Thrailkill,2022-10-17 Two questions are braided together in Luke s Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke s Gospel is dense with story after story about Jesus s stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus s original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me **Following Jesus in a Fallen World** Robert M. wants us to be and do as created in His image and likeness Our purpose is in our image and likeness of God our Creator not like the dust of the ground or the flesh of our parents Most children dont know that they are created in the image and likeness of God and their parents have not asked God for His spirit for their children so they can be taught this vital truth The reason parents dont ask God for His spirit for their children is because they dont recognize the need for Him There are several things mankind cannot do in the flesh and they must recognize their origin in the image and likeness of God Mankind must recognize being in the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in Gods word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God s will **You Can Take It with You** Linda Sommer,2004 A Daily Devotional Guide For Doing God s Word This one year devotional will take you on an adventure through hundreds of Scripture passages in the Old and New Testaments Each day you will be assigned four passages throughout the Bible that pertain to topics such as seeking and obeying the Lord s will living what you say and finding your place in the body of Christ By dedicating just minutes a day to this unique book you will find yourself growing in God s Word planting seeds of wisdom that will last a lifetime About the author Linda Sommer is the author of Around the Word in 365 Days and Sunrise Sunset In addition to being an author she is a teacher and intercessor who speaks at retreats seminars and churches sharing God s Word in a practical understandable manner Linda and her husband Tom have three sons all of whom are serving the Lord They also have eight grandchildren The Sommers make their home in Atlanta Georgia where they are part of Landmark Church View all the titles in Linda Sommer s devotional trilogy Around the Word in 365 Days Sunrise Sunset [Following Jesus](#) Sonja M. Day Thoughts on the New Testament of Our Lord and Saviour Jesus Christ R. Tennent Shaw, 1875

The Drama of the Messiah in Matthew 8 and 9 Solomon Pasala, 2008 In contrast to the other synoptic evangelists the author of Matthew proceeded differently in many respects Why did he modify the text so much and arrange ten miracle narratives one after the other at one stretch with minor interruptions Why did he place the so called miracle chapters immediately after the Sermon on the Mount Why did he enclose them between two summary statements on either side These are only some of the unanswered questions about chapters 8 and 9 of Matthew's Gospel Beginning with Aristotle's theory of the drama or tragedy the author suggests that the way the evangelist has reworked and reorganized the miracle narratives is similar to the structure of the classic drama By discovering the narrative strategies and the discourse aspect we are able to demonstrate how each episode corresponds to the different moments of a plot such as the initial situation inciting moment complication climax with suspense and finally resolution and denouement

Performing a Christian Life Thomas D. Kennedy, 2019-11-13 We want to live good lives but determining what a good life is isn't easy especially if we want the lives we lead to be ours rather than somebody else's Tom Kennedy helps us see why it is hard to find our way when it comes to living well and what we can do about that Finding our way requires knowing who we are understanding ourselves and Christians because of their experience with God will understand themselves differently than others in at least some ways Kennedy explores that understanding and discovers that Christian encounters with God lead to beliefs about God human nature forgiveness values and loving well that have important implications for what we do and feel for how we should live In clear and familiar language and with probing questions he helps us think more carefully and deeply about our identities and what it should look like for us to live well
