Notes on Bar Napkins Blake Ean McCartney, 2005-10 Poet Blake Ean McCartney's underground poetry is showcased in Notes on Bar Napkins His unique poetry brings you closer to the grit and grime of life drug addiction alcoholism homelessness and crime Notes on Bar Napkins bounces back and forth between comedy and tragedy as McCartney writes about the idealized world of which he dreams He then contrasts that image with the brutal reality of what surrounds us Notes on Bar Napkins is perfect for anyone who has felt frustrated with the world McCartney's poetry doesn't pretend to solve our social ills but merely analyzes and brings them to our attention **The Complete Idiot's Guide to the Perfect Wedding, 3E** Teddy Lenderman, 2000-04-09 This wedding guide contains a section on using the Internet as a fast tool to help brides and grooms plan their weddings It includes dealing with soon to be in laws during the planning process updated information on nationwide trends and advice from bridal consultants and brides **This Used to Be Us** Renée Carlino, 2024-07-09 There are two sides to every love story and every breakup Get ready for an emotional roller coaster of family marriage and divorce that will have you both laughing and crying from the bestselling author of Before We Were Strangers Hilarious unnervingly relatable romantic and heartbreaking in the best way Julia Stiles This book is a gut punch to the feels Karina Halle New York Times bestselling author After twenty two years together Danielle and Alex are getting a divorce Once fiercely in love they can barely stand the sound of each other's voice Instead of shuttling the kids between two broken homes Alex and Dani decide to share a nesting apartment while swapping days with their two teenage boys at the family home In the apartment Dani and Alex on their own begin to reflect on the last two decades why they fell in love and why the marriage fell spectacularly apart With the newfound space and time they are given a chance to rediscover their autonomous selves again They both get back in the dating pool Dani finds major success at work as a showrunner on her own TV project while Alex faces the challenges of a new relationship Still they find that they just can't stay away from each other and somehow the distance allows them to remember for the first time in years what each used to love about the other When a family crisis draws them back into each other's orbit Dani and Alex are once again put to the test which leads to a dramatic conclusion that will have readers weeping NOTES FROM BAR ROOM NAPKINS Brian Marais, 2016-10-11 Notes conjured in the mind and first written on napkins from an enormous variety of American bar tops in mainland America and Hawaii The notes are extended to a smooth flow of diverse stories thoughts events poetry philosophical ideas and lyrics This book is A Collection of Treasures from The American Bar Room *Who Are You Supposed to Be?* Darren Stone, 2008-10 Molly Murphy's House of Fine Repute held a top spot on Restaurant Row in Oklahoma City for almost twenty years People traveled from around the world to enjoy the four star dining experience served by an illustrious wait staff that included Groucho Marx Blackbeard Killer Bee and countless other characters of fame and imagination If you were one of the millions fortunate enough to share an evening of food and foolishness at Molly's you most likely remember a night of laughter and surprises

good food and an anything goes mentality Grab a drink watch your step and slide into the Button Booth with Mighty Mouse and friends as they take you on an introspective scrambled journey through the dark corridors and hidden cubbyholes of Molly Murphy's Catch a glimpse of the madness the sex and drugs for sure and the lifelong bonds made by those who worked hard to keep you entertained And for no extra charge you may even walk away with a little more insight about who you're supposed to be Tip not included Darren Stone lives near Portland Maine with his cat Monk He exhibits all the signs of superhero complex Peter Pan complex Chronic Fatigue Syndrome ADHD has sensitive eyes a bad knee and is afraid of heights His doctor wants him to watch his cholesterol Writing down his thoughts about Molly's was supposed to be good therapy for Darren and although twelve years have passed since the first paragraph he's still not convinced Oprah will find this book all that indispensable But it had to end somewhere sometime There must be at least thirty more books worth of Molly's tales out there In fact Susie's already got a story she forgot to tell So the question arises who'll be next If you need more Molly's visit www.mollymurphys.net If you just need more Darren visit www.darrenstone.com *Dugouts and Diamonds* Jim Reeves, 2022-06-29 This deep dive on the Texas Rangers by Jim Reeves an award winning ex sports columnist for the Fort Worth Star Telegram captures all the drama humor craziness and pathos And tells how this journalist got his riveting stories Few writers know baseball and people like Reeves who has produced an intimate and entertaining recollection far removed from other grinding sports franchise histories The Texas Rangers he portrays are humorous heroic and quite often heartbreakers It's all here from front office wheeling and dealing to zany clubhouse and press box moments serious superstars to whimsical wannabes In a word Delightful Carlton Stowers three time Edgar Award winner and author of *Oh Brother How They Played the Game* *Yellowlegs* John Janovy, 2016-08-02 In *Yellowlegs* John Janovy again displays his rare talent for making the scientific accessible and the personal universal The result is a an extraordinary parable of man and technology It is also an intensely personal account of one man's journey toward an understanding of himself of his fellow man and perhaps most important of the secrets of a single sandpiper a *Tringa flavipes* or lesser yellowlegs We fly with Janovy's Yellowlegs from its nesting grounds in the Canadian north to South America and back And along the way we join a slightly crazed biologist who leaves his university position withdraws his life savings from the bank and decides to follow the bird on its odyssey Starting on the sand flats of Nebraska and progressing across Kansas and down to the Gulf of Mexico with a brief stop in Oklahoma jail our migratory route brings us into contact not only with the wild creatures of the American West but with the people a few of whom are pretty wild themselves with whom Janovy talks drinks and debates Seldom has the life of a wild creature been so intimately and vividly described Seldom have hard science and mysticism been more successfully and lyrically combined There can be little question that *Yellowlegs* will take its place as a classic of nature writing at its best
