Nothing Personal? Nick Gill, 2016-02-23 In this groundbreaking new study Nick Gill provides a conceptually innovative account of the ways in which indifference to the desperation and hardship faced by thousands of migrants fleeing persecution and exploitation comes about Features original unpublished empirical material from four Economic and Social Research Council ESRC funded projects Challenges the consensus that border controls are necessary or desirable in contemporary society Demonstrates how immigration decision makers are immersed in a suffocating web of institutionalized processes that greatly hinder their objectivity and limit their access to alternative perspectives Theoretically informed throughout drawing on the work of a range of social theorists including Max Weber Zygmunt Bauman Emmanuel Levinas and Georg Simmel

Warren Hamment is a bright young man who wanders into a career in finance in the early 1980s. *Nothing Personal* is the extraordinary story of his rapid ascent toward success painted against a landscape of temptation and personal discovery. Introduced to the seductive elite bastions of wealth and privilege and joined by his gorgeous and ambitious girlfriend, he gets a career boost when his mentor is found dead. Warren soon finds himself at the center of two murder investigations as a crime spree seemingly focused on powerful finance wizards plagues Wall Street. The blood-soaked trail leads to vast wealth and limitless risk as Warren uncovers unexpected opportunity and unknown dangers at every turn and must face moral dilemmas for which he is wholly unprepared. *Nothing Personal* is a stellar debut novel which follows an increasingly jaded protagonist as he comes of age in a rarified, deeply corrupt world. Offit, a former senior insider, unflinchingly divulges Wall Street's culture of abuse and portrays the insidious, creeping forces of greed, sex and power and the terrible price paid in their thrall. *Nothing Personal* Nancy Jo Sales, 2021-05-18. A raw and funny memoir about sex, dating and relationships in the digital age intertwined with a brilliant investigation into the challenges to love and intimacy wrought by dating apps by firebrand New York Times bestselling author Nancy Jo Sales. At forty-nine, famed Vanity Fair writer Nancy Jo Sales was nursing a broken heart and wondering, "How did I wind up alone?" On the advice of a young friend, she downloaded Tinder, then a brand new dating app. What followed was a raucous ride through the world of online dating. Sales, an award-winning journalist and single mom, became a leading critic of the online dating industry, reporting and writing articles and making her directorial debut with the HBO documentary *Swiped: Hooking Up in the Digital Age*. Meanwhile, she was dating a series of younger men, eventually falling in love with a man less than half her age. *Nothing Personal* is Sales's memoir of coming of middle age in the midst of a new dating revolution. She is unsparingly honest about her own experience of addiction to dating apps and hilarious in her musings about dick pics, sexting, dating FOMO and more. Does Big Dating really want us to find love, she asks, or just keep on using its apps? Fiercely feminist, *Nothing Personal* investigates how Big Dating has overwhelmed the landscape of dating, cynically profiting off its users' deepest needs and desires. Looking back through the history of modern courtship and her own relationships, Sales examines how sexism has always been a factor for women in dating and asks what the future of courtship will bring if left to the designs of Silicon Valley's tech giants, especially in a time of social distancing and a global pandemic when the rules of romance are once again changing. *Nothing Personal, Just Business* Howard F. Stein, 2001-06-30. Throughout the United States and indeed the world, organizations have become places of darkness where emotional savagery and brutality are now commonplace and where psychological forms of violence, intimidation, degradation, dehumanization are the norm. Stein succeeds in portraying

this dramatically in his evocative lucid new book and in doing so he counters official pronouncements that simply because unemployment is low and productivity high all is well Through the use of symbolism and metaphor he gives us access to the interior experience of organizational life today He employs a form of disciplined subjectivity based on Freud's concept of counter transference and other methods to help us comprehend what such dominating notions as managed social change really mean Downsizing reengineering managed care endless organizational restructuring all are presented as just business but in reality says Stein they are devastatingly personal in their effects With numerous vignettes and anecdotes drawn from his formal and informal research Dr Stein shows us in often horrifying detail what work has come to be in so many of these dark places but also what must happen and can happen to lift them into the light Through consultations observation and personal experience Stein documents the ordinary assaults on the human spirit a form of violence in the workplace that usually escapes common classification By that he means culturally sanctioned violence such as everyday forms of intimidation ridicule goading and doubling of workloads all in an asserted effort to make the workplace more productive more competitive His examples metaphors symbols images come from the Holocaust and the Vietnam War and refer back to other horrors in other times the Crusades and the Spanish Inquisition among them His book demonstrates precisely how brutal so many of our rational business practices have become and how disposable all of us ultimately are at all levels in all organizations Stein draws upon a variety of research techniques including a form of counter transference based on Freud's concept to understand the inner meanings and feelings contained in workplace metaphors and symbols An incisive foreword by Dr David B Friedman Associate Clinical Professor of Psychiatry at the New York University School of Medicine comments on this puts the book in perspective and offers additional insights into Stein's themes and how brilliantly he develops them

Nothing Personal... It's Just Business Jan Young, 2012-06-29 Jimmy Alden a successful businessman is mugged in a parking garage and would have been killed were it not for the intervention of a strange little man known as Bub Bub uses the mugging to extort Jimmy and force him into a life of terrorism with incredible consequences for Jimmy for his family and for the nation *It'S Nothing Personal It'S Only Business* William N. Spencer, 2016-01-28 Today in America we are no longer

the world's largest market economy If anything the only thing greatest about the American economy is the amount of money we owe to other countries Politicians and activists portray big government as essential to safeguard the common good There is no question we need the government to protect our rights and assure the rule of law But overly large and politicized government ends up dominating and undermining a moral society Instead of empowering people big government programs from welfare subsidies to corporate bailouts promote dependency and deteriorate personal responsibility encouraging both people and companies to make bad decisions How did we as a country allow our students and our citizens in general to become so economically uneducated in just two generations *Nothing Personal: Seeing Beyond the Illusion of a Separate Self* Nirmala, 2010-01-16 Advaita and nondual teachings are about finding the Truth This Truth is not a dogma that you study

it is the Truth about life the Truth about who you really are This Truth is discovered not learned It is discovered through sincerely inquiring Who am I What you discover is that who you are has nothing to do with self images or roles and everything to do with what you experience when you ask this question What you discover is that who you think of yourself as is just that a thought And beyond that thought is a great Mystery an experience of nothingness which is your true nature Nothing Personal leads you to the experience of your true nature and helps you explore its depth Through exposition questions and dialogues it brings you to a place of realization of the Truth you are that spacious Awareness in which everything appears including your thoughts and feelings Your thoughts and feelings do not define you but merely appear within Consciousness along with everything else This Consciousness is who you are Nothing Personal offers a gentle and persistent guide to seeing the underlying truth of your ultimate nature In this concisely edited collection of satsang talks and dialogues you are invited to honor the limitless love that is your true nature and to enjoy the sweet richness that is revealed when you give this Truth your undivided attention From the introduction Unlike most books this one is not meant to add to your knowledge or understanding It is about the Truth that cannot be spoken or written Although the Truth cannot be contained in this or any other book each word written here is intended to point you toward that Truth Many of the words and ideas may seem paradoxical or contradictory because what they point to is larger than our conceptual frameworks Many questions are asked which are not answered anywhere in the book Find out what the experience is like to ask yourself these questions even if they leave you emptier of knowledge and understanding In this emptying you just may discover what you are looking for The Truth is revealed when we allow ourselves to not know so I invite you to set aside all that you know for the time being and allow yourself to look with innocent eyes at what the words are attempting to unveil Take the time to experience the unspoken truth in each section before moving on to the next Resist the temptation to read these words with your mind which is likely to rush right past the Truth Allow the words to sink into your heart and reveal the truth of who you are

It's Not Business, It's Personal Bob Sorge, 2009 *It's Not Personal: Unmasking Offense* Dena Hoover, 2018-12-05 Have you had your feelings hurt Or maybe you have hurt someone's feelings This should come as no surprise as God's Word tells us in Luke 17:1 that It is impossible that no offenses should come In this bold biblical based Bible study the truth that God's people are ripping each other apart by their words and actions will be clear But don't stop there the encouraging word is that we do not have to stay this way Whether we are doing the offending or we are the offended we are walking away with hurts no Band Aid can fix Dena's heart's desire is that through the power of God's Word and the healing only Jesus can bring we will not only be healed but learn how to do things differently Her hope is that we will learn not to take things personally and yet keep our sensitivity God thinks very highly of His children She wants you to know how valued you are in the Kingdom We have a role in God's plan But we are too busy licking our wounds and out of hurt inflicting hurt on each other We have to get our focus back on our purpose God created us in His image Gen 1:27 which is

love However somewhere in our journey we have begun to devour like the enemy 1 Pet 5:8 Through this twelve week study you will reconnect with the Savior and begin to allow the brick wall to come down that over time has grown to protect your heart God will show you that the wall of protecting only imprisons Allow yourself to be free **It's Not Personal, It's Business** Martin Mancini, 2022-10-22 It's Not Personal It's Business Evil is unmasked The identity of the Judge is finally revealed Jack Snow finds himself a fugitive The people closest to Jack betray him as the town he calls home begins to turn on him On the run Jack works to solve his own case *It's Not Personal, Sonny. Raymond, 2001 This feminist classic explores the many manifestations of friendship between women and examines the ways women have created their own communities and destinies through friendship **A Double Portion** Margie O'Connor, 2021-01-15 Women all over the world are feeling the call to awaken to tap into their God given creative powers Any religion that would silence that call is just too small for the life

that is emerging A Double Portion speaks to the realization of the Divine Feminine as experienced by a group of sisters who have followed an ancient call and gather around Brigid a fifth century historical figure considered both Goddess and Saint This work of visionary fiction follows the path of each sister as she tends to the flames of justice offering a way forward for all who are seeking to dismantle unjust patriarchal ways Warmed by Brigid s flame the reader will be forever challenged to include those left out devalued deemed invisible or moved to the margins Around the world women are arising who refuse to be silenced by the patriarchy and clericalism that have denied women their rightful place in church and society A Double Portion insists all will be provided for and offered a double portion under the mantle of Brigid Smart clever funny and just A Double Portion is for women and men who know the power of building collaborative relationships that call on each individual s giftedness In times of uncertainty existing inequalities must be amplified and everyone must speak up despite their fear This novel provides a clear and powerful feminist vision of empowerment for all Time Corps #6 Nate

The Sin Warriors Julian E. Farris,2012 Fifty years ago three hundred teachers and students in Florida vanished No storm troopers No mass graves Who were they Just wasted lives from blackmail coercion entrapment tactics of state senator Charlie Johns and his covert investigations of homosexuals in Florida s universities The Sin Warriors is a novel inspired by those actual events David Ashton has struggled for self acceptance and identity his entire life David s estrangement from a dysfunctional family childhood his sexual awakening and bonding with his gay professor places them in the crosshairs of state senator Billy Sloat an ambitious country politician obsessed with ridding the university of subversives homosexuals blacks alleged communists on the heels of the McCarthy hearings during the mid fifties But who is Sloat

actually and where does his hatred and contempt come from From a backwoods childhood in North Florida to his reign as a powerful senator Sloat intends to destroy the new life David has built for himself in college and questions are raised What is family Whom should we love What price do we pay to defend our country and our integrity Which is more enduring fear or love These themes provide counterpoint to corrupt politicians and their abuse of power to further their own prejudices and limited understanding of what it is to be human
