Mysticism in Newburyport

Peter James Ford, 2022-10-05

SHADOW RIDERS is the third book in this seven book series under the title MYSTICISM IN NEWBURYPORT. It is the continuing unfolding story of just another soul's reawakening in this lifetime to the truth of his divinity. After Peter's younger wild years growing up in Lynn, Massachusetts, with heavy alcohol use and abusing all the drugs of the sixties along with his love of riding motorcycles and physical training, he found himself crawling into the 12-step recovery program for alcoholics. Peter abused alcohol for seven years and he drank alcoholically right from his first drink. He used all the drugs of the sixties and combined both alcohol and drugs, which brought him to his knees at a very young age. He was to be involved in endless trouble with police, car and motorcycle crashes, high-speed chases, arrests, and many broken bones. Peter's journey in the recovery program began with a spiritual awakening, and he began his education about the spiritual principles and the ancient wisdom from the past. While Peter was living in the Newburyport area and reading ancient writings from meditation masters, Peter was to have a profound spiritual experience, and his journey back to his true self really began. Through the grace of a mediation master, Peter's own inner spiritual energy called kundalini burst wide open, and this energy flowed up his spine and chakras and caused incredible insights and experiences. It was later that Peter learned about Kundalini Yoga and what had happened to him. Peter was to have profound experiences in long nights of meditation down by the Merrimac River and to have numerous past-life experiences. To honor his spiritual awakening while in this historic seaport, he decided to use the name MYSTICISM IN NEWBURYPORT for the title. Peter's first book was introduced at the Miami International Book Fair as a modern-day version of the Herman Hesse classic novel SIDDHARTHA. These tales are about all the great people from this time in Peter's life and all the gifts and blessings that have flowed and continue to flow to this silly Irish seeker. Peter hopes that his writings will be of some use to others or at least bring a smile to the reader's face about the unique life of just another seeker. This book is dedicated to Barbara Eleanor Parton. She is in the below pictures on our bikes. *Mystic* Peter James

Ford, 2023-10-19. *Mysticism in Newburyport* is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter's powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little historic seaport on the coast of Massachusetts heading toward New Hampshire. Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage, and many tales from the tall cargo ships of olden days. High Street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past-life experiences with his Mystery Woman guide named Layne. Layne was a mystic who would tell

people things about themselves that there was no way she could know She would look you in the eyes and tell you your deepest secrets She also knew about the Earth s electromagnetic grids and helped Peter understand what he was experiencing in Newburyport Peter s new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport Market Square was one of the crossroads for these powerful electromagnet energies that give life to our planet Peter was to share the secrets that were revealed to him in his writings

All Hands ,1951 *Reflections* Peter James Ford,2024-03-27 Peter James Ford The Unlikely Messenger is a unique individual with a broad understanding of life from having lived life from many lifestyles Peter experienced the good the bad the ugly and then an awakening and redemption His younger years found him struggling with alcoholism and the drugs of the sixties with having learning disabilities including attention deficit disorder and growing up in a violent environment Peter turned to physical training and motorcycles and found much satisfaction in both At an early age Peter crawled into the 12 step recovery program a broken man This was the beginning of Peter s spiritual journey Over the years Peter attained the promises of the program and began living a great life Many years later Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters Peter did not realize that his profound spiritual experience at that time was actually a powerful Kundalini Awakening within him Shortly after his awakening these mystic tales of past lives and powerful wisdom truths began flowing Peter has just completed his seventh book about his life adventures and spiritual journey Peter hopes people find something useful in his writings or at least that they will bring a smile to your face when thinking about Peter this Unlikely Messenger

local contexts this book also encourages an equally transnational methodology on archaeological work in the same regions This book is of interest to scholars working in historical archaeology maritime archaeology and trans Atlantic archaeology
