## **Novia Del Sabado:**

**La novia del sábado** Kate Walker, 2020-12-10 Connor Harding se sintió muy ultrajado al descubrir que Jenna Kenyon iba a casarse. Ella había estado fuera unos cuantos años y ahora Jenna estaba decidida a mantener las distancias a pesar de la atracción que todavía vibraba entre ellos. Connor decidió que todo era justo en el amor y en la guerra. Los cinco días que quedaban para la boda tenían que ser suficientes para hacerla cambiar de idea.

**Un Secreto de Familia** . Jando, 2012 Kiko es un joven atractivo dotado de belleza y talento. Muchos caen por su encanto pero no tienen ni idea de que él guarda un secreto muy grande. Ubicado en el paraíso tropical de Hawái y la exuberante selva de concreto de Nueva York es una historia que cambiara su percepción del amor, la pasión y la definición misma de la relación familiar. Entrar en un mundo de drama y ser parte de una gran polémica pero ¡shhh! es un secreto de familia.

**Yeshú** Juan Carlos Lara Olmo, 2020-02-05 Jesús de Nazaret que se encarnó y resucitó como Dios nació vivo y murió como judío. Este libro titulado Yesh Tránsito judío de la vida de Jesús fruto de toda una vida de fe y de muchos años de estudio surgió ante la inquietud de que a los cristianos nos pasara desapercibida parte de la gran riqueza de los Evangelios por ser ajenos a su sustrato judío y conocer más bien someramente el Antiguo Testamento. En mi deseo de contribuir a paliar en alguna medida esta situación he tratado en siete bloques temáticos diferentes los aspectos más notables de la vida de Jesús sin pretender escribir una biografía suya. Naturalmente he prescindido de todo análisis exhaustivo pues la materia resulta inagotable como queda patente en el final del evangelio de San Juan. Hay además otras muchas cosas que hizo Jesús. Si se escribieran una por una pienso que ni todo el mundo bastaría para contener los libros que se escribieran. La metodología seguida ha consistido en buscar las fuentes judías que arrojan luz sobre ella empezando por el Antiguo Testamento y siguiendo por los textos rabínicos clásicos. También he añadido fragmentos de autores latinos y referencias patrísticas y conciliares cuando me ha parecido necesario o adecuado. Para facilitar la lectura he eliminado las notas a pie de página y he transcrito las palabras hebreas con los más nimios signos diacríticos posibles. Al final incorporo una pequeña bibliografía fundamentalmente de libros en castellano para quienes deseen profundizar en distintos aspectos de la obra cuyo motor es el amor en distinto grado y medida a Jesucristo, a la Virgen María y a la Iglesia judaica y a los judíos porque parafraseando al papa Francisco dentro de cada cristiano hay un judío.

**Tejina: Oraciones y Meditaciones para la Mujer Judía** Erna. C. Schlesinger, Tejina Oraciones y Meditaciones para la Mujer Judía. Cara de PrÓCera Roberto Luis Guzmán N., Roberto Luis Guzmán, 2012-10 Palabras acciones escenas se despliegan por aquí y más allá en Cara de PrÓCera un libro de cuentos y relatos que leña a leña construye su lugar. Tramas que marcan momentos de la vida. Impensados comunes ajenos irreversibles. Ni más ni menos que el delineado del paso de hombres y mujeres que viven dentro de cada historia. Así los relatos El caballo de Troya y Extra lluvia se dirimen en las fronteras de lo fantástico y cotidiano. Tomografía computada exhibe desde un realismo crudo cuán frágil y hasta patético se puede ser en el decurso de un problema de salud. O. Anderson, 2023-07-28 Beyond the Codices The Nahuatl View of Colonial Mexico explores a lesser known yet rich corpus of Nahuatl texts that reflect the dynamic cultural and social changes experienced by indigenous communities in colonial Mexico While much of classical Nahuatl scholarship has focused on pre-Columbian legends annals and poetry often presented in elaborately illustrated codices this study turns its attention to everyday records such as wills land transactions municipal council minutes tax records and petitions These documents provide a more immediate and practical perspective on post-conquest life revealing how indigenous communities navigated the colonial system and adapted their traditions to new realities The book seeks to make these scattered unpublished and linguistically challenging records more accessible by presenting a selection of transcribed translated and annotated texts This second world of Nahuatl documentation though initially daunting due to its standardized and legalistic forms can be understood more easily once a single model document is mastered Drawing on key sources such as the Coyoacán papers from Mexico's Archivo General de la Nación and UCLA's McAfee Collection the authors aim to provide scholars with the tools to unlock this overlooked repository of indigenous colonial history Their work underscores the importance of these texts in broadening our understanding of the complex interplay between indigenous and colonial cultures This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer-reviewed scholarship accessible once again using print-on-demand technology This title was originally published in 1976 *Sábado sin sol*
