**Reading and Understanding the Gospels** Thomas B. Lane, 2011 *Reading and Understanding the Gospels: Who Jesus Is What He Teaches and the Beginning of Christianity* This is the second volume of a three-volume series written for anyone who is interested in acquiring basic knowledge and understanding of the Bible, the book that is the foundation of Western and Middle Eastern civilizations. The first volume is titled *Reading and Understanding the Old Testament: The Foundation of Judaism, Christianity, and Islam*. The last volume will be *Reading and Understanding the Acts of the Apostles, the New Testament Letters, and the Beginning of the Church*. This second volume, like the others, uses scholarship in a practical manner, moving chapter by chapter through each Gospel, using the actual verses as it explains clearly their basic meaning for people in ancient times and our time today. The readers will experience and get a complete sense of the content and meaning of Matthew, Mark, Luke, and John, the Gospels that Christians call inspired writings. Like the first volume on the Old Testament, the author integrates the historical and the literary with the theological in order to highlight the meaning of each Gospel. Once again, the author has taken a difficult subject, made it easy to read, and filled it with challenging insights. This book is strongly recommended not just for Christians but for those who are interested in knowing what the first Christians said about Jesus, what he taught, and how Christianity began.

**Exhaustive Concordance** Thomas Nelson Publishers,1991 Angels Associated with Israel in the Dead Sea Scrolls

Matthew L. Walsh,2019-12-16 A well known characteristic of the sectarian Dead Sea Scrolls are their assertions that membership in the Qumran movement included present and eschatological fellowship with the angels but scholars disagree as to the precise meaning of these claims To gain a better understanding of angelic fellowship at Qumran Matthew L Walsh utilizes the early Jewish concept that certain angels were closely associated with Israel Moreover these angels which included guardians and priests were envisioned within apocalyptic worldviews that assumed that realities on earth corresponded to those of the heavenly realm A comparison of non sectarian texts with sectarian compositions reveals that the Qumran movement s lofty assertions of communion with the guardians and priests of heavenly Israel would have made a significant contribution to their identity as the true Israel **The Johannine Footwashing as the Sign of Perfect Love**

presentation page and a ribbon     *Jesus, Deliver Us* Willard M. Swartley, 2019-06-04 Deliver us from the evil one is the heart's cry from the Lord's Prayer. Evil wears many faces in our modern world. This book connects the Lord's Prayer to troubles of our times, be it attacks from Satan, the wars around the world, the scourge of racism, or the mass shootings of our time. The subtitle of the book identifies the scope. This book blends both deliverance from demonic bondage and witness to the powers in relation to political policies and government. While the book aims to be a biblical theology on these topics, it seeks also to address the praxis: how these evils are confronted through healing deliverance ministries and what people of God say and do in witness to the powers. The two streams of response to evil are really one: as a faithful response to the saving work of the Lord God Almighty through Jesus Christ's victory over Satan, sin, evil, and death. Love your enemy confronts evil with power to transform.
