More Than A Memory

Clemens Wendtner

More Than A Memory:

More Than a Memory Roz Denny Fox, 2008-08-01 Garret Logan's dead fiancée just walked into his pub. It's been seven years since Colleen died in a car accident but he hasn't been able to break free of her memory. And now she's back with a new name claiming not to remember him. Jo Carroll has traveled to Tennessee looking for answers. She's lived a sheltered life since the accident that erased her memory but now has to face that everything she knew may have been a lie. As the truth emerges the feelings between her and Garret grow and she's drawn into his world. Before she can commit however she needs to know if he loves the woman she was or the one she's become.

More Than a Memory Victor R. Volkman, 2008-01-01 Featuring the work of 15 Viet Nam War veteran writers this anthology of poems, stories and essays looks through the lens of past and present perspectives and defines how modern warfare affects the lives of those who lived it and their families.

More Than a Memory Joan Hanson Landreth, 2024-05-16 More Than a Memory is a coming of age story set against the backdrop of wartime with elements of mystery and spirituality woven into the narrative. The author creates intrigue and raises questions that could potentially be explored further as the story unfolds. The last part of the book hints at a mysterious and potentially divine encounter at the beach. It involves a man in a black suit and a hat and his actions appear to defy the laws of nature. This encounter raises questions about the nature of the man and his role in the protagonist's life. The themes of faith and trust in a higher power, God and guardian angels are introduced in the epilogue suggesting that the story delves into spiritual and philosophical realms.

More Than a Memory Johan Leemans, 2005 Throughout its history persecutions and martyrdom have been Christianity's faithful companions. Remarkably enough Christians have always valued martyrdom in a positive way. This positive evaluation of martyrdom most certainly has to do with the absolute uncompromising nature of it. The martyr's lives and deaths represent the most uncompromising of answers to the divine call. The focus of the contributions in this volume is not in the first place on reconstructing the historical events of the martyr's life and death wie es eigentlich gewesen ist but on the discourse generated by this event as mediated in texts. More than a Memory aims to explore the reciprocal relationship between this discourse of martyrdom and the construction of Christian identity. It will do so by presenting a number of test cases in which this dynamic can be seen at work. They will lead the reader through the entire history of Christianity starting with the Martyrdom of Lyons and Vienne in the second century and ending in the Latin America of the 1960s. Each article will present a test case of discourse analysis attempting to explore the issue of how a document or coherent group of documents contributed to create a distinct Christian identity. Taken together the essays provide an array of examples of how martyrdom impinged on the way Christian identity has been negotiated in the Christian past. In doing this the volume at the same time illustrates the sheer importance of martyrdom and the reflection and writing about it throughout the history of Christianity until today.

More Than a Memory Carol J. Grace, 2010-12-21 Carol Grace's first book Reflections of a life well spent was autobiographical in nature while More than a Memory is more diverse including

poems of nature poems written as a tribute to others and poems of faith and inspiration Mrs Grace says this about her newest collection of poems *More than a Memory* deals with everyday observations and the simple joy of letting words spill from my thoughts and onto paper I have had a love affair with words all of my life Poetry happens when thought becomes image image becomes word and words join together to form meaning that is often unique to each reader It is my hope that *More Than a Memory* will trigger your own fond memories and moreover that you would be encouraged if not challenged to continue to make new memories not letting the days get away from you *More than a Memory* is not a book for the literary few but for everyone who loves to hear a good story Poetry has the ability to convey an entire story with an economy of words You might find yourself reading the entire book in one sitting but more likely you will read just a few poems at a time luxuriating over the way the words make you feel Although the subject matter may be bleak the poem can still be beautiful because of word choice and the way it sounds when read aloud Carol s poetry is written with the knowledge that there is power in the word and we must learn to choose our words wisely May the words in *More than a Memory* inspire you bring a laugh or two and comfort you *More Than a Memory* Lisa Uptain,2024-03-30 Join the Daniels family on a heart pounding adventure filled with love loss and the ultimate test of family bonds In this sequel to *Legally In Love* Kelly Mike and Jasper Daniels find themselves facing new challenges that threaten to tear them apart Kelly is fighting for her life against a brain tumor Jasper is navigating the complexities of graduating high school and Mike has disappeared without a trace As the family struggles to hold on to each other they must also unravel the mystery of Mike s disappearance and confront the truth about their relationships Will Kelly survive her battle against the tumor Can Jasper find his own true love amidst the chaos And will the Daniels family emerge stronger or shattered Prepare to be captivated by this gripping tale of love family and the enduring power of hope Fans of *The Fault in Our Stars* and *The Notebook* will not want to miss this emotional rollercoaster
