Now Voyager Wisconsin Warner Bros Screenplay Series:

Now, Voyager Casey Robinson, 1984 Screenplay of motion picture *The Wisconsin/Warner Bros. Screenplay Series*, 1989 Now, Voyager Olive Higgins Prouty, 2021-06-02 The iconic American melodrama that inspired the 1943 cult classic film starring Bette Davis Charlotte Vale a timeless and very sophisticated Cinderella Patricia Gaffney New York Times bestselling author Don't let's ask for the moon We have the stars The film *Now Voyager* concludes with these famous words which reaffirmed Bette Davis's own stardom and changed the way Americans smoked cigarettes But few fans of this rich story know its source Olive Higgins Prouty's 1941 novel provides a rich complex portrait of the inner life of its protagonist and the society she inhabits Over half a century later it still offers fresh and quietly radical takes on psychiatric treatment traditional family life female desire and women's agency Boston blueblood Charlotte Vale has led an unhappy sheltered life Dowdy repressed and pushing forty Charlotte finds salvation in the unlikely form of a nervous breakdown placing her at a sanitarium where she undergoes treatment to rebuild her ravaged self esteem and uncover her true intelligence and charm *Femmes Fatales* restores to print the best of women's writing in the classic pulp genres of the mid 20th century From mystery to hard boiled noir to taboo lesbian romance these rediscovered queens of pulp offer subversive perspectives on a turbulent era Like the film it inspired Olive Higgins Prouty's *Now Voyager* is as striking for the conventions it bucks as for the ones it embraces a vivid reminder of a time when people crossed the ocean in liners and wore hats and a hymn to an American ideal of social moral and emotional independence David Leavitt author of *Shelter in Place* The Child in Cinema Karen Lury, 2022-08-25 This book brings together a host of internationally recognised scholars to provide an interdisciplinary perspective on the representation of the child in cinema Individual chapters examine how children appear across a broad range of films including *Badlands* 1973 *Ratcatcher* 1999 *Boyhood* 2014 *My Neighbour Totoro* 1988 and *Howl's Moving Castle* 2004 They also consider the depiction of children in non fiction and non theatrical films including the documentaries *tre et Avoir* 2002 and *Capturing the Friedmans* 2003 art installations and public information films Through a close analysis of these films contributors examine the spaces and places children inhabit and imagine a concern for children's rights and agency the affective power of the child as a locus for memory and history and the complexity and ambiguity of the child figure itself The essays also argue the global reach of cinema featuring children including analyses of films from the former Yugoslavia Brazil and India as well as exploring the labour of the child both in front of and behind the camera as actors and filmmakers In doing so the book provides an in depth look into the nature of child performance on screen across a diverse range of cinemas and film making practices **The New Film History** J. Chapman, M. Glancy, S. Harper, 2007-04-25 The first major overview of the field of film history in twenty years this book offers a wide ranging account of the methods sources and approaches used by modern film historians The key areas of research are analysed alongside detailed case studies centred on well known American Australian British and European films **The Woman's Film of the 1940s** Alison L. McKee, 2014-04-03 This

book explores the relationship among gender desire and narrative in 1940s woman s films which negotiate the terrain between public history and private experience The woman s film and other form of cinematic melodrama have often been understood as positioning themselves outside history and this book challenges and modifies that understanding contextualizing the films it considers against the backdrop of World War II In addition in paying tribute to and departing from earlier feminist formulations about gendered spectatorship in cinema McKee argues that such models emphasized a masculine centered gaze at the inadvertent expense of understanding other possible modes of identification and gender expression in classical narrative cinema She proposes ways of understanding gender and narrative based in part on literary narrative theory and ultimately works toward a notion of an androgynous spectatorship and mode of interpretation in the 1940s woman s film

Music by Max Steiner Steven C. Smith,2020 In this biography the author interweaves the dramatic incidents of Steiner s personal life with an accessible exploration of his composing methods and experiences

The Makeover in Movies Elizabeth A. Ford,Deborah C. Mitchell,2004-04-14 The plots of many films pivot on the moment when a dowdy girl with bad hair ill fitting outdated clothing and thick glasses is changed into an almost unrecognizable glamour girl Makeover scenes such as these are examined beginning with 1942 s Now Voyager The study examines whether the film makeover is voluntary or involuntary whether it is always successful how much screen time it takes up where in the narrative structure it falls and how the scene is actually filmed Films with a Pygmalion theme such as My Fair Lady Vertigo and Shampoo are examined in terms of gender relations whether the man is content with his creation and what sort of woman is the ideal Some films publicity capitalizes on a glamorous star s choice to play an unattractive character as discussed in a chapter examining stars like Bette Davis Meryl Streep and Cameron Diaz Topics also include folk literature s Cinderella tale men as the inspiration for makeovers in teen flicks films like Clueless She s All That and Me Natalie and class repositioning in such movies as Working Girl Pretty Woman and Grease Photographs are presented in a before after format showing the change in the madeover character

Little Caesar Francis Edwards Faragoh,1981 Screenplay by Francis Edwards Faragoh from the novel by W

The Public Enemy Harvey Thew,1981 The Public Enemy a 1931 Warner Brothers gangster classic is easily remembered as the movie in which James Cagney used Mae Clarke s nose as a grapefruit grinder As Cagney recalls it was just about the first time that a woman had been treated like a broad on the screen instead of like a delicate flower The ambivalence toward women is just one of the many stylistic contradictions that make The Public Enemy worth studying not only for its intrinsic merits but also as a creative expression bending under the constraints of censorship

Dark Victory Casey Robinson,1981 Dark Victory released in 1939 was a daring movie for its time it depicted its heroine Bette Davis dying of a brain tumor The film blended romance and realism so successfully that it is still a model for movies about death and dying today Bette Davis drew upon every mood she had ever expressed insouciance impatience anger passion acquiescence She worked hard at the role reveling in a story that according to her account she had actively

campaigned for She also benefited greatly by the professional talents of director Edmund Goulding and screenwriter Casey Robinson and a supporting cast that included Humphrey Bogart **Yankee Doodle Dandy** Patrick McGilligan,1981 The 1942 smash musical hit Yankee Doodle Dandy has long remained a favorite among audiences and film buffs Ostensibly the story of Mr Broadway George M Cohan the movie evolved in its making into one of Warners trademark biopics and a showcase for the singing and dancing talents of James Cagney This book includes the complete screenplay United Artists, Volume 2, 1951-1978 Tino Balio,2009-04-08 In this second volume of Tino Balio s history of United Artists he examines the turnaround of the company in the hands of Arthur Krim and Robert Benjamin in the 1950s when United Artists devised a successful strategy based on the financing and distribution of independent production that transformed the company into an industry leader Drawing on corporate records and interviews Balio follows United Artists through its merger with Transamerica in the 1960s and its sale to MGM after the financial debacle of the film Heaven s Gate With its attention to the role of film as both an art form and an economic institution United Artists The Company That Changed the Film Industry is an indispensable study of one company s fortunes from the 1950s to the 1980s and a clear eyed analysis of the film industry as a whole This edition includes an expanded introduction that examines the history of United Artists from 1978 to 2008 as well as an account of Arthur Krim s attempt to mirror UA s success at Orion Pictures from 1978 to 1991 **Engenderings** Naomi Scheman,2014-02-25 Naomi Scheman argues that the concerns of philosophy emerge not from the universal human condition but from conditions of privilege Her books represents a powerful challenge to the notion that gender makes no difference in the construction of philosophical reasoning At the same time it criticizes the narrow focus of most feminist theorizing and calls for a more inclusive form of inquiry **Mildred Pierce** Ranald MacDougall,1980 Mildred Pierce had gorgeous legs a way with a skillet and a bone deep core of toughness She used those attributes to survive a divorce and poverty and to claw her way out of the lower middle class But Mildred also had two weaknesses a yen for shiftless men and an unreasoning devotion to a monstrous daughter **Juárez** John Huston,Aeneas MacKenzie,Wolfgang Reinhardt,1983 Ju rez was Warner Brothers cinematic attempt to answer the major international question of the 1930s would democracy or dictatorship prevail The film was meant to be an ideologically clear cut statement against fascism The ways in which this artistic propaganda backfired make Ju rez a significant historical document for students of film Latin American history and U S foreign relations Book jacket **Mission to Moscow** David Holbrook Culbert,1980 Screenplay **42nd Street** Rian James,James Seymour,1980 Screenplay **The Sea Hawk** Howard Koch,1982 Screenplay **I Am a Fugitive from a Chain Gang** Howard J. Green,Brown Holmes,Sheridan Gibney,1981 Since its release in 1932 I Am a Fugitive From a Chain Gang had earned a reputation as one of the few Hollywood products that can be associated directly with social change Film historians attribute the reform of the southern chain gang system to the public outrage generated by this movie which depicts a true story In addition to being an important social document the film remains a gripping experience for filmgoers

today because of its unusual dramatic conception its hauntingly inconclusive ending and Paul Muni's performance as the good boy forced to go wrong This book includes the complete screenplay
