The Women's Study Bible Mary J. Evans, 2009 Everyone knows about Noah, Moses, and Paul. But what about Hagar, Michal, and Priscilla, all women who had a direct influence in the story of God's people? The Bible is full of fascinating, powerful, and faithful women, as well as lessons that have unique meaning for women today. In *The Women's Study Bible*, respected Bible scholars draw out these often overlooked stories and reveal the lives of women at the time and share lessons for women of today. Separate sidebars cover topics such as midwifery, women disciples, and female images of God. *The Women's Study Bible* doesn't shy away from the difficult issues but helps readers to understand them better in both their original context and the modern world. The New Living Translation of the Bible uses inclusive language for humanity and where it is clear that both male and female are meant to be included. Book Jacket
