Can God Use Me? Nana Boadum, 2019-12-10 Doubt self pity insecurity and discouragement these rob many young people of the opportunity to give themselves a chance to use their potential By not venturing to do so they neglect their purpose or live it half heartedly if they dare Worse than that many young people never think of themselves as people God can or wants to use They magnify their weakness devalue their worth and give up on hope To them their situation is unlike any other and nothing good can be done

by them through them or with them This book shatters that mindset and encourages children and young people to believe that God wants to and does use ordinary people to do great things for His purpose It challenges the reader to shift their focus from their weaknesses and allow God to work in and through them It references Bible characters whom God used and points to some of their own shortcomings not in a demeaning manner but as a way of inspiring hope in the reader Finally it gives some biblical pointers and keys to prepare oneself for God's use **Ready, Set, Live!** Janet Bray Attwood, Marci

work within and for your Sunday School and Christian education ministries *God's Plan* Andrea Erickson Lindsey, 2024-03-04 One of the most important things we can do as parents and leaders as we read and search the scriptures is to attend carefully and focus seriously on the points of doctrine taught by apostles and prophets The author of this book quoted President Boyd K Packer s marvelous statement about how the teaching of doctrine changes lives and builds faith and testimony like nothing else can That being true it is crucial that parents or caretakers utilize every occasion to help children understand the doctrine of the gospel of Jesus Christ Familiarity with doctrine can give them a proper perspective on life fortify them against the wiles and temptations of the devil help them find comfort in difficult times bring the Holy Spirit into their daily walk and talk and come to know their Lord and Savior in ways that nothing else can Any effort therefore to assist children in understanding the doctrine found in holy scripture and the teachings of latter day apostles and prophets can be fundamental and foundational for our little ones In that spirit I applaud the effort of Andrea Erickson Lindsey to help parents help children Having worked successfully as a seminary teacher within the Church Educational System she is able to present the doctrine of the Church in a clear and understandable manner Andrea is a former student of mine and so I know something of her earnest desire patience and perseverance in pushing forward this project It is my hope that the lessons and examples provided within this book will assist parents and loved ones to bring the children up in the nurture and admonition of the Lord Ephesians 6 4 see also Enos 1 1 About the Author Andrea Erickson Lindsey received her master s degree in religious education from Brigham Young University in 2009 She was a Professional Religious Educator for The Church of Jesus Christ of Latter day Saints teaching both Seminary and Institute She taught at Education Week EFY Especially for Youth and Best of EFY for several years Her extensive training and experience in working with and teaching the youth is an important and valuable resource for parents during these difficult times **There is Truth and It Will Set You Free** Fr. Jeffrey S. Tunnickliff, 2025-08-04 We live in a world where the very concept of truth is rejected by some Others may accept some of truth but ultimately think they should be free to determine for themselves what to believe Fr Jeff embraces truth Through his writings on his website www.renewaloffaith.org sermons and presentations inspired by the Holy Spirit he seeks to present the truth as God has given it to anyone who will listen or read his writings In the summer of 2024 Fr Jeff came to realize that if he was going to continue to teach God s truth he needed to help people understand what truth is So he began to write an article for his website with some expectation of offering presentations on truth When he began to write this document he expected it to be not more than twenty five or thirty pages His plan was to have the first part of the document center on truth in secular terminology and then bring the Christian faith into the discussion That was his plan but it was not God s plan This book is the article he set out to write As he wrote two things became obvious The first is that he could not write about truth without referring to the Christian faith The two are intertwined Second God had bigger plans than an article for Fr Jeff s website Through writing prayer and encouragement from his friends he discerned that God was leading

him to publish this book It is in God s truth that we find who we are meant to be *Christian Faith and Life* ,1928 The MacArthur New Testament Commentary Set of 30 volumes John MacArthur,2011-02-21 This set includes the entire collection of the MacArthur New Testament Commentary series Matthew 1 7 Matthew 8 15 Matthew 16 23 Matthew 24 28 Luke 1 5 Luke 6 10 Luke 11 17 John 1 11 John 12 21 Acts 1 12 Acts 13 28 Romans 1 8 Romans 9 16 1 Corinthians 2 Corinthians Galatians Ephesians Philippians Colossians Philemon 1 2 Thessalonians 1 Timothy 2 Timothy Titus Hebrews James 1 Peter 2 Peter Jude 1 3 John Revelation 1 11 and Revelation 12 22 The MacArthur New Testament Commentary series continues to be one of today s top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways **Official Gazette of the United States Patent and Trademark Office** ,2004 *Seeing Your Setback as a Setup for your Comeback* Charles D.
