Poems Elizabeth Spires, 2008 A stunning new collection from a poet who made her name a watchword for serenity and poise Contemporary Poetry Review In Elizabeth Spires's sixth collection of poetry the pilgrim soul in its various guises meditates on its own slow becoming finding humble companions in creatures as unlikely as a lowly snail a prehistoric coelacanth or a tiny Japanese netsuke of a badger disguised as a monk For Spires life is both a pilgrimage and a deepening birth death and transformation all part of a seamless continuum Possessed of a calm crystalline sense of eternity her poems invite fellow travelers to sit for a little while and be cleansed of the dust of existence **Proposing on the Brooklyn Bridge** Ginny

Lowell Connors, 2003 More than 100 contemporary American poets write about marriage in this anthology Along with poems for weddings and anniversaries there are reflections on nearly every aspect of married life **The Undiscovered Country**

William Logan, 2008-12-22 William Logan has been called both the preeminent poet critic of his generation and the most hated man in American poetry For more than a quarter century in the keen witted and bare knuckled reviews that have graced the New York Times Book Review the Times Literary Supplement London and other journals William Logan has delivered razor sharp assessments of poets present and past Logan whom James Wolcott of Vanity Fair has praised as being the best poetry critic in America vividly assays the most memorable and most damning features of a poet's work While his occasionally harsh judgments have raised some eyebrows and caused their share of controversy a number of poets have

offered to do him bodily harm his readings offer the fresh and provocative perspectives of a passionate and uncompromising critic unafraid to separate the tin from the gold The longer essays in *The Undiscovered Country* explore a variety of poets who have shaped and shadowed contemporary verse measuring the critical and textual traditions of Shakespeare's sonnets Whitman's use of the American vernacular the mystery of Marianne Moore and Milton's invention of personality as well as offering a thorough reconsideration of Robert Lowell and a groundbreaking analysis of Sylvia Plath's relationship to her father Logan's unsparing verse chronicles present a survey of the successes and failures of contemporary verse Neither a poet's tepid use of language nor lackadaisical ideas nor indulgence in grotesque sentimentality escapes this critic's eye While railing against the blandness of much of today's poetry and the critics who trumpet mediocre work Logan also celebrates Paul Muldoon's high comedy Anne Carson's quirky originality Seamus Heaney's backward glances Czeslaw Milosz's indictment of Polish poetry and much more Praise for Logan's previous works *Desperate Measures* 2002 When it comes to separating the serious from the fraudulent the ambitious from the complacent Logan has consistently shown us what is wheat and what is chaff The criticism we remember is neither savage nor mandarin There is no one in his generation more likely to write it than William Logan Adam Kirsch *Oxford American Reputations of the Tongue* 1999 Is there today a more stringent caring reader of American poetry than William Logan *Reputations of the Tongue* may at moments read harshly But this edge is one of deeply considered and concerned authority A poet critic engages closely with his masters with his peers with those whom he regards as falling short This collection is an adventure of sensibility George Steiner William Logan's critical bedevilmens as well as his celebrations are indispensable Bill Marx *Boston Globe All the Rage* 1998 William Logan's reviews are malpractice suits Dennis O Driscoll *Verse* William Logan is the best practical critic around Christian Wiman *Poetry*
