarily among rural and small town Northern white women with Anglo Saxon and Germanic heritages Through analysis of a broad range of sources Daniel Gifford recreates the history of postcards to account for these specific audiences and reconsiders the postcard phenomenon as an image based conversation among exclusive groups of Americans A variety of narratives are thus revealed the debates generated by the Country Life Movement the empowering manifestations of the New Woman the civic privileges of whiteness and the role of emerging technologies From Santa Claus to Easter bunnies flag waving turkeys to gun toting cupids holiday postcards at first seem to be amusing expressions of a halcyon past Yet with knowledge of audience and historical conflicts this book demonstrates how the postcard images reveal deep divides at the height of the Progressive Era

Hatemail Salo Aizenberg,2013-11-01 Published by the University of Nebraska Press as a Jewish Publication Society book

Postcards of L.A. Huffman Bev Allen,Gene Allen,2018-03-06 L A Huffman celebrated photographer of the Montana frontier was known for producing photographs using a variety of formats over his 52 year career From 1906 to 1928 he published four different groups of postcards three sets of printed cards and an unknown but relatively few real photo cards His real photo postcards are rare and hard to find This book provides new information about a previously little known dimension of Huffman s work Featuring several sets of printed postcards and his real photo postcards this book will be a welcome addition to any L A Huffman or postcard collector s library

Corona Mary Bryner Winn,2006-11-15 More lemons once were shipped from Corona than anywhere on Earth as a dozen citrus packing houses were located along the railroad tracks in this rural Riverside County enclave known for its circular boulevard and hard working inhabitants The postcards collected for this trip down Corona s memory lane reflect its six decades of citrus industry dominance and portray the past in street scenes commerce ranches schools churches homes and the outlying resorts of Glen Ivy and the Norconian Club The Corona Road Races spectacular national affairs in 1913 1914 and 1916 are also depicted

South Carolina Postcards Howard Woody,Thomas L Johnson,Tom Johnson,1997-11-01 From the 1890s through the 1930s the postcard was an extraordinarily popular means of communication and many of the postcards produced were works of art

American Woman Suffrage Postcards Kenneth Florey,2016-04-29 American women s suffrage activists were fascinated with suffrage themed postcards They collected them exchanged them wrote about them used them as fundraisers and organized postcard day campaigns The cards they produced were imaginative and ideological advancing arguments for the enfranchisement of women and responding to antisuffrage broadsides Commercial publishers were also interested in suffrage cards recognizing their profit potential Their products though were reactive rather than proactive conveying stereotypes they assumed reflected public attitudes often negative towards the movement Cataloging approximately 700 examples this study examines the visual rhetoric of suffrage postcards in the context of the movement itself and as part of the general history of postcards

Morgan County Joanne Raetz Stuttgen,Curtis Tomak,2007 Based

solely on vintage postcards this important new book is a unique addition to the small number of works devoted to the history of Morgan County Captured here in more than 220 commercially produced and personal real photo postcards is a chronicle of the past 100 years in Martinsville the county seat Mooresville Morgantown Waverly and other communities that have been imprinted on the local landscape This visual record showcases the people neighborhoods schools businesses recreation sites and events that shaped Morgan County including the famous mineral water sanitariums landmark buildings and bridges favorite fishing holes and resorts and disasters such as the 1913 flood of the White River **Dennis** Scott I. Walker, Robin E. Walker, 2007 Located on scenic Cape Cod Dennis experienced a transformation beginning in the early 1900s What was once a predominantly seafaring and farming oriented community grew to become a prime vacation and tourist destination with pristine beaches on both Cape Cod Bay and Nantucket Sound and quaint historic villages which predate the town s 1793 incorporation Through vintage postcards from local residents the Cape Cod Postcard Collectors Club and the archives of the Dennis Historical Society Dennis provides an interesting view of this town from the late 1890s to the 1960s Most of the scenes are highly recognizable to seasonal visitors and residents alike and illustrate the businesses streets homes and places of interest that make up the fabric of the Dennis community **Prescott** Raymond E. Miller, 2010 Prescott was founded in 1864 as the territorial capital of Arizona In 1900 the business center burned to the ground but the courthouse in the town square was saved and the burned out area s former wooden buildings were replaced by brick structures Because the closest interstate highway is more than 30 miles away much of Prescott s history and sense of community have been preserved and historical districts abound The local chamber of commerce refers to Prescott as Everybody s Hometown It is also known as the Christmas City of Arizona and holds an annual Christmas parade with appropriate courthouse lighting **Postcards from the Trenches** Irene Guenther, 2018-11-01 German art student Otto Schubert was 22 years old when he was drafted into the Great War As the conflict unfolded he painted a series of postcards that he sent to his sweetheart Irma During the battles of Ypres and Verdun Schubert filled dozens of military issued 4 x 6 cards with vivid images depicting the daily realities and tragedies of war Beautifully illustrated with full color reproductions of his exquisite postcards as well as his wartime sketches woodcuts and two lithograph portfolios Postcards from the Trenches is Schubert s war diary love journal and life story His powerful artworks illuminate and document in a visual language the truths of war Postcards from the Trenches offers the first full account of Otto Schubert soldier artist of the Great War rising art star in the 1920s prolific graphic artist and book illustrator one of the degenerate artists defamed by the Nazis and a man shattered by the Second World War and the Cold War Created in the midst of enormous devastation Schubert s haunting visual missives are as powerful and relevant today as they were a century ago His postcards are both a young man s token of love and longing and a soldier s testimony of the Great War

Postcards From Germany Introduction

In the digital age, access to information has become easier than ever before. The ability to download Postcards From Germany has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Postcards From Germany has opened up a world of possibilities. Downloading Postcards From Germany provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Postcards From Germany has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Postcards From Germany. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Postcards From Germany. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Postcards From Germany, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Postcards From Germany has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
