Phoenix The Carpet:

The Phoenix and the Carpet Edith Nesbit, 1959 It's startling enough to have a Phoenix hatch in your house but even more startling when it reveals you have a magic carpet on the floor Conceited it may be but the Phoenix is also good hearted and obligingly accompanies the children on their adventures through time and space which magic being what it is rarely turn out as they were meant

The Phoenix and the Carpet Edith Nesbit, 2017-11-15 THE BIRD ROSE in its nest of fire stretched its wings and flew out into the room It flew round and round and round again and where it passed the air was warm Then it perched on the fender The children looked at each other Then Cyril put out a hand towards the bird It put its head on one side and looked up at him as you may have seen a parrot do when it is just going to speak so that the children were hardly astonished at all when it said Be careful I am not nearly cool yet They were not astonished but they were very very much interested They looked at the bird and it was certainly worth looking at Its feathers were like gold It was about as large as a bantam only its beak was not at all bantam shaped I believe I know what it is said Robert I've seen a picture He hurried away A hasty dash and scramble among the papers on father's study table yielded as the sum books say the desired result But when he came back into the room holding out a paper and crying I say look here the others all said Hush and he hushed obediently and instantly for the bird was speaking Which of you it was saying put the egg into the fire He did said three voices and three fingers pointed at Robert The bird bowed at least it was more like that than anything else I am your grateful debtor it said with a highbred air The children were all choking with wonder and curiosity all except Robert He held the paper in his hand and he KNEW He said so He said I know who you are And he opened and displayed a printed paper at the head of which was a little picture of a bird sitting in a nest of flames You are the PHOENIX said Robert and the bird was quite pleased My fame has lived then for two thousand years it said Allow me to look at my portrait It looked at the page which Robert kneeling down spread out in the fender and said It's not a flattering likeness And what are these characters it asked pointing to the printed part
