From the Kingdom of Kongo to Congo Square Jeroen Dewulf, 2017 This book presents a provocatively new interpretation of one of New Orleans s

most enigmatic traditions the Mardi Gras Indians By interpreting the tradition in an Atlantic context Dewulf traces the black Indians back to the ancient Kingdom of Kongo and its war dance known as sangamento He shows that good warriors in the Kongo kingdom were per definition also good dancers masters of a technique of dodging spinning and leaping that was crucial in local warfare Enslaved Kongolese brought the rhythm dancing moves and feathered headwear of sangamentos to the Americas in performances that came to be known as Kongo dances By comparing Kongo dances on the African island of Saao Tomae with those in Latin America the Caribbean and Louisiana Dewulf demonstrates that the dances in New Orleans s Congo Square were part of a much broader Kongolese performance tradition He links that to Afro Catholic mutual aid societies that honored their elected community leaders or kings with Kongo dances While the public rituals of these brotherhoods originally thrived in the context of Catholic procession culture around Epiphany and Corpus Christi they transitioned to carnival as a result of growing orthodoxy within the Church Dewulf s groundbreaking research suggests a much greater impact of Kongolese traditions and of popular Catholicism on the development of African American cultural heritage and identity His conclusions force us to radically rethink the traditional narrative on the Mardi Gras Indians the kings of Zulu and the origins of black participation in Mardi Gras celebrations Provided by publisher **Yumtzilob** ,2000 Kwartaal uitgave over de Americas varies **Encyclopedia of Religion** ,2005 The Greenwood Encyclopedia of World Popular Culture Gary Hoppenstand,2007 An encyclopedia describes all aspects of world culture broken down into six regional categories discussing the art dance fashion food pastimes periodicals recreation and transportation of each region *American Craft* ,2000 **Forthcoming Books** Rose Arny,1999 **Latin America** Juan Manuel Pérez,2004 This is a general bibliography on Latin America covering a wide variety of subjects from pre Columbian civilizations to Columbus to Castro to the foreign debt to pollution ect This work will not only be of use to the general casual reader on Latin America but also to the more specialized researcher The book contains over 800 topics with over 8 000 titles identified
