The book offers practical advice because inspiration alone is not enough. Learn how to muster the energy to do what you need to do. Get your life back on the right path. Appreciate the wisdom of small victories. Never waste any of your power. Make your life better. Start today. You will read the stories of others who have faced and conquered overwhelming odds. You will learn how they survived and what they did with their pain afterwards. You will be inspired by the contributions they made to others turning their trauma into hope for others. You will hear the wisdom in their words and see the courage in their actions. This book includes ten tips for improving your life today. These are small but important things you can do today to make your life better. You know the big things you have to do but they can seem overwhelming. Start small.
