Racism and Anti-Racism Today Amanuel Elias,2024-05-02 Acknowledging efforts to dismantle racism at multiple levels this book examines racism and anti racism as interconnected rather than isolated issues proposing a framework for effective anti racist policy and practice

Reshaping the University Rauna Kuokkanen,2011-11-01 In the past few decades the narrow intellectual foundations of the university have come under serious scrutiny Previously marginalized groups have called for improved access to the institution and full inclusion in the curriculum Reshaping the University is a timely thorough and original interrogation of academic practices It moves beyond current analyses of cultural conflicts and discrimination in academic institutions to provide an indigenous postcolonial critique of the modern university Rauna Kuokkanen argues that attempts by universities to be inclusive are unsuccessful because they do not embrace indigenous worldviews Programs established to act as bridges between mainstream and indigenous cultures ignore their ontological and epistemic differences and while offering support and assistance place the responsibility of adapting wholly on the student Indigenous students and staff are expected to leave behind their cultural perspectives and epistemes in order to adopt Western values Reshaping the University advocates a radical shift in the approach to cultural conflicts within the academy and proposes a new logic grounded in principles central to indigenous philosophies

Perspectives on Racism and the Human Services Sector Carl E. James,1996-01-01 Today s social services agencies are faced with the challenge of responding to the diverse needs and expectations of a growing multicultural population This volume examines race and racism in Canada from historical and contemporary perspectives and explores the extent to which these factors operate within social services systems related to immigration settlement the justice system health and education The contributors including practitioners educators and policy makers argue for specific changes in current approaches to service delivery and provide practical suggestions for services that make it possible for various communities to be served more effectively The collection also proposes an anti racism approach to service provision to produce a system that is beneficial to all Canadians particularly Aboriginals and racial and ethnic minorities

Racism Albert J. Wheeler,2000 Of all mankind s vices racism is one of the most pervasive and stubborn Success in overcoming racism has been achieved from time to time but victories have been limited thus far because mankind has focused on personal economic gain or power grabs ignoring generosity of the soul This bibliography brings together the literature providing access by subject groupings as well as author and subject indexes Contents Racial Attitudes Racism and Poverty Hate Groups Racial Justice Racism and Politics Race Discrimination Racial

Identity Racism Around the World **Global Multiculturalism** Grant H. Cornwell, Eve Walsh Stoddard, 2001 Global Multiculturalism offers a rich collection of case studies on ethnic racial and cultural diversity drawn from thirteen countries each unique in the way it understands negotiates and represents its diversity A multi disciplinary group of authors shows how in different nations identity groups are included or made invisible by forced assimilation or reviled even to the point of genocide Framed within a theoretical discussion of national identity transnationalism hybridity and diaspora each chapter surveys the demographics and history of its country and then analyzes the dynamics of diversity With cases ranging from Bosnia to Chiapas Cuba to China and Zimbabwe to France this volume offers a truly global perspective and scope Its genuinely comparative methodology and range of disciplinary perspectives make it a unique resource for all those seeking to understand ethnic conflict and diversity

Working through Whiteness Cynthia Levine-Rasky, 2012-02-01 What is whiteness What is gained by claiming it as a critical perspective in anti racism work How do whiteness studies both redeem and assert the white subject Working through Whiteness explores these questions through essays by Canadian American British and Australian scholars reflecting the broad array of academic inquiry into whiteness in the areas of law ethics education feminism politics psychology sociology criminology and social geography Rarely has knowledge of whiteness as the practice of social domination been drawn from this far and wide By embracing the leading edge in critical theory this book is a crucial addition to the growing literature on whiteness

Race and Social Analysis Caroline Knowles, 2003-12-11 This book is well researched and highly accessible It is both a useful and much needed addition to the literature on race and social research Ethnic and Racial Studies The book is well laid out with glossaries of significant new terms and summaries of key points at the end of each chapter extensive notes and a very useful bibliography Knowle s book is a welcome contribution to our understanding and its emphasis on social analysis helps to bridge what sometimes appears to be a widening gap between the academic and policy practitioner communities She provides some significant insights into the inter relationships between everyday race ethnicity making and contemporary political and theoretical understandings Runnymede s Quarterly Bulletin Knowles writes eloquently about how we can challenge and change racist ideas and ideas about race this is an important and enjoyable book which would be valuable to academics or students of any discipline Sociological Research Online In *Race and Social Analysis* Caroline Knowles combines biographical and spatial analysis to provide an up to date account of the ways race and ethnicity operate in a global context The author argues that race and ethnicity is intricately woven into the social landscapes in which we live encompassing both the mundane interactions of daily life and the ways in which the contemporary world is organized Through social analysis the book shows the ways in which we all contribute to race making and the forms of social inequality it produces Drawing on the work of other authors in the field and extending it to provide some avenues into conceptualizing and researching race Caroline Knowles examines how race and ethnicity operate in the social world the making of race and ethnicity by the connections between people spaces and places the ways race and

ethnicity articulate current analytical themes in social science such as space movement and global networks the ways in which broader structures of racial orders are apparent in everyday lives and the stories people tell about them the ways in which places and spaces are raced and ethnicised the ways in which race is significant in the operation of globalization and global migration the making of whiteness Race and Social Analysis offers a grounded theoretical examination of race ethnicity that draws upon examples in Britain the United States Canada and Australia It offers a unique take on the available literature by adding a missing British account of whiteness **Illuminating the Blackness** Habeeb Akande,2016-05-01

Illuminating the Blackness presents the history of Brazil's race relations and African Muslim heritage The book is divided into two parts Part I explores the issue of race anti black racism white supremacy colourism black beauty and affirmative action in contemporary Brazil Part II examines the reports of African Muslims travels to Brazil before the Portuguese colonisers the slave revolts in Bahia and the West African Muslim communities in nineteenth century Brazil The author explores the black consciousness movement in Brazil and examines the reasons behind the growing conversion to Islam amongst Brazilians particularly those of African descent The author also shares his insights into the complexities of race in Brazil and draws comparisons with the racial histories of the pre modern Muslim world including a comparative analysis of the East African Zanj slave rebellions in ninth century Baghdad with the West African Hausa and Yoruba slave rebellions in nineteenth century Bahia **Contesting Development** Philip McMichael,2010-02-17

At a time when the development promise is increasingly in question with dwindling social gains the vision of modernity is losing its legitimacy and coherence This moment is observable through the lens of critical struggles of those who experience disempowerment displacement and development contradictions In this book case studies serve as an effective means of teaching key concepts and theories in the sociology of development This collection of cases all original never previously published and with framing essays by Phillip McMichael has been written with this purpose in mind An important additional feature is that the book as a whole reveals the limiting assumptions of development and suggests alternate conditions of possibility for social existence in the world today In that sense the book pushes the boundaries of thinking about development and makes an important theoretical contribution to the literature **Race, Ethnicity, And Nationality In The United States** Paul Wong,2021-09-02

This book is intended for use in advanced undergraduate and graduate level courses on race and ethnicity and on diversity in America It was first conceived as a collective project of the Research and Resident Scholar Program in Comparative Race Relations at Washington State University which was established in 1994 with support from the Rockefeller Foundation A number of the participating authors are established scholars in racial ethnic studies and several have published award winning bestsellers Others are relative newcomers to the field who were invited to join the project because they were doing important work on less well covered topics such as relations between African Americans and Chicano Latino Americans **Recognizing Race and Ethnicity** Kathleen J. Fitzgerald,2020-06-03 This best selling textbook explains the current state of research in the sociology

of race ethnicity emphasizing white privilege the social construction of race and the newest theoretical perspectives for understanding race and ethnicity It is designed to engage students with an emphasis on topics that are meaningful to their lives including sports popular culture interracial relationships and biracial multiracial identities and families The new third edition comes at a pivotal time in the politics of race and identity Fitzgerald includes vital new discussions on white ethnicities and the politics of Trump and populism Prominent attention is given to immigration and the discourse surrounding it police and minority populations and the criminal justice system Using the latest available data the author examines the present and future of generational change New cases studies include athletes and racial justice activism removal of Confederate monuments updates on Black Lives Matter and Native American activism at Standing Rock and against the Bayou Bridge pipeline

Racial Revolutions Jonathan W. Warren, 2001-09-26 The first analysis of a new phenomenon in Brazil wherein a growing number of mestizos are asserting Indian identities and racial politics and understandings of race formation have radically shifted

Odd Tribes John Hartigan Jr., 2005-11-14 An ethnographic and theoretical account of the construction of whiteness through the study of the lives of white working class Americans

A Promise And A Way Of Life Becky Thompson, 2001-08-07 The first in depth look at white people s activism in fighting racism during the past fifty years Not since the Civil Rights Movement of the 1950s

and 1960s when many white college students went south to fight against Jim Crow laws has white antiracist activity held the public's attention. Yet there have always been white people involved in fighting racism. In this passionate work, Becky Thompson looks at white Americans who have struggled against racism, offering examples of both successes and failures, inspirations, practical philosophies, and a way ahead. *A Promise and a Way of Life* weaves an account of the past half century based on the life histories of thirty-nine people who have placed antiracist activism at the center of their lives. Through a rich and fascinating narrative that links individual experiences with social and political history, Thompson shows the ways both public and personal in which whites have opposed racism during several social movements: the Civil Rights and Black Power movements, multiracial feminism, the Central American peace movement, the struggle for antiracist education and activism against the prison industry. Beginning with the diverse catalysts that started these activists on their journeys, this book demonstrates the contributions and limitations of white antiracism in key social justice movements. Through these stories, crucial questions are raised: Does antiracist work require a repudiation of one's whiteness, or can that identity be transformed through political commitment and alliances? What do white people need to do to undermine white privilege? What would it take to build a multiracial movement in which white people are responsible for creating antiracist alliances while not co-opting people of color? Unique in its depth and thoroughness, *A Promise and a Way of Life* is essential for anyone currently fighting racism or wondering how to do so. Through its demonstration of the extraordinary personal and social transformations ordinary people can make, it provides a new paradigm for movement activity, one that will help to incite and guide future antiracist activism.

'Race' and Sport Kevin Hylton, 2008-08. Offering a genuinely cutting-edge review of critical race theory, this book opens the field to a wide readership of students and researchers.

The Racial Contract Charles W. Mills, 2014-05-29. *The Racial Contract* puts classic Western social contract theory deadpan to extraordinary radical use. With a sweeping look at the European expansionism and racism of the last five hundred years, Charles W. Mills demonstrates how this peculiar and unacknowledged contract has shaped a system of global European domination, how it brings into existence whites and non-whites, full persons and sub-persons, how it influences white moral theory and moral psychology, and how this system is imposed on non-whites through ideological conditioning and violence. *The Racial Contract* argues that the society we live in is a continuing white supremacist state. Holding up a mirror to mainstream philosophy, this provocative book explains the evolving outline of the racial contract from the time of the New World conquest and subsequent colonialism to the written slavery contract to the separate but equal system of segregation in the twentieth-century United States. According to Mills, the contract has provided the theoretical architecture justifying an entire history of European atrocity against non-whites, from David Hume's and Immanuel Kant's claims that blacks had inferior cognitive power to the Holocaust to the kind of imperialism in Asia that was demonstrated by the Vietnam War. Mills suggests that the ghettoization of philosophical work on race is no accident. This work challenges the assumption that mainstream theory is itself raceless. Just as feminist theory

has revealed orthodox political philosophy's invisible white male bias. Mills's explication of the racial contract exposes its racial underpinnings.
