

Revelation SUBUD

One man's extraordinary story,
and a message for all mankind

In *REVELATION SUBUD*, Emmanuel Elliott seeks to introduce the reader to "a dispensation of grace" that is virtually unknown to the vast majority of people in the world today, even though it has been available to men and women everywhere for more than thirty-three years.

This is the first book about Subud to reach the general reader since the early sixties, after the initial flurry of excitement that greeted the arrival in the West of the three little Asian Indonesians who first received the spiritual contact known as the *latihan*.

Bapak Muhammad Subud himself died in 1987, but "this amazing grace we call the *latihan*" flows on: its effectiveness undimmed and undiminished by space or time; its audience unaffected by Bapak's passing.

This story began for Mr. Elliott as a simple and sincere effort to "tell the world" how a very ordinary man, with his full share of fears and weaknesses, was touched by the *latihan* and transformed by its action. How this 54-year-old Englishman, advertising and marketing consultant, and father of six was guided to seek the phenomenon of Subud with the crisis in the Gulf, Our Lady's messages at Fatima and Medjugorje, and the "coming of the Christ" as very much at the heart of this two-part spiritual adventure story.

Revelation Subud:

Revelation Subud Emmanuel Elliott, 1991 *Subud and the Javanese Mystical Tradition* Antoon Geels, 1997 Subud is one of hundreds of mystical movements aliran kebatinan which have grown significantly in postwar Indonesia Along with other movements like Sumarah and Pangestu Subud has attracted people from the West and has now spread to about eighty countries Despite the fact that Subud leaders deny any relation to the Javanese mystical tradition it is one of the tasks of this study to show that the greater part of Subud s conceptual apparatus is firmly rooted in the cultural history of Java Under the banner of change and renewal Subud presents a message which fundamentally is one of continuity in a society in transition This text presents an overall picture of the history of Javanese mysticism particularly the concept of God the view of man and the techniques recommended in order to bridge the gap between God and man The text discusses the rise of mystical movements in post war Java along with a presentation of three movements which attracted the West In addition the book provides a biography of the founder of Subud the basic concepts of Subud and the meaning of the Subud spiritual exercise latihan kejiwaan along with an analysis of Subud theory and practice and its relation to the Javanese mystical tradition and a psychological interpretation of the spiritual exercise Beyond Heaven and Earth Steven H. Propp, 2003-11-17 Have you ever wondered what happens to us when we die What if you really HAD to know When tragedy strikes the family of young Jobran Winter he is forced to confront these questions directly Undertaking a feverish Quest he explores various branches of Christianity Judaism Islam Hinduism Buddhism Sikhism as well as the religions of China and Japan His search encompasses the New Age Reincarnation Spiritism and Psychical Research Attending channeling sessions and s ances investigating haunted houses and Near Death Experiences he examines spiritual traditions ranging from Swedenborg to Scientology from Jodo Shinshu to the Jehovah s Witnesses Finally the Quest brings him into direct contact with Hospice work physical disability child abandonment abortion suicide euthanasia and even cold blooded murder Encounter the doctrines of Purgatory Predestination Universalism Annihilationism as you journey in a novel that will make you reexamine your ideas about religion skepticism love death and LIFE **The Many Faces of Subud** Riantee Lydia Rand, 2005-04-18 Subud is a direct and spontaneous spiritual experience that allows people to receive a contact with the Great Life Force It re awakens their inner feeling and puts them in touch with their own guidance eventually bringing to the surface their true nature which was before obstructed and cluttered with erroneous beliefs ancestral patterns of behavior culture education and their family malfunctions Many have found a deeper understanding of their own religious beliefs from the evidence they receive for themselves Others have come to actualize their true talent and work There are Subud groups in eighty countries bringing together harmoniously people of many different religious and ethnic backgrounds The spiritual practice or latihan arises from within It is a natural process that occurs without effort or study This book is the result of the collaborative effort of three women who have practiced the latihan of Subud for decades It compiles testimonies of Subud members from all over

the world on different topics Each chapter begins with a short account of observations experiences receivings and dreams on the subject People interviewed were of different age groups social and ethnic backgrounds some newly opened in Subud some older members some second and third generation Subud The opening latihan when one first receives this contact is a ceremony of introduction into the spiritual exercise after a three month period of inquiry referred to as the probation or investigation period Through the latihan people renew their contact with the power of God and become aware of the latent powers that reside in all of humankind The central feature of Subud is the latihankejiwaan or inner training which takes place for half an hour up to an hour two or three times a week and is practiced by men and women separately Subud has little doctrinal teaching except for the belief in divine power and higher centers of consciousness The implication is that people practicing the latihan align themselves with those higher centers It is available to any person seventeen and older who has a sincere wish to worship God and wants to receive this contact The action of the latihan within each person allows the power of God to express itself spontaneously through singing chanting shouting moving dancing crying laughing etc Subud s founder Bapak Muhammad Subuh explains that in this way when in the latihan we make a complete surrender to the Power of God or the Great Life Force we can receive the education of our inner selves free from interference by our minds and hearts and according to our own individual needs Participants have often reported strong feelings of rapture and release psychological and physical healing During latihan one lets go of thoughts and emotions in order to follow what surfaces those movements and sounds that spontaneously arise from deep within It is a form of cleansing which allows the worship of God to become stronger and less obstructed a training that lets individuals get in touch develop and trust their inner guidance enabling the complete self to emerge through an action that comes from beyond the thinking and the will [America's Alternative Religions](#) Timothy Miller,1995-01-01 This is a source of reliable information on the most important new and alternative religions covering history theology impact on the culture and current status It includes a chapter on the Branch Davidians [In Search of the Miraculous](#) Petr Dem'it͡s͡hovich Uspenskiĭ,1949 The record of Ouspensky s eight years of work as Gurdjieff s pupil **Inside Indonesian Society** Niels Mulder,2005 **The Sumarah Movement in Javanese Mysticism** Paul Stange,1980 **Encyclopedia of Islam** Juan Eduardo Campo,2009 Explores the terms concepts personalities historical events and institutions that helped shape the history of this religion and the way it is practiced today *How to Develop Peace in the World* Simon Monbaron,2003 Normal trade discount apply **Revelations of the Unseen (Futūh Al-Ghaib)** 'Abd al-Qādir al-Jīlānī,1992 **The SAGE Encyclopedia of the Sociology of Religion** Adam Possamai,Anthony J. Minogue,2017-10-19 The term ideology can cover almost any set of ideas but its power to bewitch political activists results from its strange logic part philosophy part science part spiritual revelation all tied together in leading to a remarkable paradox that the modern Western world beneath its liberal appearance is actually the most systematically oppressive system of despotism the world has ever seen Alien Powers The Pure Theory of Ideology takes this complex intellectual construction apart analyzing its logical rhetorical and psychological devices and thus opening it up to critical analysis Ideologists assert that our lives are governed by a hidden system Minogue traces this notion to Karl Marx who taught intellectuals the philosophical scientific moral and religious moves of the ideological game The believer would find in these ideas an endless source of new liberating discoveries about the meaning of life and also the grand satisfaction of struggling to overcome oppression Minogue notes that while the patterns of ideological thought were consistent there was little agreement on who the oppressor actually was Marx said it was the bourgeoisie but others found the oppressor to be males governments imperialists the white race or the worldwide Jewish conspiracy Ideological excitement created turmoil in the twentieth century but the defeat of the more violent and vicious ideologies Nazism after 1945 and Communism after 1989 left the passion for social perfection as vibrant as ever Activist intellectuals still seek to see through the life we lead The positive goals of utopia may for the moment have faded but the ideological hatred of modernity has remained and much of our intellectual life has degenerated into a muddled and dogmatic skepticism For Minogue the complex task of demystifying the demystifiers requires that we should discover how ideology works It must join together each of its complex strands of thought in order to understand the remarkable power of the whole
