**Yesterday's Faces, Volume 2** Robert Sampson, 1984 The second volume within this series presents more than fifty series characters within pulp fiction selected to represent four popular story types from the 1907-1939 pulps: scientific detectives, occult and psychic investigators, jungle men, and adventurers in interplanetary romance. Some characters, Tarzan, John Carter of Mars, Craig Kennedy, Anthony Buck, Rogers, became internationally known. Others are now almost forgotten except by collectors and specialists. [An Index to the Advocate](#), 1987 [Back to Life, Back to Normality: Volume 2](#) Douglas Turkington, Helen M. Spencer, 2018-11-29 What do I do when my son or daughter appears to be hallucinating, paranoid, or has stopped looking after themselves? Written for family members and friends of those who suffer from schizophrenia and other psychoses, *Back to Life, Back to Normality 2* describes the typical symptoms and problems of those suffering from psychotic disorders and discusses how a relative can best listen, interact, and communicate their support. Research conducted by authors Douglas Turkington and Helen Spencer has shown that individuals without psychiatric training and qualifications can easily learn and safely use some basic cognitive behavioural therapy (CBT) techniques to help communicate effectively and provide support to their loved one suffering from psychosis. These techniques are described and illustrated with examples throughout this book to allow carers to learn how to provide the best possible support and help facilitate a recovery for those suffering. **Naughty, Naughty, No More Potty! At the age of twenty-five, he still lives with his overbearing yet emotionally distant parents, and he has no job. Well, at least not one he gets paid for. Most nights, he is out with his friend and mentor, Cooper, fending off whatever monster or demon that has dragged itself up from Hell. Quinn enjoys his work, and he's damn good at it, even if he puts his life on the line every night. That is, until he becomes distracted by his new therapist, Dr. Franklin Harper, who has some issues of his own. He is newly qualified and wet behind the ears. After the brutal murder of his parents, he has moved to a new town in the hope of tracking down the monster that killed them and exacting his revenge. The only problem is he's harboring a dark secret of his own. Could Quinn be the first person in his life he's able to do it with? *Waking the Demon* Matthew Murray is a typical bartender, undervalued and overworked. Living in Illinois was a stopgap whilst he made himself some money to make it big, but that never happened. After a hard shift, Matt locks The Pound, but just as he's

But it did violate the protocols of mutual fair dealing between publishers and authors Those publications provoked an unprecedented international protest of writers publishers and intellectuals who eventually vilified Roth on two continents Roth was a man with an uncanny ability to recognize good contemporary writing and make it accessible to popular audiences Ultimately his dedication to the publication of these works broke down many of the censorship laws of the time though he suffered greatly for his efforts His story portrays a struggle with literary censorship in the mid twentieth century while providing insights into how modernism was marketed in America
