*Human Values and Verities* Henry Osborn Taylor, 1928      *The doctrine of man* Augustus Hopkins Strong, 1907      *The laws of Human nature* Unity of Universal love , 2023-12-22 Introduction A life of Healing a life of Health A life worth living is a life of Wealth I have practiced over 25 years as a chiropractor and I have learned that most people come to me to treat their pain I m sure that most doctors and therapists have the same experience people want to receive a treatment that will cure their illness As I treat my patients I m also analyzing how their problem was created I m looking at various factors like diet lack of exercise injurious repetitive movements or anything else that could provoke the problem I m trying to get the patient to take responsibility for their problem and help me with their treatment It appears that I m treating their physical illness but over the years I have come to a new realization that a person s emotional mental and spiritual side can also affect their health The reality of the situation is that we can t separate an illness into a physical emotional mental or spiritual ailment because everything works together I now understand that attitudes play an essential role in our health and wellbeing Attitudes have characteristics that are physical emotional mental and spiritual In psychology attitudes are labeled as behavioral physical affective emotional and cognitive mental In this book attitudes have a spiritual side as well attitudes will have a positive spiritual value or a negative spiritual value Attitudes that bring people together and unite them has an energy with a positive

spiritual value and attitudes that are divisive and cause separation has a negative value If we have attitudes with a negative spiritual energy then they will cause illness physical illness mental illness and emotional illness We need to adopt attitudes with a positive spiritual energy if we want to stay healthy and grow spiritually Spiritual growth is there for all of us but we have to make the effort no one can make us grow spiritually Looking for someone to cure our ills is a short term proposition the long term cure is when we discover what is causing us harm and create a healthy lifestyle The 7 Laws of Human Nature is a scientific philosophical study into the human consciousness the 7 chakras and the human aura We use theories to make sense about what we are observing in life to explain ideas and interpret facts The 1st chapter is the Theory of the Oneness of Universal Love which will present 7 hypotheses These hypotheses will present facts and suppositions of facts which will be followed up by a theory This is all happening on four energy levels physical emotional mental and spiritual Life on Earth has to have a reason our lives aren't an accident and this book presents a logical theory on the how and why of life This is a book on love and how love works in our lives With Love and Devotion to All      Works of Love in a World of Violence Deidre Nicole Green,2016-11-10 As she constructively engages feminist critiques of Christianity's complicity in violence Deidre Nicole Green challenges traditional beliefs that self sacrifice amounts to love and that suffering is inherently redemptive by arguing for a Kierkegaardian conception of Christian love that limits self sacrifice Back cover      *Love Story of a Yogi* Premyogi vajra,2020-12-28 Get ready to embark on a spiritual journey like no other with Love Story of a Yogi What Patanjali Says In this captivating tale meet Premyogi vajra a Love Yogi a classical Kamasutra advocate whose extraordinary experiences in the deep Himalayas will leave you spellbound As the grandson of a revered priest Premyogi navigates the realms of science and spirituality his spiritual capabilities shining since childhood Through the pages of this book witness Premyogi's awakening as he delves into the depths of Kundalini energy With a rare glimpse into his enlightenment journey readers are treated to real time practical insights that demystify the ancient wisdom of Patanjali's yogasutras in a most practical worldly and simple form This isn't just a book it's a sacred offering for seekers and yoga enthusiasts alike Experience the subtle power and undeniable essence of Premyogi's transformation as he reveals the mystical teachings that unfolded during his meditation Love Story of a Yogi is a treasure trove of wisdom a boon for those seeking spiritual enlightenment and a deeper understanding of yoga Prepare to be enlightened inspired and utterly captivated by this extraordinary narrative of love spirituality and the timeless truths of the yogic path He got his Kundalini awakened at the end of the progressive discussion on an online Kundalini forum along with Yoga meditation which ran throughout roughly one and a half year Therefore this original discussion in the form of this book may have subtle power hidden inside it      Love is Blind LRseju Thob 'Prince',2020-05-15 This is love poetry collection Almost 35 Indian writers are participate on this book This is lovely poetry collection We are trying to called about for Love by poetry and song And all writers supported me so I want to called to him Thank you so much Friends love is emotions of heart This is feeling very deeply and we are appreciated to him And you
