*Puzzling Modernism in Twentieth-Century Literature* Laura Lorhan, 2025-08-01 Puzzling Modernism in Twentieth Century Literature identifies a sustained interest in puzzles such as the jigsaw and Fifteen Puzzle dating back to the 1880s in the United States and argues that puzzles appealed to modernist authors because they offer a framework for acknowledging the grim realities of modern life without sacrificing the possibility for reconnection and regaining a sense of wholeness However puzzles also participate in exclusionary discourses and advance regressive agendas particularly when

administered as intelligence tests Far more than aesthetic models then puzzles serve modernist writers as tools for revealing and frequently subverting the rhetorical ends to which these seemingly innocent and trivial pastimes have been put This volume examines how Ezra Pound T S Eliot Dorothy Parker Djuna Barnes Jean Toomer and Carson McCullers intervened in cultural debates about race gender sexuality and belonging via their selection of specific puzzles as aesthetic influences and touchstones for interrogating received ideas Geared toward specialists in twentieth century Anglo American literature this book is nonetheless accessible to undergraduates and other educated readerships Blending close reading with cultural history *Puzzling Modernism in Twentieth Century Literature* offers a nuanced view of American literary history from a time not unlike our own in which nativism intolerance and fear were endemic

*The Ready-Made Quiz* Mark Lloyd, Shane Vaughan, 2014-03-25 I love quizzes Don t win very many but I love them nevertheless There is something very rewarding in the act of trawling through the inner recesses of one s mind to find that obscure fact or dipping into the dusty mental library that houses ancient school lessons It is probably genetic My grandfather Victor Lloyd loved quizzes and crossword puzzles and published many fine quiz books in the original Pillar Publishing Dublin in the 1930s and 40s Now that I have created Pillar International Publishing I have sought to pay tribute to Granda Lloyd s enterprise with this small series of books In this particular book I have brought together my series of Ready Made Quizzes Volumes 1 to 10 The format of the book is 10 quizzes of 10 rounds of 10 questions so that the reader can pick and choose rounds to form the basis of a quiz organised for your club school charity or company The questions vary in difficulty from easy to not so easy but I have stayed away from questions that are overly obscure to allow for a greater overall feeling of inclusion competition and entertainment The questions have been set I hope without any bias towards one country s culture They can therefore be enjoyed anywhere in the quiz world I hope you enjoy the questions
