## **Seven Commandments Of Discipleship What God Asks Of Us:**

*The Seven Commandments of Discipleship* Frank P. DeSiano, 2003 DeSiano begins with the question What does God ask of us He answers God asks us to be disciples to follow Jesus with our hearts our minds and our strength within a community of faith He looks at holiness and spirituality from the point of view of discipleship being invited on a journey and being able to persevere on the road until life's fulfillment He sketches a spiritual path that is neither rigid nor lax and that all can follow

Book jacket **The Seven Commandments of the Bhagavad Gita** J.P. Vaswani, 2015-01-27 The Bhagavad Gita has been hailed as a universal scripture a Bible of humanity The song of the Lord uttered by Sri Krishna on the battlefield of Kurukshetra over five millennia ago remains even in Kaliyuga in the 21st century a tremendous source of faith hope inspiration and wisdom to seekers of the spirit in the East and West Dada J P Vaswani offers the Song Divine to us as a text that all of us can cherish and love Countless are the learned and scholarly commentaries available on the Gita Dada's unique achievement is to make this great scripture accessible to us interpreting its momentous message in a way that we can relate to effortlessly linking its profound precepts to our daily life work conduct and personal relationships In short making Lord Krishna's Song Divine a book for you and me and a thousand others like us We do not have to memorise and recite the Gita with Dada's lucid guidance we can actually translate the Gita into deeds of daily living Make The Seven Commandments of the Bhagavad Gita your guide to a better higher more joyous more meaningful life Let Dada J P Vaswani take you to the heart of the Gita and offer you its essential truths as only he can You are sure to hear the divine music of Sri Krishna's flute reverberate in your spirit

**Being Jesus' Walking and Talking Disciple** Randy Michael Wendt, 2013-12-27 Do you walk along the safe and shallow shoreline Or do you want to be in the deep waters where Jesus calls you Reading this book and following the Spirit's direction launch out into the deep and let down your net for a breaking catch Jesus calls equips and empowers you to be His daily disciple in ways greater than you can imagine *The Path of Faith* Brandon D. Crowe, 2021-03-02 The closely related biblical themes of covenant and law are among the most important in Scripture In this ESBT volume Brandon Crowe considers these themes throughout both Old and New Testaments laying out key principles such as our obligation to obey our Creator how Jesus' perfect obedience to God's law opens the way to eternal life and what the law means for us today *Knowing Our Savior* J.V. Lewis, 2017-06-19 The original Christians were called Christians in a derogatory way by those who were not Christ's followers But because Christ's followers didn't object to being called Christians the name stuck In many places and times being identified as a Christian has cost the ultimate price The question we must ask is Do we really know our Savior well enough to know that we can trust him with our lives Do we know him well enough to know that if we are in a situation where serious punishment maybe even death is certain that we can trust him and say So be it Do we really believe that Jesus is the resurrection that he claims to be Do we believe that in him even when we die it is only the physical body How well do we know the Savior we are following The better we know him the more we come

to love trust and enjoy his friendship Jesus knows everything there is to know about you and he yearns for you to know as much as you can about him Knowing him means having a real friendship like never before An Introduction to the Heidelberg Catechism () Lyle D. Bierma, Charles D. Gunnoe, Jr., Karin Maag, Paul W. Fields, 2005-09-01 This work examines key aspects of the development of the Heidelberg Catechism including historical background socio political origins purpose authorship sources and theology The book includes the first ever English translations of two major sources of the Heidelberg Catechism Ursinus's Smaller and Larger Catechisms and a bibliography of research on the document since 1900 Students of the Reformed tradition and the Protestant Reformation will value this resource *At the Cross* Richard H. Allen, 2013-08-29 The cross of Christ represents the spiritual physical and metaphoric reasons for our existence Old Testament scripture foreshadows Christ and his sacrifice at the cross New Testament scripture reiterates that Old Testament vision as we are led to the singularly most significant event in the history of mankind At the Cross is a line by line examination of the Gospels of Matthew Mark Luke and John as these apostles describe events from the Garden of Gethsemane to the resurrection and ascension of Jesus Christ This book is written for both new and seasoned believers so they may find direction for their commitment and the ramifications of that commitment At the Cross is written for non believers so they can see why believers from the martyrdom of Christ to the most recent Chinese Christian jailed and tortured for his faith would forfeit their lives and liberty rather than deny their Savior **The Decalogue Project** Thomas K. Stendal, 2024-09-18 I love a good fight When unjustly attacked I have learned to seek the guidance and leadership of the Holy Spirit and retaliate by Overcoming Evil with Good There is a huge difference between a Peacemaker and a Pacifist This Battle Plan for spiritual warfare gleaned from the life and message of Jesus especially the Sermon on the Mount and the Beatitudes was on my heart even before I was kidnapped by terrorists and held hostage under extreme conditions in 1983 Since then thousands of missionaries pastors and other Christians have been kidnapped murdered or forced to flee from their places of ministry in rural Colombia Had these Christians known and understood this battle plan for spiritual warfare they could have been victorious instead of prematurely suffering defeat Many who did choose to remain in the path of ever present danger have rallied around this message A

thriving underground church is multiplying in a huge area about the size of North Korea in the south and east of Columbia where Bibles church buildings formal ministry and even house meetings have been prohibited for more than 25 years Severe persecution in rural Colombia has actually served to bring real Christians together in deepening Christian relationships identify the true church and cleanse believers from corruption This has been possible because of the remnant that has been chosen to fight the good fight of faith     *The Living Word 2022-2023* Kate Cousino,Julie Dienno-Demarest,Aires Patulot,Liza N.
