The Saga of Andy Burnett Stewart Edward White,1947 **A Race for Real Sailors** Keith McLaren,2021-03-26 In the

summer of 1920 the public following the latest America's Cup series were frustrated to find that every time the wind got up the organizers called off the race. There was muttering in the taverns of Halifax and Lunenburg why not show these fancy yachtsmen what real sailors can do. A Nova Scotia newspaper donated a trophy and put out a challenge to their rivals in New England inviting them to meet the Maritimes best in a race for real sailors. A Race for Real Sailors is a vibrant history of the Fishermen's Cup series which dominated sporting headlines between the two world wars. The salt spray practically blows off the page as the author's arresting style captures the drama of each race and the personalities of the ships that contested them: the Delawana and the Esperanto, the Columbia and the Gertrude L. Thebaud, and dominating them all the Bluenose, the big brute from Lunenburg whose image shines on the Canadian dime to this day. Vying for the spotlight are the boats larger than life: skippers among them Marty Welch, the hard-charging American who first took the cup, Ben Pine, the Gloucester scrap dealer whose passion kept the races afloat when they seemed destined to fade away, and the irascible, impossible Angus Walters, master of the Bluenose who repeatedly broke American hearts but whose own heart was broken by Canada's refusal to come to the rescue of his beloved vessel. This stirring and poignant tale is illustrated with 51 historical photographs and five maps and rounded out by a glossary of sailing terms and an appendix of the ever-changing race rules. This is a story that will keep even confirmed landlubbers pegged to their seats: a tale of iron men and wooden ships whose time will never come again.

Supreme Commander Dolza had amassed the largest fleet of Zentraedi warships the Universe has ever seen and all their weapons are aimed at Earth. DOOMSDAY. A war without victors. But all was not well in this bravest of worlds. Unaccustomed to a life without warfare, many of the alien giants revert to their old ways. One alien, in particular, promises to lead the Zentraedi back to their former glory: Khyron. A hero reborn, Khyron vows to pick up where Dolza had left off.
