Now Is The Dawning Of The New Age New World Order:

The Coming New World Order Thomas J. Mueller, 2015-04-02 This book proposes a step by step blueprint for a better world There is a storm brewing on the horizon A new world order is coming based on all the trends and global pressures that is facing mankind today The question is who s world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man s vision and his world ruling government that has only produced war or God s vision and Christ s world ruling government that is guaranteed to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or the prophesied Millennium It is our choice and we need to decide soon before we hit a point of no return Prophecy says the Kingdom of Man is going to face off with the Kingdom of God on the Plains of Megiddo in Northern Israel in the not too distant future for supremacy on earth if we don t heed the warnings and change our ways Our message therefore is simple Christ is returning shortly as King of Kings to establish a new political order His world ruling government of the Kingdom of God on earth His return can either be a forceful one or a peaceful one It is our decision Either way we need to decide soon and get ready for the Second Coming **Now is the Dawning of the Time of the End**

Simon Richard Lee, 2019-02-06 This book starts off in an astonishing way by developing a completely new scientific View of Faith which almost immediately actually yields in full the BASIS OF THE SECRET OF LIFE The rest of this science is radically different to anything known to date for it attempts to always be THE TRUTH AND NOTHING ELSE Parts Two and Three of the book apply the above Science of Faith to a very complete largely radically new interpretation of the only two truly prophetic books i the Christian bible Revelation and Daniel **The Sacred Scriptures - Vol. II (Part 1/2)** Johannes Biermanski, 2016-12-16 The objective of The Sacred Scriptures by John Biermanski is to revoke all falsifications in today s Bibles known so far in the Old and New Testament and to restore the original state of the verses as far as possible In the present work you will find The Acts of the Apostles to The Letter of Paul the Apostle to Philemon in which the verses are written in German and English as well as an appendix with various elaborations and statements etc see the table of contents There is both a German and an English edition in which the attachments are available in the respective selected language This is an English edition The author was born in 1963 in North Rhine Westphalia and completed a traineeship for wholesale and foreign trade in a pharmaceutical wholesale company In the course of his professional development he used to be a freelancer but was also officially employed he has experienced a lot rises and falls throughout his life While studying the Scriptures he was led by the Spirit of the only God the Almighty and the only Holy Father in heaven whereas by grace he could recognize many things that are now presented as heresies to the world In recent years he has been active in the proclamation of the Word of YAHWEH Elohim G d in Europe Canada particularly in Brazil South America and has enlightened many people by his message so that they get to know the true God His holy name and His will and only obey Him Exodus 20 2 11 Leviticus chapter 19 and 23 etc and start to think about all this i e so that they finally decide themselves in

favour of the living Elohim G d YAHWEH instead of against Him and their names are not erased from the divine Book of Life forever

A New World Order Caryl Phillips, 2009-01-21 The Africa of his ancestry the Caribbean of his birth the Britain of his upbringing and the United States where he now lives are the focal points of award winning writer Caryl Phillips' profound inquiry into evolving notions of home identity and belonging in an increasingly international society. At once deeply reflective and coolly prescient A New World Order charts the psychological frontiers of our ever changing world. In the work of writers such as V S Naipaul James Baldwin and Zadie Smith cultural figures such as Steven Spielberg Linton Kwesi Johnson and Marvin Gaye and in his own experiences Phillips detects the erosion of cultural boundaries and amasses startling and poignant insights on whether there can be an answer anymore to the question Where are you from. The result is an illuminating and powerfully relevant account of identity from an exceedingly perceptive citizen of the world
