

A woman with blonde hair, wearing a blue jacket, is singing into a microphone. She has a joyful expression. The background is dark with purple and blue bokeh lights. Below her, a large crowd of people is represented by many small, stylized human icons in a light green color. The text "EVERYBODY, SING!" is written in a large, bold, pink-outlined font with a green outline, positioned at the bottom of the image.

EVERYBODY,  
SING!

**I Love Her, That's Why! an Autobiography** George Burns, Cynthia Hobart Lindsay, 2021-02 I Love Her That's Why first published in 1955 is an entertaining look at the earlier life and career of comedian George Burns and his wife Gracie Allen. From humble beginnings in New York, Burns and Allen went on to become much loved stars of stage, radio, television, and the big screen, one of the few entertainers to be successful in each venue. The book begins with Burns' childhood and early struggles in vaudeville before he meets Gracie Allen. Burns then details his efforts to win her affections, their marriage, and adoptions of two children. Radio, film, and TV productions including the script for their television series are included. There are 16 pages of illustrations.

*Mother Camp* Esther Newton, 1979-05-15 For two years Ester Newton did field research in the world of drag queens  
homosexual men who make a living impersonating women Newton spent time in the noisy bars the chaotic dressing rooms  
and the cheap apartments and hotels that make up the lives of drag queens interviewing informants whose trust she had  
earned and compiling a lively first hand ethnographic account of the culture of female impersonators Mother Camp explores  
the distinctions that drag queens make among themselves as performers the various kinds of night clubs and acts they  
depend on for a living and the social organization of their work A major part of the book deals with the symbolic geography of  
male and female styles as enacted in the homosexual concept of drag sex role transformation and camp an important humor  
system cultivated by the drag queens themselves Newton s fascinating book shows how study of the extraordinary can  
brilliantly illuminate the ordinary that social sexual division of personality appearance and activity we usually take for
