Sesame Street Christmas In The Country:

How the Movies Saved Christmas William D. Crump, 2017-03-29 Santa Claus is in trouble Who will save Christmas This A to Z guide to holiday films television movies and series specials provides cast credits production information and commentary for 228 cinema Christmases that were almost ruined by villains monsters spirits secularism greed misanthropy or elf error but were saved by helpful animals magic snowmen selfless children or compassionate understanding Reviews and references are included Catalog of Copyright Entries Library of Congress. Copyright Office, 1977 *The World Encyclopedia of Christmas* G. Q. Bowler, 2004 A truly comprehensive look at Christmas and all of its customs around the world Cover The Christmas Encyclopedia, 4th ed. William D. Crump, 2022-12-30 From the manger of Jesus Christ to the 21st century this encyclopedia explores more than 2 000 years of Christmas past and present through 966 entries packed with a wide variety of historical and pop culture subjects Entries detail customs and traditions from around the world as well as classic Christmas movies TV series specials and animated cartoons Arranged alphabetically by entry name the book includes the historical background of popular sacred and secular songs as well as accounts of beloved literary works with Christmas themes from such noted authors as Charles Dickens Louisa May Alcott Hans Christian Andersen Pearl Buck Henry Van Dyke and others All things Christmas are available here in one comprehensive volume **New York Magazine** , 1988-12-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Billboard , 1971-12-18 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *New York Magazine* , 1986-12-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** , 1981-12-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The Counterfeit Christmas Jeffery Donley, 2016-09-30 Much has been said about the birth of Jesus Come face to face with Mary

and Joseph as you've never seen them before. Let's unwrap the first Christmas as Jeffery Donley takes you back in time to witness Mary and Joseph's courtship. Stand with Mary before the mighty angelic messenger Gabriel as he announces that she will give birth to the Messiah. Hear Mary sing ten stanzas; yes, sing. Cry with Mary when Joseph cannot accept her but will privately divorce her. Shout with joy with Mary when Joseph comes to take her home. Walk with Mary and Joseph as you will feel every grueling step to Bethlehem. A cold damp stinking urine feces filled room. A burial garment. An animal feed trough. Smell the place where Mary gave birth. Witness what Mary and Joseph used to swaddle baby Jesus. Look where they laid him. Be astonished at what Joseph became. Shiver with Mary as she holds baby Jesus in her arms and sings a lullaby to him. Hear an angelic army sing about the birth of Jesus to shepherds. Tremble in fear with Herod the Great as the Wise Men, the powerful Parthian Megasthenes, gallop into Jerusalem. Wake up in the middle of the night and make a strategic trip to Egypt with Joseph, Mary, and Jesus. And rejoice when Joseph, Mary, and Jesus return to Israel. After reading *The Counterfeit Christmas*, you'll understand the birth of Jesus in a whole new way. After reading this book, your life will not be the same. I have enjoyed my reading and imagining with Jeffery Donley what this most magnificent event of our Lord's birth must have felt like to those who were involved in one of the most astounding events in the celestial and terrestrial world. Here is a narrative that will force moderns to pause and to reflect on the central event in history. Christmas will never remain the same for all who live the story of our Lord's birth once again in the way it is retold here. Jeffery's writing takes a story we all think is so well known; it hardly bears repeating yet Donley puts it so dramatically that it will never seem the same ever again. Interestingly enough, Dr. Donley quietly slips in some great archaeological, linguistic, and historical studies that will excite even the average reader. I commend this text wholeheartedly to readers of all ages and abilities. Dr. Walter C. Kaiser Jr., Biblical Scholar, President Emeritus, Gordon-Conwell Theological Seminary.

A Christmas Carol and Its Adaptations Fred Guida, 2006-08-16

Over 150 years after its original composition, Charles Dickens' *A Christmas Carol* continues to delight readers. The figure of Ebenezer Scrooge has become a cultural icon, and Tiny Tim's "God Bless Us Every One" is as familiar as "Merry Christmas." It is not surprising that Dickens' ghostly little book, as he called it, has proved popular with playwrights and screenwriters. In everything from elegant literary treatments to animated musicals, the role of Scrooge has been essayed by actors from George C. Scott to Mr. Magoo. This critical account of the story's history and its various adaptations examines first the original writing of the story, including its political, economic, and historical context. The major interpretations are analyzed within their various media: stage, magic lantern, shows, silent film, talkies, and television. Dickens' other lesser-known Christmas stories, like "The Cricket on the Hearth," are also examined and compared to the immortal Carol. Finally, a complete annotated filmography of all film and television productions based on *A Christmas Carol* is included, with commentary on each version's loyalty to the original text. The book includes 25 previously unpublished photos as well as analysis of previously undocumented productions. The text includes a foreword by the distinguished film and literary scholar Edward Wagenknecht, a bibliography, and an index.

Television and America's Children Edward L. Palmer, 1990-04 This fascinating volume written by one of the founders of the Children's Television Workshop explores the reasons behind the deplorable state of U.S. children's television and lays a large part of the blame on commercial TV. Palmer offers specific remedies for this American crisis. New York Magazine, 1987-12-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. *Media Across Borders* Andrea Esser, Iain Robert Smith, Miguel Á. Bernal-Merino, 2016-01-29 What happened when Sesame Street and Big Brother were adapted for African audiences? Or when video games Final Fantasy and Assassin's Creed were localized for the Spanish market? Or when Sherlock Holmes was transformed into a talking dog for the Japanese animation Sherlock Hound? Bringing together leading international scholars working on localization in television, film, and video games, Media Across Borders is a pioneering study of the myriad ways in which media content is adapted for different markets and across cultural borders. Contributors examine significant localization trends and practices such as audiovisual translation and transcreation, dubbing, and subtitling, international franchising, film remakes, TV format adaptation, and video game localization. Drawing together insights from across the audiovisual sector, this volume provides a number of innovative models for interrogating the international flow of media. By paying specific attention to the diverse ways in which cultural products are adapted across markets, this collection offers important new perspectives and theoretical frameworks for studying localization processes in the audiovisual sector. For further resources, please see the Media Across Borders group website www.mediaacrossborders.com, which hosts a localization bibliography, links to relevant companies, institutions, and publications, as well as conference papers and workshop summaries.
