In each chapter Berman gives an overview of the writer's life and art before widowhood including her early preoccupation with death and then discusses the writer's memoir and her life as a widow. He discovers that writing was for all of these authors both a solace and a lifeline enabling them to maintain bonds with their lost loved ones while simultaneously moving on with their lives. These memoirs of widowhood Berman maintains reveal not only courage and resilience in the face of loss but also the critical role of writing and reading in bereavement and recovery. **The Trojan Killer BILL**

Michener, 2015-03-10 Massive beautiful unquestionably some of the best writing on Spain and the best that Mr Michener has ever done on any subject. The Wall Street Journal Spain is an immemorial land like no other one that James A Michener the Pulitzer Prize winning author and celebrated citizen of the world came to love as his own. Iberia is Michener's enduring nonfiction tribute to his cherished second home. In the fresh and vivid prose that is his trademark he not only reveals the celebrated history of bullfighters and warrior kings, painters and processions, cathedrals and olive orchards, he also shares the intimate often hidden country he came to know where the congeniality of living souls is thrust against the dark weight of history. Wild contradictory passionately beautiful this is Spain as experienced by a master writer. **A Friend In Need: A Story of the New South**
