Reverend G's Words of Encouragement Reverend Jeffery E. Gaines Sr., 2022-03-27 My story begins as a native Floridian who grew up poor on welfare a high school dropout and without a father who abandoned me at an incredibly early age in my life But what I have learned in this life is that sometimes we are born in a disadvantaged situation either being poor or dependent upon federal assistance for food and clothing Combine that with a broken family structure this lent itself to a life of struggles and setbacks I blamed others for how I felt and how my life was turning out I had a decision to make I could either decide to remain in the state of blaming others or I could get up and do something about it I decided to go with the latter and I hope that you will come to the same decision after hearing my story *Saint Augustine, Bishop Of Hippo. The Sliding Picture Puzzle Paths from God Rodney Evans, 2019-03-26 Author Rodney Evans thought worldly possessions such as cars clothes money and a good life with family and friends were all he needed During his goal to obtain those things God was never in his thoughts until difficult times hit him The author has written this heartfelt story about God s open door policy to except all who comes through His door by way of Jesus even if they were once angry with Him as the author was and was still accepted back into God s loving grace This story shows that God s door is always open for a relationship The author hopes that others going through difficult times can relate to the events in his story and therefore be lifted up by God s power to conquer darkness to bring light to all Birth of a Heartache - A Broken Life Now Restored Rev. Tammie D. Croft Th.A, 2015-05-04 This is a story of a young girl struggling to overcome the fears and pains of sexual abuse as well as a life filled with disappointments Her story shows how one can overcome heartache without turning to drugs and alcohol yet how to overcome those addictions if they are present in your life Simply by turning to Christ and trusting Him This story is one of hope for the future when there seems to be no hope **Bhakti: A journey of Soul discovery** Jennifer Duke, 2021-05-16 Sometimes God comes like a thief in the night sometimes He breaks down the front door when you didn t

even know He was coming The author s Unexpected Visitor made mincemeat of her well ordered atheist life taking her into vast uncharted regions of her own heart Traveling from Peru to India she eventually found her spiritual home as a Kriyaban yogi a disciple of a great Indian Master Paramhansa Yogananda A fascinating almost daily account of this sudden total transformation Asha Nayaswami Founding Member Ananda Worldwide Author Winner of the 2021 Best Independent Author Book Award Raised by atheists Jennifer Duke rejected any possibility of an omniscient creator At age fifty she could not have foreseen the cataclysmic shift that was about to occur in her life and the profound inner experiences that would challenge her entire view of reality What changed What took her to Peru and India in search of answers This book is not about organized religion As Jennifer would discover we do not need priests dogmas institutions or intermediaries to experience our own direct inner connection with Spirit No one and no external entity can limit our access to the Divine Light Through her direct experiences of union with Spirit she was able in time to navigate the revolutionary shift in her understanding of Truth In Jennifer s clear sincere narrative we feel the authenticity of her journey as she discovers her Soul nature the truths of the universe and the path of Self realization This is a profound and earnest account of a life unfolding expanding into the divine and eternal Truth that awaits us all

Translanguaging in EFL Contexts Michael Rabbidge,2019-03-26 The purpose of this book is to promote the value of translanguaging in EFL teaching contexts To date translanguaging has been discussed mostly in regards to US and European contexts This book will examine the teaching beliefs and practices of teachers within a South Korean elementary school context to evaluate the practices of current teachers who use translanguaging strategies when teaching This examination utilizes sociological theories of pedagogic discourse to discuss the consequences of language exclusion policies on the peninsula Using these theories it presents an argument for why EFL contexts like South Korea need to reevaluate their current policies and understandings of language learning and teaching By embracing translanguaging as an approach the author argues they will transform their traditional notions of language learning and teaching in order to view teachers as bilinguals and learners as emerging bilinguals rather than use terms of deficiency that have traditionally been in place for such contexts This book s unique use of sociological theories of pedagogic discourse supports a need to promote the translanguaging ideology of language teaching and learning **Alien Collective** Gini Koch,2014-05-06 Sci fi action meets steamy paranormal romance in Gini Koch s Alien novels as Katherine Kitty Katt faces off against aliens
