*Original Highways* Roy MacGregor, 2018-05-08 Expanding on his landmark Globe and Mail series in which he documented his travels down sixteen of Canada's great rivers Roy MacGregor tells the story of our country through the stories of its original highways and how they sustain our spirit identity and economy past present and future No country is more blessed with fresh water than Canada From the mouth of the Fraser River in BC to the Bow in Alberta the Red in Manitoba the Gatineau the Saint John and the most historic of all Canada's rivers the St Lawrence our beloved chronicler of Canadian life Roy MacGregor has paddled sailed and traversed their lengths learned their stories and secrets and the tales of centuries lived on their rapids and riverbanks He raises lost tales like that of the Great Tax Revolt of the Gatineau River and reconsiders histories like that of the Irish would be settlers who died on Grosse Ile and the incredible resilience of settlers in the Red River Valley Along the Grand the Ottawa and others he meets the successful conservationists behind the resuscitation of polluted wetlands including Toronto's Don the most abused river in Canada In the Mackenzie River Valley he witnesses the Dehcho First Nation's effort to block a pipeline they worry endangers the region's lifeblood Long before our national railroad was built rivers held Canada together in these sixteen portraits filled with yesterday's adventures and tomorrow's promise MacGregor weaves together a story of Canada and its ongoing relationship with its most precious resource

**Wayne Gretzky's Ghost** Roy MacGregor, 2012-11-06 Roy MacGregor has been called the best hockey writer in the country and we finally have a collection of his very best hockey writing revised and updated For nearly 40 years Roy MacGregor has brought hockey our national sport alive on the page From tales of the game's greats Guy Lafleur Jean Beliveau Marcel Dionne to today's stars Sidney Crosby Alex Ovechkin Daniel and Henrik Sedin his magazine and newspaper coverage has revealed so much about these and so many other personalities in moments of promise victory and defeat While many of these stories play out on the ice some of the most compelling take place on the home front Mario Lemieux's battle against cancer the many tribulations of Bob Gainey and MacGregor's prose shines especially when focused on the human side of a sport defined by superhuman feats of speed aggression and power Wayne Gretzky's Ghost is a personal book and also a book of challenging ideas that Wayne Gretzky through no fault of his own was the worst thing to happen to hockey that CBC's Hockey Night in Canada has lost sight of what it is that goaltending has become a position out of all proportion to what was intended And who could offer a better perspective on the game than a writer who playing as a youngster had to face an onrushing phenom from Parry Sound named Bobby Orr or who spent a year ghostwriting a national newspaper column for the Great One himself When it comes to hockey Roy MacGregor has seen and in some cases done it all

**Canoe Country** Roy MacGregor, 2016-05-10 One of our favourite chroniclers of all things Canadian presents a rollicking personal photo filled history of the relationship between a country and its canoes From the earliest explorers on the Columbia River in BC or the Mattawa in Ontario to a doomed expedition of voyageurs up the Nile to rescue Khartoum from the author's family

roots deep in the Algonquin wilderness to modern families who have canoed across the country kids and dogs included Canoe Country is Roy MacGregor's celebration of the essential and enduring love affair Canadians have with our first and still favourite means of getting around Famous paddlers have been so enchanted with the canoe that one swore God made Canada as the perfect country in which to paddle it Drawing on MacGregor's own decades spent whenever possible with a paddle in his hand this is a story of high adventure on white water and the sweetest peace in nature's quietest corners from the author best able and most eager to tell it *Northern Light* Roy MacGregor, 2011-09-06 NATIONAL BESTSELLER FINALIST FOR THE OTTAWA BOOK AWARD FOR NON FICTION Roy MacGregor's lifelong fascination with Tom Thomson first led him to write *Canoe Lake* a novel inspired by a distant relative's affair with one of Canada's greatest painters Now MacGregor breaks new ground re-examining the mysteries of Thomson's life loves and violent death in the definitive non-fiction account Why does a man who died almost a century ago and painted relatively little still have such a grip on our imagination The eccentric spinster Winnie Trainor was a fixture of Roy MacGregor's childhood in Huntsville Ontario She was considered too odd to be a truly romantic figure in the eyes of the town but the locals knew that Canada's most famous painter had once been in love with her and that she had never gotten over his untimely death She kept some paintings he gave her in a six quart basket she'd leave with the neighbours on her rare trips out of town and in the summers she'd make the trip from her family cottage where Thomson used to stay on foot to the graveyard up the hill where fans of the artist occasionally left bouquets There she would clear away the flowers After all as far as anyone knew he wasn't there she had arranged at his family's request for him to be exhumed and moved to a cemetery near Owen Sound As Roy MacGregor's richly detailed *Northern Light* reveals not much is as it seems when it comes to Tom Thomson the most iconic of Canadian painters Philandering deadbeat or visionary artist and gentleman victim of accidental drowning or deliberate murder the man's myth has grown to obscure the real view and the answers to the mysteries are finally revealed in these pages **Learning with Literature in the Canadian Elementary Classroom** Joyce Bainbridge, Sylvia Joyce Pantaleo, 1999-11 Grade level 1 2 3 4 5 6 7 k p e i t **Quill & Quire**, 1996 **Canadian Books in Print** Marian Butler, 2000 **Canadian Book Review Annual**, 1997 The Annual American Catalogue ..., 1901 **The Annual American Catalog, 1900-1909**, 1901 *Booklist Books* American Library Association, 1922 Contains general literature fiction children's books technical books *The Story of Pain* Joanna Bourke, 2014-06-26 Everyone knows what it feels like to be in pain Scraped knees toothaches migraines giving birth cancer heart attacks and heartaches pain permeates our entire lives We also witness other people loved ones suffering and we feel with them It is easy to assume this is the end of the story pain is pain is pain and that is all there is to say But it is not In fact the way in which people respond to what they describe as painful has changed considerably over time In the eighteenth and nineteenth centuries for example people believed that pain served a specific and positive function it was a message from God or Nature it would perfect the spirit Suffer in this life and you wouldn't suffer in the next

one Submission to pain was required Nothing could be more removed from twentieth and twenty first century understandings where pain is regarded as an unremitting evil to be fought Focusing on the English speaking world this book tells the story of pain since the eighteenth century addressing fundamental questions about the experience and nature of suffering over the last three centuries How have those in pain interpreted their suffering and how have these interpretations changed over time How have people learnt to conduct themselves when suffering How do friends and family react And what about medical professionals should they immerse themselves in the suffering person or is the best response a kind of professional detachment As Joanna Bourke shows in this fascinating investigation people have come up with many different answers to these questions over time And a history of pain can tell us a great deal about how we might respond to our own suffering in the present and just as importantly to the suffering of those around us Handbook of Cognitive Behavioral Approaches in Primary Care Harry J. Passing Fancies in Jewish American Literature and Culture Judith Ruderman takes on the fraught question of who passes for Jewish in American literature and culture In today s contemporary political climate religious and racial identities are being reconceived as responses to culture and environment rather than essential qualities Many Jews continue to hold conflicting ideas about their identity seeking deep engagement with Jewish history and the experiences of the Jewish people while holding steadfastly to the understanding that identity is fluid and multivalent Looking at carefully chosen texts from American literature Ruderman elaborates on the strategies Jews have used to pass from the late nineteenth century to the present nose jobs renaming clothing changes religious and racial reclassification and even playing baseball While traversing racial and religious identities has always been a feature of America s nation of immigrants Ruderman shows how the complexities of identity formation and deformation are critically relevant during this important cultural moment
