The Quran the Final Testament the Quran the Last Testament They Don't Want You to Know Faisal Fahim,2015-07-05
This book contains a summary of The Bible The Quran and Science 2014 of Dr Maurice Bucaille The biography of prophet Muhammad pbuh An Islamic prayer book according to Quran and Sunnah and last but not least is that this book also contains The Quran Modern Science Compatible or Incompatible 2014 by Dr Zakir Naik and Mr Faisal Fahim This is an A to Z book on Islam Quran Bible Torah Science And it also includes the Islamic prayer book with a biography of the prophet This book seeks to spiritually unite by highlighting similarities in the texts It sheds new light and dispels many preconceived ideas in separating what belongs to Revelation from what is the product of error or human interpretation The Quran Modern Science Compatible or Incompatible Ever since the dawn of human life on this planet Man has always sought to understand Nature his own place in the scheme of Creation and the purpose of Life itself In this quest for Truth spanning many centuries and diverse civilizations organized religion has shaped human life and determined to a large extent the course of history While some religions have been based on books claimed by their adherents to be divinely inspired others have relied solely on human experience Al Quran the main source of the Islamic faith is a book believed by Muslims to be of completely Divine origin Muslims also believe that it contains Divine guidance for all humankind Since the message of the Quran is believed to be for all times it should be relevant to every age Does the Quran pass this test In this booklet I intend to give an objective analysis of the Muslim belief regarding the Divine origin of the Quran in the light of established scientific discoveries There was a time in the history of world civilization when miracles or what was perceived to be a miracle took precedence over human reason and logic But how do we define the term miracle A miracle is anything that takes place out of the normal course of life and for which humankind has no explanation However we must be careful before we accept something as a

miracle An article in The Times of India Mumbai in 1993 reported that a saint by the name Baba Pilot claimed to have stayed continuously submerged under water in a tank for three consecutive days and nights However when reporters wanted to examine the base of the tank of water where he claimed to have performed this miraculous feat he refused to let them do so He argued by asking as to how one could examine the womb of a mother that gives birth to a child The Baba was hiding something It as a gimmick simply to gain publicity THIS BOOK HAS MUCH MORE ADDED INFORMATION ON THE NEW DISCOVERIES OF SCIENTIFIC INFORMATION FOUND IN THE HOLY QURAN THIS INFORMATION IS ARRANGED AND ORGANIZED BY AUTHOR MR FAISAL FAHIM THE LATEST INFORMATIONS ARE ALL ADDED IN 2014 REVEIWD BY FAISAL Allah swt Says Invite to the Way of your Lord i e Islam with wisdom i e with the Divine Revelation and the Qur an and fair preaching and argue with them in a way that is better Truly your Lord knows best who has gone astray from His Path and He is the Best Aware of those who are guided Quran 16 125 From author To the people who loved reading purchasing my book Please share my book tell others about it And please write a positive review about my book on the website I really appreciate it thank you very much Sincerely Your author Mr Faisal Fahim ISLAM & THE QURAN Edward D. Andrews,2023-06-13 In his latest work ISLAM THE QURAN Examining the Quran Islamic Teachings renowned scholar Edward D Andrews delves into the intricacies of one of the world s most influential religions This comprehensive study is an exploration of Islam the Quran and their impact on our world Starting with the history of Islam Andrews expertly traces the path from Muhammad s calling to the diverse global community that follows this faith today By investigating the role of the Quran along with the hadiths and Islamic law Andrews seeks to understand Islam s principles and the interpretations that have shaped its practices over time The book further examines the Islamic teachings the concept of abrogation and the much debated topic of Jihad It critiques the teachings that contradict biblical texts and navigates through controversial areas with a scholarly precision that respects the sensitivity of the subject matter In an analysis of the Quran Andrews investigates its authenticity and supposed miracle Is it truly a divine revelation or does it stem from human conception He contrasts Quranic interpretation of Jesus and other biblical figures with those in the Bible unravelling historical and archaeological validation of the scriptures along the way From evaluating the Quran s internal harmony to understanding the meaning of Jihad the book digs deep into the heart of Islam It touches upon the various Muslim sects their religious practices and provides a comprehensive look at the punishment for apostasy in Islam In addressing frequent Muslim criticisms against the New Testament Andrews not only defends biblical accuracy but also delves into a detailed analysis of Bible difficulties offering practical procedures for resolving them Closing with an insightful examination of Islamic eschatology and the Nation of Islam and its unique beliefs the book provides a glossary of technical terms and a bibliography for further study *Tafsir of the Qur'an* Admir Kacamakovic,2020-11-08 A new and fresh study of the Holy Qur an done by a student of Islam a Tafsir that incorporates the blending of the Hadith of the Prophet Muhammad with the relevant verses of the former scriptures namely

the Old Testament or the Hebrew Bible and the New Testament or the Christian Bible for the better and clearer understanding of the Final Testament Students of Islam both Muslim and non Muslim will benefit from the different style of Tafsir of the Qur'an that explains the meaning and interpretations of its verses through the use and direct comparison of the former scriptures This new work applies E Book uses two different English language translations and transliterations in order to highlight the importance of original work being in the Arabic language and challenges of interpreting the same work correctly in more than one way The rich use of references sometimes more than once enable the student to appreciate what the meaning or the teaching or rather the wisdom of the verses in the Qur'an is As the Final Testament revealed through the last Prophet of Lord God the Creator is still being explained and examined by the best scholars of Islam and most experienced critics as well in order to be completely understood and its teachings be applied in our everyday life I wanted this effort and work of mine in this book to be a student attempt in better comprehending the all important manual of life for the human creation Muslim and non Muslim mainly Jewish and Christian readers will be able to satisfy their divine curiosity and compare and contrast what each scripture states about different events throughout prophetic history of revelation Stories about Moses and Pharaoh Jesus and the lost sheep of Israel Noah and the Ark David and his son Solomon Abraham and his sons Ishmael and Isaac creation of Adam and many others are here in a intersection of three holy books with the examples or Sunnah of the Prophet Muhammad hadith collection

QURAN the Final Testament Authorized English Version ,1992 *The Rule of the Clan* Mark S. Weiner,2013-03-12 A revealing look at the role kin based societies have played throughout history and around the world A lively wide ranging meditation on human development that offers surprising lessons for the future of modern individualism The Rule of the Clan examines the constitutional principles and cultural institutions of kin based societies from medieval Iceland to modern Pakistan Mark S Weiner an expert in constitutional law and legal history shows us that true individual freedom depends on the existence of a robust state dedicated to the public interest In the absence of a healthy state he explains humans naturally tend to create legal structures centered not on individuals but rather on extended family groups The modern liberal state makes individualism possible by keeping this powerful drive in check and we ignore the continuing threat to liberal values and institutions at our peril At the same time for modern individualism to survive liberals must also acknowledge the profound social and psychological benefits the rule of the clan provides and recognize the loss humanity sustains in its transition to modernity Masterfully argued and filled with rich historical detail Weiner's investigation speaks both to modern liberal societies and to developing nations riven by clannism including Muslim societies in the wake of the Arab Spring

and laws that underpin much of world civilization The Bible s diverse compilation from the poetically profound Psalms to the apocalyptic visions of Revelation complements the Quran s consistent voice of divine monologue known for its intricate linguistic weave and emphatic call for moral righteousness This comparative study while preserving the distinctive characteristics of each text such as the Bible s myriad authorship and historical contexts against the Quran s singular proclaimed divine authorship enables a unique literary dialogue that captures the spiritual zeitgeist of distinct yet overlapping faith communities The collective efforts of various authors compilers and translators over centuries have crystallized in these sacred scriptures offering deep insights into the religious and cultural landscape from which they emerged Behind the Bible stands a chorus of Jewish Samaritan and Christian voices evolving through time and shaped by a myriad of historical experiences In the Quran s case the revelations to the Prophet Muhammad over 23 years represent a cornerstone of Islamic tradition and jurisprudence suffused with the Prophet s own life and the socio political context of 7th century Arabia The Bible The Quran invites both scholarly examination and the personal quest of believers and non believers alike For students of theology history literature and interfaith dialogue this text provides an unparalleled resource that fosters understanding and respect across ideological divides As a nexus of faith tradition and moral inquiry it serves as a touchstone for the devout and a rich field of study for the academically curious making it an essential addition to any comprehensive library on religious studies
