Nuclear Weapons And British Strategic Planning 1955 1958

Wyn Rees

Nuclear Weapons And British Strategic Planning 1955 1958:

Nuclear Weapons and British Strategic Planning, 1955-1958 Martin S. Navias, 1991 During the 1950s nuclear weapons began to play an increasingly important role in Britain's defence policy The development of thermonuclear bombs and assessments of the great destruction that would result from an exchange of nuclear warheads helped alter Britain's planning for war and influenced the structure and deployment of her armed forces In this study Martin Navias seeks to analyse the significance of the 1957 White Paper on Defence in the context of British strategic planning during the mid 1950s He assesses claims that the White Paper represented a culmination of trends already prevalent in British defence planning discusses whether the basis for a truly independent deterrent was established during 1955-6 and identifies continuities and discontinuities in strategic policies A major theme throughout is the relationship between nuclear deterrence and the shape and size of conventional forces Before Duncan Sandys became Minister of Defence that ministry seemed unable to impose itself on the service departments Sandys however was able to override many traditional service preferences The result was the adoption of a British New Look conventional forces were reduced greater relative importance was placed on the nuclear deterrent but once more the requirements of a truly independent deterrent did not receive priority

Nuclear Weapons and British Strategic Planning, 1955-1958 Martin S. Navias, 1991 During the 1950s nuclear weapons began to play an increasingly important role in Britain's defence policy This study analyzes the significance of the 1957 Defence White Paper in the context of British strategic planning

The Official History of the UK Strategic Nuclear Deterrent Matthew Jones, 2017-05-12 Volume II of The Official History of the UK Strategic Nuclear Deterrent provides an authoritative and in depth examination of the British government's strategic nuclear policy from 1964 to 1970 Written with full access to the UK documentary record Volume II examines the controversies that developed over nuclear policy following the arrival in office of a Labour government led by Harold Wilson in October 1964 that openly questioned the independence of the deterrent Having decided to preserve the Polaris programme Labour ministers were nevertheless committed not to develop another generation of nuclear weapons beyond those in the pipeline placing major doubts over the long term future of the nuclear programme and collaboration with the United States Defence planners also became increasingly concerned that the deployment of Soviet anti ballistic missile ABM defences around Moscow threatened to undermine the ability of Polaris to fulfil its role as a national strategic nuclear deterrent During 1967 under heavy pressures to control defence spending a protracted debate was conducted within Whitehall over the future of Polaris and how to respond to the evolving ABM challenge The volume concludes with Labour's defeat at the general election of June 1970 by which time the Royal Navy had assumed the nuclear deterrent role from the RAF and plans had already been formulated for a UK project to improve Polaris which could both ensure its continuing credibility and rejuvenate the Anglo American nuclear relationship This book will be of much interest to students of British politics Cold War history nuclear proliferation and international relations

Anglo-American

Approaches to Alliance Security, 1955-60 W. Rees, 1996-02-05 This book looks at the attitudes and policies of the United States and United Kingdom in the late 1950s towards the three major alliances in Europe the Middle East and South East Asia Drawing upon a wealth of archival material it analyses both the military relationship between the US and UK and the extent to which these two countries were prepared to cooperate with their allies in countering the threats to Western security

The United States, Norway and the Cold War, 1954-60 Mats R Berdal, 2016-07-27 This study examines Norway's place in the strategic policies of the Eisenhower administration It is concerned above all with the operational level of American policy as expressed through the activities and war plans of government agencies and armed services It sheds new light on US intelligence activities and cooperation with Norway and Nordic countries including the U 2 incident the evolution of US forward maritime strategy in the Atlantic and on planning for strategic air operations in the event of war

Eisenhower and Adenauer Steven Brady, 2010-01-01 This book addresses the US West German alliance in the 1950s during which time Dwight Eisenhower was in the White House and Konrad Adenauer in the Federal Chancery This is a unique multi lateral multi archival work that analyzes the dilemmas and ultimate successes of the Cold War alliance that was most crucial for Western Europe during the early years of the Cold War

Thor Ballistic Missile John Boyes, 2017-05-17
The Treasury and British Public Policy 1906-1959 G. C. Peden, 2000-03-02 This authoritative history of the Treasury provides a new perspective on public policy making in the twentieth century as it explores the role and functions of the Chancellor of the Exchequer and the consequent implications for the changing role of the Treasury As the central department in British government the Treasury plays a key role in decisions on public expenditure and on raising taxes and loans Professor Peden traces the development of the Treasury's responsibility for managing the national economy and looks at how it became increasingly involved in international relations from the time of the First World War In further examining the relations between ministers and their official advisers this history explores the growing influence of economists in Whitehall

A History of the Peoples of the British Isles Thomas Heyck, 2019-06-19 Volume III deals with the long twentieth century Its main themes are the contraction of British industrial power and the shift to a service based economy the decline of Victorianism and the rise of Modernism the climax of class society between the wars and the blurring of class lines after the 1960s the impact of two world wars the decline of British power and the empire the partition of Ireland the devolution of power to Wales and Scotland

The Anglo-American Military Relationship Wyn Rees, 2024-02-19 The Anglo American Military Relationship explores military cooperation since the end of the Cold War Much of the literature on the Anglo American Special Relationship has focused on the personal linkages between American Presidents and British Prime Ministers This book argues that much of what is special between the two countries has resided in their military cooperation This has provided the ballast that has underpinned other aspects of the political and economic relationship and given it durability The book focuses on how the British armed services have worked alongside a superpower in both peacetime and

conflict This military cooperation has been a challenging task not least because it has occurred within a dynamic strategic context in which the nature of conflict has been evolving British armed forces have engaged with their American allies in high intensity warfare as well as in developing military doctrines to address insurgency peace enforcement and nation building tasks Working so closely with the US military has generated risks as well as benefits for Britain s armed forces It has led them to engage in tasks that have weighed heavily upon their resources and has resulted in numerous tensions between the two sides

Polaris Keith Hall,2018-06-11 Between 15 June 1968 and 13 May 1996 the Polaris submarines of the 10th Submarine Squadron carried out a total of 229 patrols travelling over 2 million miles Wherever you sit on the nuclear debate it makes an impressive tale delivered on time and on budget essentially by a small group of naval officers and civil servants the Polaris programme ensured that Britain had a Continuous at Sea Deterrence for twenty eight years Polaris is not just the history of the weapons submarines and politicians it is the history of those who were there Combining through history with personal memories and photographs Keith Hall has created a long lasting legacy to a fascinating project and provided an insight into a world that no longer exists

The Royal Air Force John Buckley,Paul Beaver,2018-06-22 In 1918 the Royal Air Force became the first major independent air force in the world Formed to serve a strategic need in the most intensive war that Britain had then fought the RAF continued in the inter war era to play a key role in the political and diplomatic world and in defending the Empire During the Second World War the RAF was pivotal in defending Britain from invasion in the Battle of Britain and then in leading the assault on the Axis powers most notably through the contentious bomber offensive against Germany In the post war world the RAF adapted and developed into a force to meet the needs of the United Kingdom during the Cold War the retreat from Empire and most recently in the move to coalition warfare against low intensity threats all against a backdrop of diminishing resources and shifting priorities This is the story of the RAF over the first century of its existence how it has confronted the many challenges and threats it has faced from the Luftwaffe in 1940 through the spectre of nuclear holocaust in the Cold War to the fight against terrorism in the 21st century and how it has contributed to the defence of the United Kingdom throughout that period

The Bomber In British Strategy S. J. Ball,2022-04-30 Between 1945 and 1960 Great Britain constructed a substantial nuclear armed bomber force The creation of this force had ramifications that extended well beyond the confines of military policy The process played a large part in defining relations with the United States and the belief that these bombers could replace conventional forces convinced successive British governments that Great Britain could maintain a significant global military role Originally published in 1995 and drawing on both archives and oral testimony this book analyses British strategic discourse and its influence on British foreign policy in the early decades of the Cold War

The Two Germanies and Military Security in Europe C. Bluth,2002-10-31 This original study based on documents hitherto not discussed in literature of the Cold War adds a significant new perspective to an important episode in Cold War History The subject of this book is the policy of the two

Germanies towards the talks on Mutual and Balanced Force Reductions MBFR in Europe during the 1970s Negotiations on MBFR continued for a long time without progress There has been much speculation about the motivations of the Eastern side This book makes use of newly declassified files and for the first time reveals the true purposes and intentions of the Warsaw Pact in those negotiations *Keeping the Peace in the Cyprus Crisis of 1963-64* A. James, 2001-11-28 During the Cold War the small state of Cyprus was of great strategic importance to the West Britain the United States and Nato all had valuable installations there and any armed conflict between Greek and Turkish Cypriots could easily suck two nearby Nato members Greece and Turkey into war When therefore intercommunal fighting broke out in Cyprus in December 1963 the West was deeply embarrassed This book examines the consequential efforts of first Britain and then the UN to keep the peace

The British Way in Cold Warfare Matthew Grant, 2011-10-20 By utilising the latest research readers will be given a complete picture of the way Britain fought the Cold War moving the focus away from the now familiar crises of Suez and Cuba and onto the themes that underpinned the British war strategy Intelligence civil defence and nuclear diplomacy are all examined within the context of modern British history at a time of national decline There is a growing interest in the contexts of the Cold War and this collection will establish itself as the leading volume on the UK's wartime strategy

A Companion to Dwight D. Eisenhower Chester J. Pach, 2017-04-10 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower's many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history

Man's Peril, 1954-55 Bertrand Russell, 2003 This volume signals reinvigoration of Russell the public campaigner and captures the essence of Russell's thinking about nuclear weapons and the Cold War in the mid 1950s

Richard Crossman Victoria Honeyman, 2007-12-19 Yes Minister No Minister If you wish it Minister Richard Crossman Diaries Vol 1 As a politician and personality Richard Crossman was anything but the deferential public servant he mocked so concisely This revealing biography of the dedicated radical Labour politician offers the most complete picture of his colourful life and demonstrates many fascinating connections between his political thinking and the formation of New Labour Richard Crossman served as an MP from 1945 until shortly before his death in 1974 and is remembered as a fiery speaker dedicated leftist and author of the controversial three volume Diaries of a Cabinet Minister published in the face of strong legal opposition from the government This comprehensive new biography explores the connections between his

personal history and his political convictions His life not only highlights a formative period in British politics but also gives insights into contemporary British politics Crossman s life not only highlights a formative period in British politics but also gives insights into contemporary British politics Weaving together the private and public Honeyman unveils a politician who fought with dedication for his political beliefs while persistently trying to shake up the organisation of the Labour party Over the course of his twenty five years in Parliament Crossman held various position including Leader of the House of Commons Chairman of the Labour Party and Secretary of State for Social Services In this new biography Victoria Honeyman places Crossman in the context of his party and his times while also examining his impact on the development of the Labour party Often dismissed as fickle this portrait of Crossman reveals an intellectual politician who worked with conviction for the improvement of his party and country His life not only highlights a formative period in British politics but also gives insights into contemporary British politics Crossman s chief interests included social democracy international relations and constitutional reform This biography details his tireless work on these issues and assesses his impact Rather than the Crossman of popular myth Honeyman has uncovered a dedicated politician who made serious intellectual contributions to his party s policy and whose influence is still felt today This biography is essential reading for anyone interested in British contemporary political history

NATO and the Nuclear Revolution Helga Haftendorn,1996 This is a critical analysis of the NATO crises of 1966 67 a period when a number of issues which had been developing for some time within NATO came to a head It sets out the diplomacy of the period in a broad historical context and provides detailed related case studies

Nuclear Weapons And British Strategic Planning 1955 1958 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nuclear Weapons And British Strategic Planning 1955 1958 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Nuclear Weapons And British Strategic Planning 1955 1958 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual

property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Nuclear Weapons And British Strategic Planning 1955 1958 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Nuclear Weapons And British Strategic Planning 1955 1958 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nuclear Weapons And British Strategic Planning 1955 1958 is one of the best book in our library for free trial. We provide copy of Nuclear Weapons And British Strategic Planning 1955 1958 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nuclear Weapons And British Strategic Planning 1955 1958. Where to download Nuclear Weapons And British Strategic Planning 1955 1958 online for free? Are you looking for Nuclear Weapons And British Strategic Planning 1955 1958 PDF? This is definitely going to save you time and cash in something you should think about.
