Today I Choose-an 18 Day Prayer Guide for Believers Christopher Blanton,2008-10 This 18 day prayer guide captures beautiful and powerful scriptures from the Bible to inspire a greater commitment to God *30 Days to a More Dynamic Prayer Life* John Franklin,2014-02-27 God created prayer as a personal intimate way for us to connect to talk to and listen to Him But how many times have you felt like the prayer culture at your church is inconsistent at best This thirty day leaders resource ties solid biblical teaching with practical ways on how to make prayer a lifestyle habit Author and pastor John Franklin will equip and challenge your church not only to develop an enjoyable prayer life but also to help you get to know your Heavenly Father better Includes basics on Focusing on God Responding from the heart Seeking His kingdom **Power Praying** David Chotka,2013-02-05 With 2 000 years of commentary and writings on the Lord s Prayer is it possible to glean anything new Power Praying proves the answer is yes Unique and transformational describe the content of this personal or group study You will be excited and challenged as you dig deeply into this model prayer Learn to tap into the same power through prayer that was displayed in Jesus ministry Power Praying can be used as an individual read or in a group study Divided into 8 weeks each week looks at a phrase from the Lord s Prayer and provides helpful suggestions on including its principles in your own prayer life Let's Begin With Prayer Mitch Finley,2016-09-30 Let s begin with prayer Whether spoken by a student teacher or principal these words signal the beginning of the school day in many Catholic schools The ques tion is what comes next Let s Begin With Prayer offers an eloquent and practical answer 130 brief prayers specifically designed for use in Catholic junior and senior high schools are offered here prayers that are grounded in the Catholic tradition while reflecting the concerns of today s Catholic school community The prayers are divided into three sections Prayers for Holy Days and Holidays are for the days that regularly appear on our calendars from saints days to national holidays Prayers for Special Days address special events in the school community Here you ll find everything from a prayer To Welcome New Students to a prayer Before a Championship Game Of special interest here is a section of prayers for difficult occasions such as the death of a classmate A third section Prayers for Ordinary Days offers possibilities for the average day which is the biggest part of school life Included here are prayers for development of Christian character prayers for specific groups within the school community and prayers for larger world concerns A final section offers six full prayer services These brief but meaningful services for occasions such as the beginning and end of the school year provide a way to gather students together for more focused attention to the spiritual dimension Let s Begin With Prayer will be a welcome resource for anyone attempting to incorporate regular meaningful prayer into the hubbub of Catholic school life in Catholic junior and senior high schools *Choose Wisely - A 31 Day Devotional: Learn How to Make Choices to Transform Your Life* Debby Sibert,2021-04-22 Have you found that some of the many choices you make on a daily basis have become habits that don t serve you well We have to become intentional about avoiding those poor choices to experience a better way of life Do

you want to make a positive impact and leave the world around you a bit better than you found it. Then let's choose to make wiser decisions remembering that words matter, character counts, and our conduct. What we think, say, and do reveals our heart. The purpose of this 31-day devotional series is to help us all focus on godly characteristics and attributes that can become a daily part of our character and equip us to make wise choices. When we make wise choices based on God's Word, they will bring us the satisfaction in life that we all long for, which will gradually transform our lifestyle into one that will be an example for others and point them to Christ. My goal in this series is to help you fall in love with Jesus in a new and fresh way as we discuss all these character qualities that He modeled for us in the Scriptures. As we focus our attention on His attributes and embrace an eternal perspective, imitating what He modeled for us, the more we will think and act like Him. Isn't that awesome? We become like those with whom we spend the most time. The way we think affects how we feel, and how we feel affects the way we behave. If we want to change the way we act, we must go back and change our thoughts and choices. We are only as close to God as we choose to be. Keep in mind, God gives us the freedom to make choices; however, we have to deal with and don't get to choose the consequences of both the good and bad choices we make. Jesus chose to die for us. The least we can do is to choose to live for Him. I am so thankful for Debby Sibert for her writing, for her teaching, and for her life. She is the real deal. She loves God's Word, and she loves helping people experience abundant life according to God's good design. You will be blessed, encouraged, challenged, and ultimately changed by God's grace through her. David Platt, New York Times Best Selling Author, Lead Pastor, McLean Bible Church.

Choose You This Day Dick Derksen, The Derksen family has come to Wuestenfelde as refugees from Friesland, Mennonites that have fled the persecution of all Anabaptists primarily due to the debacle of their takeover of Muenster in north Germany. Misguided followers of Melchior Hoffmann, a bombastic preacher that everyone loved to hate, had taken over this city to make it the beginning of the Kingdom of Christ on earth, with Jan of Leyden serving as King. David Menno Simon, a priest in Friesland whose brother had been burned to death when he and 300 other Anabaptists fled to a monastery for refuge, decided that this was not the way to fulfill the scriptures, so he converted to Anabaptism too and became the spiritual guide to a movement that eventually bore his name: first Mennists, then Mennonites. Baron von Ahlefeld took them into his estate north of Hamburg at Bad Oldesloe, where he gave them the outlying village of Wuestenfelde for themselves. Menno Simon joins them there. Jacob Derksen, the fictitious progenitor of the author's family, practices his trade of bricklaying on the baron's estate. His family is growing up, and each one becomes a major contributor to the story of the Mennonite struggle for survival and self-consciousness. Jacob Jr., one of his sons, begins to feature in the story as his successor, and eventually the story centers around him, his romance, and his dedication to the faith of his father. Historically, this story incorporates many of the situations common to the age, the middle of the Sixteenth Century, as the Reformation has reached its peak, persecution, martyrdom, plagues, and common illnesses that took their toll on the general population. Baron von Ahlefeld aided the story to its conclusion.
