Samtliche Werke In Einem Band:

Arthur Schopenhauer's Sämtliche Werke Arthur Schopenhauer, 1911 **Romantic Prose Fiction** Gerald Ernest Paul Gillespie, Manfred Engel, Bernard Dieterle, 2008

In this volume a team of three dozen international experts presents a fresh picture of literary prose fiction in the Romantic age seen from cross cultural and interdisciplinary perspectives The work treats the appearance of major themes in characteristically Romantic versions the power of Romantic discourse to reshape imaginative writing and a series of crucial reactions to the impact of Romanticism on cultural life down to the present both in Europe and in the New World Through its combination of chapters on thematic generic and discursive features Romantic Prose Fiction achieves a unique theoretical stance by considering the opinions of primary Romantics and their successors not as guiding truths by which to define the permanent meaning of Romanticism but as data of cultural history that shed important light on an evolving civilization

SPECIAL OFFER 30% discount for a complete set order 5 vols

The Romanticism series in the Comparative History of Literatures in European Languages is the result of a remarkable international collaboration The editorial team coordinated the efforts of over 100 experts from more than two dozen countries to produce five independently conceived yet interrelated volumes that show not only how Romanticism developed and spread in its principal European homelands and throughout the New World but also the ways in which the affected literatures in reaction to Romanticism have redefined themselves on into Modernism A glance at the index of each volume quickly reveals the extraordinary richness of the series total contents

Romantic Irony sets the broader experimental parameters of comparison by concentrating on the myriad expressions of irony as one of the major impulses in the Romantic philosophical and artistic revolution and by combining cross cultural and interdisciplinary studies with special attention also to literatures in less widely diffused language streams

Romantic Drama traces creative innovations that deeply altered the understanding of genre at large fed popular imagination through vehicles like the opera and laid the foundations for a modernist theater of the absurd

Romantic Poetry demonstrates deep patterns and a sharing of crucial themes of the revolutionary age which underlie the lyrical expression that flourished in so many languages and environments

Nonfictional Romantic Prose assists us in coping with the vast array of writings from the personal and intimate sphere to modes of public discourse including Romanticism's own self commentary in theoretical statements on the arts society life the sciences and more Nor are the discursive dimensions of imaginative literature neglected in the closing volume

Romantic Prose Fiction where the basic Romantic themes and story types the romance novel novella short story and other narrative forms are considered throughout Europe and the New World This enormous realm is seen not just in terms of Romantic theorizing but in the light of the impact of Romantic ideas and narration on later generations As an aid to readers the introduction to Romantic Prose Fiction explains the relationships among the volumes in the series and carries a listing of their tables of contents in an appendix No other series exists comparable to these volumes which treat the entirety of Romanticism as a

cultural happening across the whole breadth of the Old and New Worlds and thus render a complex picture of European spiritual strivings in the late eighteenth and the nineteenth centuries a heritage still very close to our age

About Face Richard T. Gray, 2004 A critical history of physiognomic thought in German speaking Europe that traces the roots of twentieth century racial profiling to the Enlightenment Once associated with astrology and occultist prophecy the art of interpreting personal character based on facial and other physical features dates back to antiquity *About Face* tells the intriguing story of how physiognomics became particularly popular during the Enlightenment no longer as a mere parlor game but as an empirically grounded discipline The story expands to illuminate an entire tradition within German culture stretching from Goethe to the rise of Nazism In *About Face* Richard T Gray explores the dialectical reversal from the occult to the scientific realm that entered physiognomic thought in the late eighteenth century beginning with the positivistic writings of the Swiss pastor Johann Caspar Lavater Originally claimed to promote understanding and love physiognomics devolved into a system aimed at valorizing a specific set of physical moral and emotional traits and stamping everything else as deviant This development not only reinforced racial national and characterological prejudices but lent such beliefs a presumably scientific grounding In the period following World War I physiognomics experienced yet another unprecedented boom in popularity Gray explains how physiognomics had by then become a highly respected super discipline that embraced many prominent strands of German thought the Romantic philosophy of nature the life philosophy propagated by Dilthey and Nietzsche the cultural pessimism of Schopenhauer Husserl's method of intuitive observation Freudian psychoanalysis and early twentieth century eugenics and racial biology A rich exploration of German culture *About Face* offers fresh insight into the intellectual climate that allowed the dangerous thinking of National Socialism to take hold

Jean Paul: Sämtliche Romane in einem Band Jean Paul, 2024-01-16 Der Sammelband Jean Paul Sämtliche Romane in einem Band bietet einen facettenreichen Einblick in das Werk eines der bedeutendsten deutschen Schriftsteller der Romantik Jean Paul bekannt für seinen einzigartigen literarischen Stil kombiniert hochpoetische Sprache mit tiefgründigen philosophischen Reflexionen Seine Romane zeichnen sich durch eine ausgeprägte Ironie und einen unverwechselbaren Humor aus der das komplexe Innenleben seiner Protagonisten in den Vordergrund rückt In epischen Erzählungen entfaltet sich eine Welt voller Skurrilitäten und tiefgreifender Emotionen die die Leser zum Nachdenken anregen und zugleich unterhalten Jean Paul geboren als Johann Paul Friedrich Richter prägte die literarische Landschaft des frühen 19. Jahrhunderts und reflektierte die gesellschaftlichen und philosophischen Umbrüche seiner Zeit Sein eigener turbulenter Lebensweg einschliesslich der Herausforderungen die er als Autor im Schatten der Klassiker erlebte wie Goethe und Schiller führte ihn dazu Konzepte von Identität und Existenz in seinen Romane intensiv zu erforschen Sein Streben nach einem humanistischen Ideal und die Auswirkungen der Aufklärung sind in seinem Gesamtwerk omnipresent Dieses Buch ist nicht nur für Literaturwissenschaftler sondern auch für jeden Leser der in die Tiefen menschlicher Emotionen und in die Komplexität des Lebens eintauchen möchte ein Muss Es bietet die Möglichkeit

in eine unverwechselbare Welt einzutauchen und die Vielschichtigkeit der menschlichen Erfahrung durch die Augen eines Meisters der Literatur zu erleben Jean Pauls Romane sind eine literarische Entdeckungsreise die den Leser nachhaltig bereichern werden **Sämtliche Werke in Englisch-deutscher Parallel-Ausgabe** Shakespeare,1884 Wagner and the Erotic Impulse Laurence Dreyfus,2012-05-07 Though his image is tarnished today by unrepentant anti-Semitism Richard Wagner 1813-1883 was better known in the nineteenth century for his provocative musical eroticism In this illuminating study of the composer and his works Laurence Dreyfus shows how Wagner's obsession with sexuality prefigured the composition of operas such as *Tannhäuser*, *Die Walküre*, *Tristan und Isolde* and *Parsifal* Daring to represent erotic stimulation, passionate ecstasy and the torment of sexual desire Wagner sparked intense reactions from figures like Baudelaire, Clara Schumann, Nietzsche and Nordau whose verbal tributes and censures disclose what was transmitted when music represented sex Wagner himself saw the cultivation of an erotic high style as central to his art especially after devising an anti-philosophical response to Schopenhauer's metaphysics of sexual love A reluctant eroticist Wagner masked his personal compulsion to cross dress in pink satin and drench himself in rose perfumes while simultaneously incorporating his silk fetish and love of floral scents into his librettos His affection for dominant females and surprising regard for homosexual love likewise enable some striking portraits in his operas In the end Wagner's achievement was to have fashioned an oeuvre which explored his sexual yearnings as much as it conveyed as never before how music could act on erotic impulse

Between National Fantasies and Regional Realities Arne Koch,2006 Despite its popularity during the nineteenth century regional literature has often been overlooked with regard to its role in the development of German national consciousness By exploring various illustrations of geographic historical landscapes in texts written before the 1848 revolutions and after the 1871 unification this book investigates the vital polyphony generated by unique regional voices throughout the age of nationalism Close readings of texts by Berthold Auerbach, Theodor Storm, Wilhelm Raabe, Fritz Reuter, Theodor Fontane, Gottfried Keller and Marie von Ebner-Eschenbach examine recognizable and unfamiliar regions Although this study concentrates on provincial writings literary regionalism's fictionality and simultaneous referentiality raise broader questions for the programmatic aesthetics of Poetic Realism and for inquiries into identity formation **The Evolution of**

Apollinaire's Poetics, 1901-1914 Francis J. Carmody,1963 *Hegel and Greek Tragedy* Martin Thibodeau,2013 This study is concerned with the different interpretations of Greek tragedy proposed by G. W. F. Hegel While Hegel's philosophical interest in tragedy as an art form is well known the motivation for his preoccupation with this art form needs to be further explored Indeed why would Hegel, a pivotal figure of German idealism, be inclined to concern himself with a form of poetry that reached its peak in the 5th century B.C. Precisely this question forms the core of this book It articulates what the primary stakes are and thereby develops and defends the thesis that Hegel's examination of Greece and tragedy is one that has a direct bearing on the fate of politics in the modern world The 1848 Revolutions in German-Speaking Europe H.J.

Hahn,2014-06-06 In 1848 the continent of Europe was rocked by revolutions only Great Britain and Russia remained relatively immune to the upheaval Most spectacularly the Revolutions swept across the German speaking lands of central Europe with the newly released forces of nationalism and mass popular protest smashing the reactionary Metternich regimes which had held sway since the defeat of Napoleon The Metternich system was dead nationalism and national self determination asserted themselves as the dominant dynamic forces of continental Europe in the later nineteenth century This impressive history examines the political and social implications of the 1848 Revolutions for the future destiny and shape of Europe as a whole and explores the wider forces at play in the German lands of nineteenth century Europe

Samtliche Werke In Einem Band: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. Samtliche Werke In Einem Band : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Samtliche Werke In Einem Band : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
