

American Government Notes

Government

Definitions-

- Government
 - Refers to institutions and procedures through which a territory and its people are ruled
- Politics
 - Refers to conflict over the leadership, structure, and policies of governments

Is Government Needed?

A government is needed to provide services, sometimes called "public goods."

Public goods: goods that citizens all need but probably cannot provide adequately for themselves.

- Examples include:
 - defense against foreign aggression
 - maintenance of public order
 - a stable currency
 - enforcement of contractual obligations
 - property rights and some measure of economic security

Forms of Government: Structure, Size, and Operation

Governments vary by size, structure, and operation based on who governs.

Autocracy: a form of government in which a single individual, such as a king, queen, or dictator, rules.

Oligarchy: a form of government in which a small group, such as landowners, military officers, or wealthy merchants, control most of the governing decisions.

Democracy: a system of rule that permits citizens to play a significant part in the governmental process."

- Usually accomplished through the election of key public officials

Constitutional government: a system of rule in which formal and effective limits are placed on the powers of the government.
