# About Faith

By Maya Anthony

In the soil of the heart, a seed is sown,  
A tiny speck of faith, often unknown.  
With care and trust, it begins to sprout,  
Growing stronger as we cast out doubt.

Through trials and storms, it perseveres,  
This small seed of faith, calming fears.  
With roots in God's love, it takes its place,  
A mighty oak of faith, by His grace.

In faith's embrace, we find our way,  
Guided by God's light, day by day.  
Though small at first, it holds the scope,  
To fill our lives with endless hope.

**Sing the Faith-Poems of the Spirit** Errol T. Elliott, 1975      *52 Poems about Spiritual Principles* Stanley Scott Jr ,2024-05-30 Welcome to 52 Poems Practicing 52 Spiritual Principles This collection of poetry is a journey through the heart and soul exploring the power of spiritual practices Each poem is a reflection on a specific spiritual principle inviting you on a journey of self discovery and growth The idea for this book came from a desire to go deeper into the wisdom of spiritual principles and to share what I learned along the way Over the course of a year I committed to writing one poem each week focusing on a different spiritual principle The result is a fabric of verses that together highlight the beauty and significance of these timeless teachings The principles explored in this book are universal going beyond religious boundaries and speaking to the goodness within us all From surrender and honesty to compassion and gratitude each poem offers a detailed perspective on how these principles can be applied in our daily lives As you read through these pages I invite you to approach each poem with an open heart and mind Allow the words to resonate with your own experiences and aspirations Take time to reflect on the messages received and consider how you can apply these principles into your own spiritual life The structure of this book is designed to encourage a weekly exploration of each principle You may choose to read one poem per week using it as a focal point for meditation journaling or discussion with others Alternatively you may prefer to read the poems in sequence allowing the build up of wisdom to wash over you It is my deepest hope that these poems will serve as a source of inspiration comfort and guidance on your spiritual path May they remind you of the incredible potential within you and the power of living in alignment with these timeless principles As you embark on this poetic journey remember that the true essence of spirituality is not in the words themselves but in the way they come alive within you May these poems be a springboard for your own spiritual awakening guiding you towards a life of purpose peace and profound connection with God society and self      [Singing Our Faith](#) Donald W. Haynes, 2021-10-28 Hymn singing is vital to both the beliefs and emotion of worship in all religions especially Protestant Christianity With the rising popularity of contemporary worship traditional hymnody is in danger of being lost to Christian memory This book reflects the intellectual excellence the religious devotion and the widespread influence of over two hundred hymns Many have very poignant life situations which prompted the writing of hymns or poems that musicians composed to enhance the singability or the majesty of the lyrics Haynes has done careful research into the life and specific occasions when inspiration led to the gift of a hymn to posterity These vignettes are meaningful for private devotional use and in worship bulletins to make hymn singing more meaningful      **The Collected Works of Witness Lee, 1961-1962, volume 1** Witness Lee, Brother Witness Lee began 1961 in the month of January by giving a conference to the church in Taipei Taiwan in which he released messages on the vision of the church and by holding a series of meetings with the elders and the co workers in which he spoke on being in one work under one leadership After the conference during four days of service meetings he conducted two prayer meetings with the laying on of hands for the co
