Nude Before God:

Nude before God Shiv K Kumar, 2013-05-17 Ram Krishna is an artist who paints nudes Incensed by his wife s possible infidelity and despite his own conjugal insecurities he engages in an adulterous liaison Immediately Karma strikes his wife s purported lover pushes him to his death into a flooding river Unclad of corporal existence he hovers above earth and discovers that apart from his parents dog and a few friends no one misses him Dejected he encounters Yama the Lord of Death and begins a conversation that extinguishes his own airs and affectations and makes him see that he may have been wrong about life and his wife Armed with a wry sense of humour Shiv K Kumar lays bare the questions of humanity s inescapable end plying us with a story of the afterlife that gives us new reasons to live and laugh Naked Before God Benjamin C. Withers, Jonathan Wilcox, 2003 At different times and in different places the human form has been regarded in different ways The Ancient Greeks thought it was the most admirable subject for art whereas early Christians often viewed it as lascivious in our post lapsarian state With illustrations taken from manuscripts statuary and literary this is a fascinating collection of essays with much that will be new to scholars and general Clothing and Nudity in the Hebrew Bible Christoph Berner, Manuel Schäfer, Martin Schott, Sarah readers alike Schulz, Martina Weingärtner, 2019-06-27 The volume discusses nudity and clothing in the Hebrew Bible covering anthropological theological archaeology and religious historical aspects. These aspects are addressed in three separate sections enhanced by over a hundred pictures and illustrations Part I places nudity and clothing in its ancient Israelite context with discussions of methodology the ancient Near Eastern evidence including material culture and iconography and an assessment of central aspects of the biblical material such as fabrication and uses of textiles lexicography theological and anthropological implications Part II looks at key themes such as mourning death encounters with the divine and issues of power and status Finally Part III presents several close studies of key passages from narrative prophetic and wisdom texts where clothing and nudity play an important role **Nude Before God** Shiv Kumar Kumar,1987 A Passage to Shiv K. Kumar Prabhat K. Singh, 2001 This Book Is The First Comprehensive Critical Survey That Covers The Entire Range Of Shiv K Kumar S Creative Writing His Poetry Translation Play Novels And Stories The Naked Christ Dan Lé, 2012-08-22 The cross of Christ is undeniably central to the Christian faith But how can the cruelty and brutality of a two thousand year old Roman cross touch base with a hedonistic world that has been so desensitized towards violence Within the postmodern setting of a body obsessed culture Christianity urgently requires an innovative and stimulating way of understanding the cross and its atoning significance At the heart of this book is the Naked Christ an emblem through which the author draws on the rich resources of the Christian tradition in its portrayal of the cross He explores how the metaphors of nakedness and clothing can encapsulate aspects of atonement and enable them to be understood within a variety of contemporary contexts The Naked Christ is a useful resource for anyone seeking fresh ways to express what the cross of Christ means to contemporary

culture Cannabis, Sacred and Profane Christopher Partridge, 2024-08-22 Focussing on the ways in which cannabis has been demonized sacralized and normalized Christopher Partridge analyses the complex and often difficult relationship Western societies have had with the plant since the nineteenth century After an introduction to cannabis and its uses the book discusses how and why it was constructed as a profane influence and a marker of deviance It then examines the emergence of medicinal cannabis showing how this has contributed to its normalization and even its sacralization Finally there is a discussion of sacred cannabis which looks at its use within modern occultism Rastafari and several cannabis churches Overall the book provides a cultural history of cannabis in the modern world which exposes the underlying reasons for the various and changing attitudes to this popular psychoactive substance That Famous Fig Leaf Chad W. Thompson, 2019-10-29 Nothing that God created is the source of our human temptation To the contrary The human body is the crown of God's creation consummated by his declaration that it was good That God's people are unable to view the body without sinning is not an indictment of the body itself but of the immaturity of the post modern evangelical mind We live in a culture whose inhabitants spend billions of dollars a year to see each other naked on internet sites and in pornographic films yet are often uncomfortable changing in front of each other in locker rooms or even being seen in a swimsuit on the beach Could it be that we have so profoundly fused the image of the exposed body with sexual gratification that there is no context left for it to be laid bare without evoking either shame or arousal In That Famous Fig Leaf Chad Thompson explores the spiritual implications of the physical body and surprisingly uncovers a new kind of freedom from sexual addiction along the way Chad critiques the Christian purity movement for conflating purity with prudery and reveals that changing how we esteem our bodies has the power to heal the hypersexualized body consciousness of our culture Sideswiped by Eternity Joseph Lawrence Roberts, 2006-01-01 These sermons by the pastor of Atlanta's historic Ebenezer Baptist Church demonstrate his commitment to the legacy of Martin Luther King Ir the mission of his church the lives of his parishioners and the message of Jesus Christ The Royal Law of Liberty Darwin Chandler, 2003 This book is a frontal assault on all law based obedience oriented religion Most Christians carry a load of spiritual bondage condemnation guilt and shame Some are deeply despondent and depressed because this load is too heavy for them to bear Few Christians are truly confident in their personal relationship with God This situation exists because 1 Christians are generally unable to distinguish between actual sin versus mere human opinion about sin 2 Christians do not understand that Jesus set them free from obedience based religion 3 Christians do not know how to decide for themselves what is truly moral 4 Christians have no real experience of Christian Liberty These issues are examined in sufficient detail to enable one to understand the radical nature of the freedom for which Christ set us free Gal 5 1 The author's goal is to destroy the roots of religious legalism so Christian believers can live the life of freedom which is their spiritual blood right Beginning with a development of the Master Key to Biblical morality the nature and implications of Christ's Law of Love are thoroughly explored Next the author discusses the true

nature of morality answering the question What exactly makes a thing sinful Careful attention is given to the concept of defilement or uncleanness with a bold look at Paul's revolutionary statement that nothing is unclean of itself Rom 14 14 20 In Part Three Legalism is exposed in all its ugliness This section details the Biblical method for determining what is truly sin and what is merely human opinion Part Four destroys the bitter root of Legalism with persistent emphasis on the fact that Jesus Christ ended the rule of law by His life death and resurrection Part Five looks at the theology of Galatians the Christian s Emancipation Proclamation closing with pointed illustration of how this all affects a Christian's liberty to exercise personal choice in what s he will or won t do Five appendices explore several specific issues raised by the preceding study These include Conclusions About Christian Liberty Contradictory Scriptures Christian Liberty and Sexual Issues The Necessity Of Experiencing Freedom The Non Negotiables of Bible Study This is the only book on Christian Freedom written by an ex Fundamentalist The author was raised in an atmosphere of extreme legalism The first half of his Christian ministry was spent preaching defending and even debating the concepts that he now seeks to destroy The author lived in legalism forty years He understands legalism He therefore knows how to attack its vulnerable spots His goal was not to write a book but to give to anyone who is interested information that will set them free from bondage to legalism and open the pathway to self government under the rule of love For more information on spiritual freedom visit the author's website www freedomguide Dante & the Unorthodox James Miller, 2006-01-01 During his lifetime Dante was condemned as corrupt and banned from Florence on pain of death But in 1329 eight years after his death he was again viciously condemned this time as a heretic and false prophet by Friar Guido Vernani From Vernani s inquisitorial viewpoint the author of the Commedia seduced his readers by offering them a vessel of demonic poison mixed with poetic fantasies designed to destroy the healthful truth of Catholicism Thanks to such pious vituperations a sulphurous fume of unorthodoxy has persistently clung to the mantle of Dante s poetic fame The primary critical purpose of Dante the Unorthodox is to examine the aesthetic impulses behind the theological and political reasons for Dante's allegory of mid life divergence from the papally prescribed way of salvation Marking the septicentennial of his exile the book s eighteen critical essays three excerpts from an allegorical drama and a portfolio of fourteen contemporary artworks address the issue of the poet's conflicted relation to orthodoxy By bringing the unorthodox out of the realm of secret things by uncensoring them at every turn Dante dared to oppose the censorious regime of Latin Christianity with a transgressive zeal more threatening to papal authority than the demonic hostility feared by Friar Vernani Encyclopedia of Post-Colonial Literatures in English Eugene Benson, 2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide The Meanings of Nudity in Medieval Art Sherry C.
