Cornelius, 2014-11-04 The river still fed by the far distant mountain spring of Book 1 Plough approaches the ocean It has sustained life all through the evolution

of society along its banks and down through the centuries during the events of Book 2 Growth and Book 3 Harvest but by the time of Book 4 Snow the conscious connection between society and the river has almost been lost According to legend at one point the river split into two streams one feminine and the other masculine and where they will flow into the ocean they will reunite of necessity It is winter Jade is making her way across country on foot as the snow steadily falls obliterating the details and landmarks the eye takes for granted when finding the way She is gifted as an actress and though born male has devoted her life to performing female roles with considerable success As part of the sacrifice needed to perfect her art she has also lived her daily life outside the theatre as a woman in her nature as a woman and a single woman Several years ago she founded an ensemble of which she is the director and principal actor and has recently allowed women to perform female roles the first time this has happened in this culture While she treks across country her ensemble is rehearsing for a new production called The Temptation for the first time having to work without Jades directions She is making her way to an isolated hotel where she will direct a piece of spontaneous theatre with unsuspecting guests who have never consciously acted before

Momma And The Meaning Of Life Irvin D. Yalom, 2014-03-25 As the public grows disillusioned with therapeutic quick fixes people are looking for a deeper psychotherapeutic experience to make life more meaningful and satisfying What really happens in therapy What promises and perils does it hold for them No one writes about therapy or indeed the dilemmas of the human condition with more acuity style and heart than Irvin Yalom Here he combines the storytelling skills so widely praised in Love's Executioner with the wisdom of the compassionate and fully engaged psychotherapist In these six compelling tales of therapy Yalom introduces us to an unforgettable cast of characters Paula who faces death and stares it down Magnolia into whose ample lap Yalom longs to pour his own sorrows Irene who learns to seek out anger and plunge into it And there's Momma old fashioned ill tempered who drifts into Yalom's dreams and tramples through his thoughts At once wildly entertaining and deeply thoughtful Momma and the Meaning of Life is a work of rare insight and imagination
