from Jesus teaching about who he is to teaching mainly about what his church is Judges Serge Frolov,2013-05-22 This commentary is the eighteenth published volume in The Forms of the Old Testament Literature FOTL a series that aims to present a form critical analysis of the books and units in the Hebrew Bible Serge Frolov s valuable study of Judges addressing both synchronic and diachronic perspectives offers the first full scale form critical treatment of Judges since 1922 and represents an important application of form criticism as practiced today Fundamentally exegetical Frolov s work examines the structure genre setting and intention of Judges Focusing on the canonical Hebrew text Frolov argues that what we know as the book of Judges is not a literary unit but rather a series of interconnected units that are for the most part closely linked to adjoining books In particular he shows how the sequence apostasy oppression repentance deliverance traverses the boundary between Judges and Samuel Frolov also analyzes the history behind the form critical discussion of this book and exposes the exegetical process so as to enable students and pastors to engage in their own analysis and interpretation of Judges *Bible Translation* Timothy Wilt,2014-04-08 This book offers a broad based contemporary perspective on Bible

translation in terms of academic areas foundational to the endeavor translation studies communication theory linguistics cultural studies biblical studies and literary and rhetorical studies The discussion of each area is geared towards non specialists to introduce them to notions trends and tools that can contribute to their understanding of translation The Bible translator is encouraged to appreciate various approaches to translation in view of the wide variety of communicative organizational and sociocultural situations in which translation occurs However literary representation of the Scriptures receives special attention since it has been neglected in earlier influential works on Bible translation In addition to useful introductory and concluding sections the book consists of six chapters Scripture Translation in the Era of Translation Studies Translation and Communication The Role of Culture in Communication Advances in Linguistic Theory and their Relevancy to Translation Biblical Studies and Bible Translation and A Literary Approach to Biblical Text Analysis and Translation The authors are translation consultants for the United Bible Societies They have worked with translation projects in various media and in languages ranging from ones of a few hundred speakers to international ones in Africa the Americas and Asia

Find It Fast in the Bible Thomas Nelson,2000-05-06 Noticing a frequently used Bible phrase often precedes a breakthrough in understanding Scripture s teaching on key Bible topics But computer based searches and single word concordances quickly overwhelm learners with raw unconnected data This phrase concordance compiles over 5 000 Bible expressions giving their exact Scriptural quotations complete with surrounding sentences Additionally their alphabetical listing offers the chance to explore similar and related topics without starting a new search Find It Fast in the Bible presents the exact chapter and verse locations of specific passages where the same wording expresses a Bible theme such as Day of the Lord Kingdom of Heaven and I tell you the truth This handy reference resource contains Over 5 000 best loved and most used Bible phrases The New King James Version as the primary translation Cross references to other major translations NIV

NRSV KJV and NASB An alphabetical arrangement by the first word in the phrase More than 30 000 references An extensive Key Word Index These features make Find It Fast in the Bible a trusted time saving companion resource and stand alone aid for personal and group discovery *Contextual Frames of Reference in Translation* Ernst Wendland, 2014-04-08 Bible translation theory and practice rightly tend to focus on the actual text of Scripture But many diverse yet interrelated contextual factors also play an important part in the implementation of a successful translation program The aim of this coursebook is to explore in varying degrees of detail a wide range of these crucial situational variables and potential influences using a multidisciplinary approach to the task Thus in order to expand and enrich the field of vision a progressive study of this complex process of intercultural interlinguistic communication is carried out according to a set of overlapping sociocultural organizational and situational cognitive orientations These contextual factors provide a broader frame of reference for analyzing interpreting and communicating the original Scriptures in a completely new contemporary setting of transmission and reception The three dimensions are then applied in a practical way to explore the dramatic throne room vision of the Apostle John Revelation 4 5 with reference to both the original Greek text and also a modern dynamic translation in Chewa a southeastern Bantu language of Africa A variety of exercises and assignments to stimulate critical and creative reflection as well as to illustrate the theoretical development of Contextual Frames of Reference is provided every step of the way Not only is translation per se discussed but the teaching and evaluation of translated texts and versions are also considered from several points of view in the final three chapters An Appendix offers a foundational essay by Professor Lourens de Vries on the subject of primary orality and the influence of this vital factor in the crosscultural communication of the Bible
