Mr Spock Do You Read Me:

Do You Read Me? J.F. Miller, 2018-05-11 A fascinating and compelling exploration of the learning process for parents teachers and anyone with an interest in education Reading and writing are fundamentally about the communication of meaning Yet when a child has difficulty in learning to read and write the one area that is never seen as having any relevance is the child s life experiences The author s contention is that the concept of dyslexia is something that has been invented rather than discovered in order to evade the question of meaning and the understanding of the individual Based on the author s thirty years experience of both educational psychology and analytical therapy the book sets out a radical approach to learning difficulties in which the primary assumption is that there will usually be underlying emotional conflicts tensions and anxieties Any learning disability is thus more likely to be the symptom of less evident personal difficulties rather than a problem in itself The book examines with examples typical patterns of personal and emotional difficulty that give rise to learning problems **The Billionaire in Her Bed** Regina Kyle, 2017-09-04 Steamy with a side of sass I loved The Billionaire in Her Bed NYT Bestselling Author Jennifer Probst Real estate mogul Eli Ward hasn t had the best of luck lately someone keeps stealing projects out from under him So with his new project he s keeping a low profile Plus he s anticipating a fight from the somewhat eclectic folks currently living in the building What he wasn t anticipating was that the fight would be led by Brooke Worthington the woman who absolutely rocked his world one unforgettable night She might be the only woman in the city who doesn t know who he is which is refreshing and tempting Graphic designer and part time bartender Brooke Worthington is not interested in following her family s plan for her But she is interested in sharing a drink and more with a sexy stranger in a suit when her shift ends The last thing she expects is to run into him again a few days later at a neighborhood meeting Eli is hot really hot but she can t afford distractions now that she has to save her building from some greedy real estate billionaire Only staying away isn t as easy as she thought especially when she learns exactly who Eli really is **Mr Spock, Do You Read Me?** Mary Horodyski, 1986 Gentle humorous poems from a consciously feminist point of view Erotic and introspective with a light but sure handed approach to serious contemporary issues **Star Trek - Vol.5** Gene Rodenberry, 2011 **Shell Game** Melissa Crandall, 2000-09-22 Shell Game While on the routine mission to retrieve a research drone for recycling the U S S Enterprise encounters a Romulan space station adrift within Federation borders Exploring the lifeless station the crew finds ghostly apparitions flitting at the edges of sight Soon the U S S Enterprise is also inexplicably without power Captain Kirk and his crew must now solve the mystery of the strange apparitions before the Starship suffers the station s fate The situation becomes desperate when a Romulan warship arrives looking for the station and the Romulan Commander accuses the Federation of treachery Before Captain Kirk can save the Starship Enterprise from complete destruction he must avoid becoming drawn into a deadly shell game a game that will leave no winners and no survivors , **Dear Dr. Spock** Michael S. Foley, 2005-11-01 At the height of the Vietnam War thousands of Americans

wrote moving letters to Dr Benjamin Spock America's pediatrician and a high profile opponent of the war Personal and heartfelt thoughtful and volatile these missives from Middle America provide an intriguing glimpse into the conflicts that took place over the dinner table as people wrestled with this divisive war and with their consciences Providing one of the first clear views of the home front during the war Dear Dr Spock collects the best of these letters and offers a window into the minds of ordinary Americans They wrote to Spock because he was familiar trustworthy and controversial His book Baby and Child Care was on the shelves of most homes second only to the Bible in the number of copies sold Starting in the 1960s his activism in the antinuclear and antiwar movements drew mixed reactions from Americans some puzzled some supportive some angry and some desperate Most of the letters come from what Richard Nixon called the silent majority white middleclass law abiding citizens who the president thought supported the war to contain Communism In fact the letters reveal a complexity of reasoning and feeling that moves far beyond the opinion polls at the time One mother of young children struggles to imagine how Vietnamese women could endure after their village was napalmed while another chastises Spock for the dark shadow he had cast on the country and pledges to instill love of country in her sons What emerges is a portrait of articulate Americans struggling mightily to understand government policies in Vietnam and how those policies did or did not reflect their own sense of themselves and their country

Ruth Jones Rod Mills,2012-09 The book of Ruth is arguably one of the most cherished stories in the Bible We marvel at this young Moabite widow and her sacrificial love towards her mother in law Naomi Countless wedding ceremonies echoed Ruth's timeless words Whither thou goest I will go We rejoice at Ruth's marriage to her kinsman redeemer Boaz Then the divine narrative leaves the reader to ponder those areas where the Bible is silent Why actually did Ruth leave with her mother in law Naomi for Bethlehem while the other widowed daughter in law Orpah choose to remain in Moab What might have been the circumstances surrounding the death of Ruth's first husband Mahlon Were Ruth and Orpah friends as well as sisters in law What kind of men were Naomi's two sons Mahlon and Chilion Did Ruth's first husband Mahlon ever personally know her second husband Boaz What would a kinsman redeemer look like in our contemporary culture How did Ruth's childhood as a pagan Moabite girl prepare her for life with Naomi a God Fearing Jew Using his signature mixture of humor drama and imagination author and storyteller Rod Mills retells the Book of Ruth as it might occur in the 21st century with his novel Ruth Jones Faithful to the biblical chronology of events Ruth Jones leaves the reader with a greater appreciation for The Book of Ruth and with a profound sense of admiration for that remarkable Moabitess revealed in Scripture
