The Furies of Marjorie Bowen

John C. Tibbetts, 2019-11-25 This first book length critical examination of the life and work of Marjorie Bowen 1885 1952 reveals a major English writer whose prodigious output included stories of history romance and the supernatural As Pulitzer Prize winning critic Michael Dirda writes in his Foreword Bowen may be the finest British woman writer of the uncanny of the last century a view that echoes the high regard of cultural historian Edward Wagenknecht who called her a literary phenomenon one whose best work places her alongside such contemporaries as Edith Wharton and Daphne du Maurier Publicly acclaimed known only by a series of pseudonyms including Marjorie Bowen but privately inscrutable she was and is a mysterious and complex character Drawing for the first time upon archival resources and the cooperation of the Bowen Estate this book reveals a woman who saw herself as a rationalist and serious historian but also as a mystic and dark enchantress of dread Above all through a lifetime of domestic storms and creative ecstasy Bowen worked tirelessly as both a professional writer and a consummate artist always seeking as she once confessed to find beauty in dark places **The White People and Other Weird Stories** Arthur Machen, 2011-09-27 Classic tales of the fantastic creepy and weird with a foreword from the award winning director of The Shape of Water Guillermo Del Toro Machen s weird tales of the creepy and fantastic finally come to Penguin Classics With an introduction from S T Joshi editor of American Supernatural Tales The White People and Other Weird Stories is the perfect introduction to the father of weird fiction The title story The White People is an exercise in the bizarre leaving the reader disoriented and on edge From the first page Machen turns even fundamental truths upside down as his character Ambrose explains there have been those who have sounded the very depths of sin who all their lives have never done an ill deed setting the stage for a tale entirely without logic For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators More Things Than are Dreamt of Alain Silver, 1994 *Medieval Studies and the Ghost Stories of M. R. James* Patrick J. Murphy, 2017-02-28 Montague Rhodes James authored some of the most highly regarded ghost stories of all time classics such as Oh Whistle and I ll Come to You My Lad that have been adapted many times over for radio and television and have never gone out of print But while James is best known as a fiction writer and storyteller he was also a provost of King s College Cambridge and Eton College and a legendary and influential scholar whose pioneering work in the study of biblical texts and medieval manuscripts art and architecture is still relevant today In Medieval Studies and the Ghost Stories of M R James Patrick J Murphy argues that these twin careers are inextricably linked James s research not only informed his fiction but also reflected his anxieties about the nature of academic life and explored the delicate divide between professional university men and erratic hobbyists or antiquaries Murphy shows how detailed attention to the scholarly inspirations behind James s fiction provides considerable

insight into a formative moment in medieval studies as well as into James's methods as a master stylist of understated horror. During his life James often claimed that his stories were mere entertainments pleasing distractions from a life largely defined by academic discipline and restraint and readers over the years have been content to take him at his word. This intriguing volume however convincingly proves otherwise. **Fantasy and Horror** Neil Barron, 1999-06-17 More than 2 300 works of fiction and poetry are discussed each cross referenced to other works with similar or contrasting themes. Winners and nominees for major awards are identified. Books that are part of a series are flagged with a complete list of books in series included in a final chapter along with a comprehensive list of awards of translations and of young adult and children's books.

Encyclopedia of British Writers Christine L. Krueger, 2014-07 This concise encyclopedic reference profiles more than 800 British poets. *British Short-fiction Writers, 1880-1914* William F. Naufftus, 1996 Information on the lives and works of some of the outstanding British writers who published short fiction in the romantic tradition during the years 1880-1914.

Clive Barker's Short Stories Gary Hoppenstand, 1994 Unlike other horror fiction and fantasy writers Clive Barker is true to the literary heritage of the genre. Though aware of the importance of entertainment in his writing he embraces the traditional formulas of horror fiction and builds upon them all the while alluding to the works of Dante, Poe, Mary Shelley and others. The complexity of Barker's writing is best evidenced in the six volume *Books of Blood*. Many of these short stories are entertaining hair raisers yet they do not revel in gratuitous violence instead relying on style and a masterful sense of language to entertain. This detailed study analyzes the significant themes in Barker's writing placing him in the British Gothic tradition of Marlowe, Saki and others. *Studies in Short Fiction*, 1991. *Shadows in the Attic* Neil Wilson, 2000 A concise biography of each author is followed by an informed and annotated bibliography of their supernatural stories and novels. Sources for further reading are also given. *Shadows in the Attic* is not only an authoritative guide but a reliable and engrossing introduction to the whole of British supernatural fiction. **BOOK JACKET** *British Fantasy and Science-fiction Writers, 1918-1960* Darren Harris-Fain, 2002 Essays on British writers of fantasy and science fiction including dark fantasy and supernatural horror. Includes lesser known authors who made their own small but significant contributions to this field. Discusses the impact of pulp magazines and other new magazines that focused on subgenres such as romance fiction, adventure fiction, Western fiction and eventually fantasy and science fiction and utopian literature a predecessor and close cousin of science fiction.
