Katharine B. Wood,2015-07-04 Excerpt from Quotations for Occasions This little book is not put forth to supply an imperative demand but rather with the hope of creating one So far as is known to the writer no such compilation is in existence but the custom of using appropriate quotations on dinner menus cards invitations etc is growing and of the many who desire to use such citations not all know just where to find them This book is intended to lessen the labor of search for it is nearly as difficult to appropriate the thoughts of others as it is to invent The reader however is warned not to be too sure that the author of any quotation had in mind the subject to which it is applied here About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections
