

Seven Days to Faster Reading

YOU ARE ABOUT to have opened up to you a whole new world of reading pleasure. If reading has seemed difficult before, this book will show you how to make it almost effortless. I will tell you the skills by which rapid readers gain their speed, show you how to gain speed yourself. If you learn and practice the techniques and drills conscientiously your reading rate is bound to leap ahead. And as you read faster you will also read better. The purpose of this book is to tell you how.

The book is divided into three parts:

Part One tells you how to *read faster*.

Part Two tells you how to *read better*.

Part Three is made up of special selections from books covering a wide range of subjects. Here you can apply your new-found reading skills.

The book is dedicated to great reading and to your enjoyment of its wonders. This is a working manual, combining instruction with demonstrations of techniques and skills. The chapters are organized with planned repetition so that the method is drilled into you.
