Racecourses Of Great Britain:

Horse Racing in Britain and Ireland Anne Holland, 2014-09-10 Often called the sport of kings horse racing dates back at least to the chariot races of the ancient Olympic Games Arriving in Britain with the Romans in the first century BC its popularity among the elite led to the breeding of thoroughbred racehorses and prompted the establishment of a formal racing calendar with flat races and steeple chases at a plethora of dedicated racecourses throughout the country Now no longer restricted to the aristocracy a day at the races has become a perennial highlight of the social calendar Shedding new light on this increasingly popular equestrian sport Anne Holland here explores the broad history of horse racing from the horses jockeys and racecourses to the practice of bookmaking and those in the audience *The Complete Statutes of England, Classified and Annotated* Great Britain, 1929 *The Complete Statutes of England* Great Britain, 1929

Racecourses of Great Britain James Gill, 1975 [Encyclopedia of British Horse Racing](#) Dr Joyce Kay, Professor Wray Vamplew, 2012-10-02 The Encyclopedia of British Horse Racing offers an innovative approach to one of Britain's oldest sports While it considers the traditional themes of gambling and breeding and contains biographies of human personalities and equine stars it also devotes significant space to neglected areas Entries include social economic and political forces that have influenced racing controversial historical and current issues legal and illegal gambling and racing finance the British impact on world horseracing history and heritage of horseracing links between horse racing and the arts media and technology human and equine biographies venues associated with racing horseracing websites The Encyclopedia of British Horse Racing provides a unique source of information and will be of great interest to sports historians as well as all those whose work or leisure brings them into the world of racing [Sport in Britain](#) Richard William Cox, 1991 **Great Britain '94** Fodor's, Fodor's Travel Publications, Inc. Staff, 1993 *Britain*, 1974 **The Rivers of Great Britain**, 1897 *The Sussex County Magazine*, 1929 [On-course horserace betting](#) Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee, 2008-01-23 In course horserace bookmaking has undergone substantial regulatory reform since the enactment of the Gambling Act 2005 PGA 2005 Chp 19 ISBN 9780105419051 In particular the reform of allocating on course horserace bookmakers pitches the physical position each bookmaker occupies on the racecourse This issue has been the subject of a dispute particularly since a certain number of bookmakers have bought what they believe is an existing tenure in perpetuity on a bookmakers list The Gambling Act also removed the requirement of horse racecourses to obtain a certificate of approval in order to operate This also removed the five times rule which capped the charge to a bookmaker for admission to an enclosure at five times the amount of the highest charge to members of the public for admission to that enclosure a development the Committee approves With the removal of certificates of approval by the Act this also removed the mechanism which ensured that racecourses observed bookmakers lists where bookmakers that attend the racecourse are entitled to pick their pitch position in accordance with their respective list position The Gambling Act has enabled

racecourses and bookmakers to enter into commercial arrangements for the pricing and allocation of pitch positions The Committee though does welcome the efforts of bookmakers and racecourses to agree new arrangements for the administration and regulation of on course betting and the establishment of the new working party to consider the issue of pitch positions The Committee believes that if racecourses wish to move to a fully commercial relationship for the allocation and pricing of pitch positions compensation should be made available for those who purchased a list position under the system of certificate of approval If the racecourses and bookmakers cannot reach a commercial arrangement over pitches the Committee believes the system of bookmakers lists under the certificate of approval should be reimposed
