Descriptive Writing, Grades 1-2 Jennifer Overend Prior,2000-10 **A Letter for My Mother** Nina Foxx,2014-04-08 Collects essays and letters from thirty three women writers about the bond between mothers and daughters *Feathers of Color: What Was It Like Playing the Famous Bigbird* Lionel Douglass,2005-12-02 *Feathers of Color* What it was like playing the Famous BigBird An American Icon is about the journey of a man who became one of the worlds biggest stars In this book Lionel Douglass shares the days before he reached stardom as the Sesame Street character and the book will touch on several phases of his life giving you a glimpse of his lifes paths This book will make you realize that we all have a destiny Part of Lionels destiny was to secure a spot in history and join the ranks of those who have been affiliated with one of the biggest television shows for children This book touches upon the life of a middle class small town boy with dreams which were answered as a young adult by becoming one of the famous Bigbirds on stage and screen Learn the interesting story of how Lionel became one of the famous Bigbirds and how Jim Henson Carroll Spinney Anita Mann as well as Kermit Love helped school and condition him to represent and portray the work of this Muppet great Travel along with Lionel and find out how he was snubbed by members of the Sesame Street organization despite his vital contributions to the shows survival Ride with him and share his journey as he tells the world about a dreamer who embraced the opportunity to become one of the worlds largest icons and some of his fascinating adventures along the way Just sit back and relax and enjoy Lionel Douglass story of an African American who relished the chance to portray such a world renowned icon *The Political Junkie Handbook* Michael Crane,2004 This easy to use book is designed to inform the American public about the political system that influences much of their lives *I Said a Prayer* Mark Xandrine Sneed,2006-08 I SAID A PRAYER is the story of a young African American woman s battle with her own demons and her experience in the South and in the North I SAID A PRAYER is also the inspirational journey of a single mother s life and the young woman s direction and rededication to her love as her precocious child tries to understand his seemingly unfathomable differences at eight It is a tale of modern life The Ladies' Home Journal ,1922 *Acculturated* Naomi Schaefer Riley,Christine Rosen,2012-09-01 Contemporary popular culture from books to film to television to music to the deepest corners of the internet has provoked much criticism some of it well

deserved Yet popular culture is culture for many Americans particularly younger Americans It is the only kind of cultural experience they seek and the currency in which they trade In *Acculturated* twenty three thinkers examine the rituals the myths the tropes the peculiar habits the practices and the neuroses of our modern era Every culture finds a way for people to tell stories about themselves We rely on these stories to teach us why we do the things we do to test the limits of our experience to reaffirm deeply felt truths about human nature and to teach younger generations about vice and virtue honor and shame and a great deal more A phenomenon like the current crop of reality television shows for example with their bevy of real housewives super size families and toddler beauty pageant candidates seems an unlikely place to find truths about human nature or examples of virtue And yet on these shows and in much else of what passes for popular culture these days a surprising theme emerges Move beyond the visual excess and hyperbole and you will find the makings of classic morality tales As the title suggests readers will find in these pages A Culture Rated This lively roundtable of raters includes renowned cultural critics like Caitlin Flannigan and Chuck Colson and celebrated culture creators like the producers of the hit ABC comedy *Modern Family* and the host of TLC's *What Not to Wear* Editors Christine Rosen and Naomi Schaefer Riley have tasked these contributors both the critics and the insiders with taking a step or two back from the unceasing din of popular culture so that they might better judge its value and its values and help readers think more deeply about the meaning of the narratives with which they are bombarded every waking minute In doing so the editors hope to foster a wide reaching public conversation to help us think more clearly about our culture
